

VCA MID-ATLANTIC GROUP OPENINGS FOR EXPERIENCED PRACTITIONERS

1) **Alexandria Animal Hospital, #878:**

VCA Alexandria Animal Hospital is seeking an experienced **Emergency Veterinarian** to join our well established, 24/7 emergency and critical care department in **Alexandria, VA** – a Washington DC suburb.

Are you looking to join a collaborative team dedicated to providing state-of-the-art medicine and compassionate care? Does the thought of being part of a well-established, highly-regarded, AAHA-accredited, VECCS level II certified trauma center appeal to you? Do you dream about a schedule that's designed around work-life balance? Are you enticed by all of the attractions, activities, and culture that life in the Greater Washington DC area has to offer? If you answered yes to any or all of these questions, VCA Alexandria Animal Hospital currently has some fantastic opportunities available for new graduates with an interest in emergency medicine.

VCA Alexandria Animal Hospital, which has been serving the community since 1942, operates one of the few round-the-clock (24/7) services for veterinary care in the area. Working with a talented and diverse team of ER Associates, General Practice Associates, Licensed Veterinary Technicians, and support staff, this position will allow you to drive your own success by using your superior medical judgment combined with a high level of empathy and confidence to help critically ill and injured pets. Likewise, you'll have ample opportunity to draw upon your communication skills and humility when helping clients understand and cope with their pet's urgent medical needs.

We'll help you sharpen your edge through in-house continuing education and a generous CE stipend. In addition, you'll enjoy access to VCA's vast network of board-certified specialists. We offer competitive compensation along with a comprehensive benefits package. A **generous signing bonus** is also available.

If interested in VCA Alexandria Animal Hospital as the next step in your successful career journey, please contact Dr. Robert McCloskey, Recruiting & Professional Relations Director, at robert.mccloskey@vca.com. Alternatively, applications may be submitted by visiting <http://vcajobs.com/>

2) **Knightswood Animal Hospital, #687:**

VCA Knightswood Animal Hospital is seeking an experienced **Associate Veterinarian** to join our AAHA-accredited, close knit, family-oriented 5-doctor practice located in **Lower Bucks County/Northeast Philadelphia**.

In this position, you'll have the freedom to exercise your excellent medical judgment combined with a high level of empathy, confidence, and humility to heal pets. Along the way, you'll build a loyal client base and we'll help you sharpen your edge through continuing education. And as a General Practitioner within the VCA network, you'll have access to our full complement of board certified Specialists, among the many resources of North America's leader in veterinary medicine.

Under the guidance of the hospital Medical Director and with the support of the Regional Medical Director, the Associate Veterinarian carries out VCA's promise to our clients: making their pet's health our top priority and excellent service our goal. The Associate Veterinarian educates clients on, advocates for and strives to deliver the highest quality medical, surgical, dental and nutritional diagnostics, treatment, and preventative care to companion animals.

VCA rewards its team members with a competitive salary and a comprehensive benefits package.

If interested in VCA Knightswood Animal Hospital as the next step in your successful career journey, please contact Dr. Robert McCloskey, Recruiting & Professional Relations Director, at robert.mccloskey@vca.com. Alternatively, applications may be submitted by visiting <http://vcajobs.com/>

3) **Newark Animal Hospital, #312:**

VCA Newark Animal Hospital is seeking an experienced **Emergency Veterinarian** to join our AAHA-accredited, multi-doctor, 24/7 emergency/specialty/general practice in **Newark, Delaware**. A **\$15K Signing Bonus** is being offered!

We're located 35 miles south of Philadelphia along the I-95 corridor. Enjoy easy access to Delaware beaches, Wilmington, and the beautiful Brandywine Valley. VCA Newark has been established in the community for over 40 years, earning a reputation for excellent patient care and customer service.

Our 10,000 sq. ft. facility includes: digital radiography, flexible and rigid endoscopy, Toshiba 16 slice Aquillon CT, 2 ultrasound machines including a GE Logic S8 with color flow doppler, an Esprit ventilator, and a well-equipped ICU including direct pressure monitoring and 2 environmental oxygen cages. We work with Antech Imaging for radiology consults and have a complete in-house laboratory.

Currently, we have a board-certified specialist in surgery and are actively seeking to expand our specialty services to include internal medicine, critical care, and radiology. Our talented technician staff is committed to compassionate and advanced medical care. Additionally, our progressive general practice contributes substantially with referrals and emergencies.

At the heart of everything we do are the relationships we form with our clients, patients, and referral community. A commitment to premium patient care, unparalleled customer service, and continuous learning is the cornerstone of our long-term success. If you share these core values and would like to become part of a collaborative and supportive team environment, we invite you to grow and evolve with us.

We offer competitive compensation along with a comprehensive benefits package. If interested in VCA Newark Animal Hospital as the next step in your successful career journey, please contact Dr. Robert McCloskey, Recruiting & Professional Relations Director, at robert.mccloskey@vca.com. Alternatively, applications may be submitted by visiting <http://vcajobs.com/>
