

Open Internship BluePearl Veterinary Partners - Tennessee Starting February 2018

BluePearl Veterinary Partners located in Franklin, TN is proud to announce an open rotating internship position starting February 2018 - June 2019.

BluePearl Veterinary Partners Tennessee is a young, thriving specialty and 24-hour emergency hospital located in the Nashville suburb of Franklin, Tennessee. We are a rapidly growing practice, continually adding new doctors and support staff. Our interns rotate through Internal Medicine, Critical Care, Emergency Medicine, Dermatology, Oncology, Radiology, and Surgery. Elective weeks are provided to work with the local Ophthalmology practice and Williamson County Animal Center where general surgeries can be performed under the supervision of the shelter veterinary staff.

Our diagnostic and treatment capabilities are extensive. The facility has 10 examination rooms, 2 surgical suites, a well equipped ICU, a radiology suite with digital radiography and CT scan, ultrasound and echocardiography. We also have the facilities to provide I-131. The Internal Medicine Service is able to place tracheal stents and will be expanding services to include hemodialysis starting the Winter 2017-18.

Education opportunities include monthly journal club, monthly grand rounds, monthly clinicopathologic case rounds, cytology and radiology rounds in addition to weekly didactic teaching rounds. Interns are strongly encouraged to attend continuing education seminars provided to the local veterinary community by our veterinarians and licensed veterinary technicians. A stipend is available to put toward licensure or a national CE meeting.

The internship at BluePearl Veterinary Partners Tennessee is an outstanding learning experience. Our specialists are enthusiastic about teaching and are able to provide one-on-one support with each intern. The environment among services is one of collaboration and teamwork. We all work hard, but have a lot of fun in the process. As a young program we have been successful in placing our interested interns into advanced training programs.

Successful candidates will possess qualities including excellent written and verbal communication skills, motivation to learn, ability to work well with others, and openness to constructive feedback. A personal interview is not mandatory, but is highly recommended for interested candidates. Interviews may occur in person, over the phone or Skype/Face Time. Interviews will be accepted up to January 17, 2018. Please contact the hospital (615-333-1212) or email Dr. Monnig (andrea.yuro@bluepearlvet.com) and Dr. Bennett (martha.bennett@bluepearlvet.com) to schedule an interview.
