

GREATER VISION VETERINARY CARE

Pet Wellness Center
Thompsonville Veterinary Clinic
Marion Veterinary Clinic
West Kentucky Emergency Veterinary Services

MULTIPLE VETERINARIAN POSITIONS AVAILABLE

Our Pet Wellness and Emergency Center location is a well-established practice that offers support in critical care, internal medicine, general and orthopedic surgery, and imaging. We currently have 3 doctors along with a large support team consisting of several Certified Veterinary Technicians, Assistants, and amazing support staff. Our services include in-house diagnostics, digital radiographs, ultrasonography, digital dental radiographs, and much more. We are looking forward to making the transition from our Pet Wellness Center location to a new 17,000 sq. ft. facility equipped with the latest technology to support our Southern Illinois community.

Our Thompsonville Veterinary Clinic supports a large rural large and small animal territory. Our farm services have doubled over the last year, while our small animal appointments continue to build. This facility has a strong need for a part-time or full-time large animal veterinarian. This clinic has a wonderful support staff, full laboratory, pharmacy, surgical suite, and much more.

Our Marion Veterinary Clinic location offers services for mixed animal and equine and will be hiring for a full-time position as well. This clinic also has a wonderful support staff, haul-in equine building, full laboratory, pharmacy, surgical suite, and much more.

Our West Kentucky Emergency Veterinary Services facility located in Paducah, Kentucky is looking to expand and hire a part-time or full-time veterinarian to assist in covering evening and weekend emergencies. We have a wonderful support staff consisting of Certified Veterinary Technicians and Assistants. This clinic offers a full in-house laboratory, digital radiographs, ultrasound, surgical suite, and on-site housing arrangements.

Each facility offers a “base” to work from and participate in farm calls in Southern Illinois and Western Kentucky. We offer a fully stocked farm vehicle to travel to all locations for large animal visits. We are happy to discuss this in depth to find an arrangement that works out for everyone. All clinics are within a 20 to 45-minute drive of each other.

Located in beautiful Southern Illinois, you will be able to enjoy country living only a short distance from the city life, offering the best of both worlds. Whether your interests are in outdoor recreational activities, such as hiking or camping, or include learning about unique natural and cultural heritage of Southern Illinois, the fields, forests and streams of Southern Illinois welcome you. The climate and beauty of the area are especially charming during the Spring and Fall seasons. The Spring brings an abundance of blooming dogwoods, redbuds, wildflowers and early warm temperatures that allow for many outdoor activities. The Fall is saturated with color as the leaves turn brilliant reds, yellows and browns. The summers are warm and the winters are mild. Wild turkey and deer are plentiful along with many local lakes for fishing and water

recreation. Cultural and music entertainment is provided by Southern Illinois University, John A. Logan College and the City of Marion Cultural and Civic Center.

We are also interested in exploring opportunities to host new veterinary graduates for a paid small animal and large animal internship program. Housing arrangements can be provided and our veterinarians are happy to provide mentorship to all graduates. Let us know if you would like to discuss this option.

We offer a competitive salary with production based bonuses that commensurate with experience. Our comprehensive benefit package typically includes professional dues, professional licenses, professional liability insurance, 401K retirement plan, continuing education allowance and paid time off for CE, Pet care benefits, and uniform allowance. Furthermore, we are open to discussing future buy-in or partnership possibilities.

We are offering a \$3,000.00 signing bonus for motivated individuals or paid housing arrangements for a one year period post hire. If you are passionate about veterinary medicine and looking for a long-term career please send your curriculum vitae or resume to the attention of Shannon Edwards at 8257 Express Drive, Marion, IL 62959 or email to s.edwards@greatervisionvetcare.com.
