

If you are coming to campus to stay during the hurricane bring ONLY the following:

Pillow, blanket and/or sleeping bag

Rain gear including closed toed shoes or boots

A change of clothing for 2 days

Personal hygiene toiletries including soap and bath towel

Flashlight (no candles)

Fully charged and topped off phone with charger

Non electronic items such as cards and books to read

Personal Medication

NO ALCOHOL

Make sure your car is filled up with gas and your home/apartment is secured before you arrive.

Once on campus do not go outside until you have been advised it is safe to do so by Ross Security. Stay away from windows and doors during the storm.

After the storm, do not drive until advised it is safe. Then, do not drive through flooded areas.

Pack a bag with a change of clothing, toiletries and documents: passport, visa, insurance cards, credit cards. Store papers in a ziplock bag.

If you will shelter in place at your home/apartment during the hurricane:

Secure all outside items indoors

Close storm shutters but leave some windows open about 2 inches if shuttered

Fill bathtub full with water

If your freezer is not full, freeze containers of purified water and pack in freezer

Stock up on non-perishable food and plenty of water. Items should be foods ready to eat without heating or refrigeration required and enough for 3 days

Fill cars with gas and park as high above ground as available and away from trees

Assure flashlights and lanterns have fresh batteries and do not use candles

Personal Medication

DO NOT GO OUTSIDE DURING STORM. Monitor storm advisories and stay inside until advised that it is safe to leave your home. When it is safe, do not walk through flooded waters. They contain bacteria and may have live wires down in flooded areas.

DO NOT USE ALCOHOL. With any emergency you need to be clear headed and able to maintain your safety at all times.

Stay away from windows and doors during the storm.

If your home/apartment floods, seek higher floors and notify Ross Security. Do not attempt to leave unless advised to do so.

Monitor storm advisories as best possible

After the storm, do not drive until safe to do so. Then, do not drive through flooded areas.
