Associate Veterinarian at Affordable Veterinary Services in Columbus, GA.

Our focus is on preventive care and spay/ neuter. Our goal is affordable prices and responsible healthcare. We want to prevent seeing family pets surrendered due to financial reasons. We want to keep families and their pets healthy, keep routine health care affordable, and end pet euthanasia in our community through low cost spay and neuter.

We are looking for a full-time or part-time veterinarian with a robust work ethnic and who enjoys fast-paced work environment. We have in house CBC, Chemistry, digital and dental radiology, ultrasound, and a therapeutic laser. A strong interest in surgery and dentistry is preferred. Please send resumes to info@affordablevetservices.org.
