

Ross grad hospital owner looking for an Associate in Park Rapids, MN at Town & Country Animal Clinic!

Looking for something different? Join our fun and energetic small animal practice team with full-time salary working only 4 days per week and no emergencies! Our flexible schedule allows you plenty of time to enjoy the beauty and recreation of this beautiful Northern Minnesota region and maintain an excellent quality of life. Affordable and abundant housing in area allows easy transition for families and individual to set down roots. Our hospital is well-equipped for general surgery, electrocautery, dentistry, hematology, radiography and laboratory diagnostics. We encourage you to have the freedom and flexibility to grow in medical, surgical and complementary medicine techniques, including acupuncture and herbal therapies. We value your effort and time and provide an excellent benefits package including veterinary and DEA licensure, professional memberships, travel and CE and vacation. Flexible scheduling with ample time-off and long weekends. Our clinic offers you the support you deserve for your personal and professional endeavors, with an exceptional and capable team well versed in many therapies to back you up every step of the way! We are looking for a very special team member to share ideas and build a lasting relationship with buy-in potential. If you are ready to start and end your day with a smile, we look forward to inviting you to join our team!

We are looking for an energetic positive team member who is willing to continue to grow with us! Good interpersonal communication skills and friendly demeanor with a common sense, creative and flexible mindset to handle a variety of cases. We are here to support each other, share ideas and encourage open and creative thinking to practice great medicine! General skill in medicine, dentistry, surgery and complementary therapies encouraged.
