

Criticalist & Emergency Clinician Positions in San Francisco Bay Area:

United Veterinary Specialty & Emergency is seeking a talented critical care specialist and experienced emergency clinicians to join our team of specialists and emergency veterinarians. We emphasize a positive work environment along with a compensation package that includes a 401-k matching program, medical/dental/vision coverage, membership dues and annual continuing education allowance.

United Vet is comprised of three 24-hour state-of-the-art specialty and emergency critical care centers (Mountain View, San Jose and Campbell) in the center of Silicon Valley, CA. Our upgraded and modern hospitals maintain cutting edge equipment and a talented support staff. Case management often entails collaboration with our specialists in Surgery, Internal Medicine, Cardiology, Oncology, Neurology and Dentistry with experienced emergency doctors able to manage patient care around the clock. We provide our doctors with the technology and team needed to provide optimal care for our patients. We are VECCS Level II certified facility with ultrasound, CT and endoscopy.

At United we take pride in providing the best experience possible to all of our patients and clients. We are fortunate to work with a community of caring, intelligent, and dedicated clientele that allow us to deliver optimal patient care. We work closely with our referring veterinary community to build trust and fruitful relationships.

The San Francisco Bay Area offers an amazing quality of life. Our location provides access to beautiful beaches, wine country, Yosemite National Park, world class entertainment (sports, music, art), and outdoor activities. The Bay Area combines an array of opportunities to enjoy life to the fullest.

We are looking for candidates that:

Possesses excellent communication skills with clients, staff and referring vets

Maintains a positive and friendly attitude

Emphasize teamwork

Offers suggestions and encouragement

Values their support staff and encourages further growth

Works to build consensus

Enjoys a challenging and diverse caseload

Demonstrates empathy and compassion

Internship trained emergency clinicians are a plus. Residency trained or boarded criticalist encouraged to apply.
