

State Street Animal Hospital

Recent graduates - Are you looking for mentorship and a comfortable learning experience?

We are looking for an associate veterinarian to work for a 3 doctor small animal practice in western NY. Our hospital motto is "Where your pet is part of our family". We enjoy working in a supportive team environment with a wonderful roster of loyal clients. Veterinary colleagues will include two doctors with 20+ years of experience as well as a recent graduate (2014). The recent grad reported, "Mentorship has always been readily available and includes a good balance of internal medicine and surgical guidance. This is the perfect opportunity for a new grad to learn at a comfortable pace. I never felt like I was alone and had wonderful resources to consult when I had questions."

We have a great staff of four technicians and many assistants who have been with the practice for 2-10+ years. Hospital equipment includes digital x-ray, ultrasound, Abaxis CBC, Profile, and PT/PTT machines, dental equipment, anesthesia monitoring, and Avimark practice management software. We strive to maintain a pleasant family atmosphere both in the clinic and out. Work week is approximately 36 hours per week with one weekday off. We are open until 7pm three evenings per week and evening hours are split between the doctors. On call work will be 1-2 nights per week on call and every third weekend. The clinic is open 8-12 on Saturdays and these hours are part of your on call weekend. There are several emergency referral clinics within one hour and Cornell University is 2.5 hours away, giving us access to emergency services as well as specialized services such as neurology, oncology, ophthalmology, and cardiology.

Our location gives access to two cities only 45 minutes away. The hospital is located in Batavia, NY, between Buffalo and Rochester, two of the fastest growing cities in the northeast. We value a work/life balance and hope our new veterinarian will have the opportunity to experience the many highlights of western NY. Western NY's great amenities including beautiful state parks, wineries, Niagara Falls, ski

Salary and benefits negotiable. Additional benefits include professional organization dues, paid CE, paid time off, and relocation bonus. We have a great team and look forward to working with you! If interested, please contact Dr. Susan Greenbaum sgreenbaum731@gmail.com; <http://statestreetanimalhospital.com/>
