The Associate Veterinarian—under the guidance and support of the Regional Medical Director—carries out VCA’s promise to our clients: making their pet’s health our top priority and excellent service our goal. The Associate Veterinarian educates clients on, advocates for and strives to deliver the highest quality medical, surgical, dental and nutritional diagnostics, treatment, and preventative care to companion animals.

Skills and Qualifications

- A Doctor of Veterinary Medicine (DVM) degree, or equivalent, from an accredited university.
- Licensure in good standing to practice in the state in which applicant is to be employed.
- Professional comportment and appearance, with excellent interpersonal skills and a positive, friendly attitude.
- The ability to make decisions and communicate clearly and effectively with fellow team members.
- Respect for and willingness to work with clients and their pets.
- A commitment to practicing the highest standard of medicine, upholding the veterinary code of ethics.

Job Responsibilities

- Develop a rapport with clients and determine their needs and wishes; perform physical examinations and diagnostic/medical/surgical/dental procedures in a way that will deliver the highest quality care while minimizing patient stress and discomfort; recommend referral to another VCA doctor or specialist when this is likely to significantly improve the prognosis.
- Explain physical examination findings and communicate to the client a diagnosis of the pet’s problems; generate and present a treatment plan for the pet to the client; educate clients on preventative health care, including vaccines and appropriate nutritional products.
- Maintain client/patient medical/surgical records and make certain all necessary logs are kept up-to-date through established protocols; assist colleagues in follow-up and future management of the patient.

- Stay up-to-date with new medical information and changes in veterinary medicine, fulfill VCA requirements for attending local VCA Continuing Education meetings and complete at least 30 hours of accredited CE per year.
- Assist in the development of the paraprofessional team to ensure the delivery of the highest quality care and exceptional client service.
- Positively represent the hospital and VCA in the professional community and to the general public.

VCA PetCare Veterinary Hospital

Company Type (Private Practice, Pharmaceutical): Corporate Practice

Name: VCA Petcare Veterinary Hospital

Company website: <http://vcajobs.com/>

Position Title: Associate Veterinarian

Location: Santa Rosa, CA

Job Description: VCA PetCare West Veterinary Hospital is seeking an experienced Associate Veterinarian to join our team in beautiful Sonoma County, California.

VCA PetCare is a rapidly growing general, specialty and emergency practice with two facilities in Santa Rosa. PetCare East Veterinary Hospital, our 5-year old, 13,000 sq. ft.

24-hour emergency/specialty hospital is equipped with digital radiography, ultrasound, full in-house lab, endoscopy, CT and more. In 2013 we received a design Merit Award from Veterinary Economics. Boarded specialists include 3 Surgeons, 3 Internists, and an Oncologist. Our nursing staff comprises a high ratio of experienced RVTs. We have a Small Animal Rotating Internship that trains 6 interns per year.

PetCare West Veterinary Hospital works in close concert with PetCare East and provides 7-day a week general medicine, urgent care, dentistry, wellness and surgery. PetCare West recently underwent an extensive remodel as well.

The ideal candidate will practice high quality medicine, possess excellent communications skills, and be service oriented. This position could be at either location. Candidate must be willing to work one weekend shift per week. PetCare values its family like culture and places an emphasis on teamwork and collegiality.

There are still parts of California yet to be discovered—and Santa Rosa is one such place: the happening hub for all there is to see, do, eat, drink, hike, bike, and explore in Sonoma County. Take a typical day....Have a quick breakfast at a funky downtown coffee shop. Once you are fueled up, take a bike ride through a vineyard or the redwoods to the coast. Come back downtown to quench your thirst with one of our world-famous local beers, and dine on fresh, Sonoma-grown food or enjoy wine from one of our numerous world-renowned Sonoma County Wineries. Outdoor activities abound in this area – with picturesque wine country and rugged, beautiful beaches just a short drive away. Santa Rosa is a thriving community – with a proximity to the big city-life of San Francisco, while still maintaining a small town feeling. Santa Rosa is truly one of the most desirable places to live in California.

The Associate Veterinarian—under the guidance of the Medical Director and with the support of the Regional Medical Director—carries out VCA's promise to our clients: making

their pet's health our top priority and excellent service our goal. The Associate Veterinarian educates clients on, advocates for and strives to deliver the highest quality medical, surgical, dental and nutritional diagnostics, treatment, and preventative care to companion animals.
