

## **PRACTICE MEDICINE YOUR WAY**

Join VCA and practice medicine your way! Our client base is growing at **VCA Animal Hospital of Plainfield**. We are seeking a full-time veterinarian to join our team.

At VCA, you can be the veterinarian that you have always wanted to be! We have a special culture in our hospitals that values individual skill, personality and gives you the autonomy that you need to practice high quality medicine. Whether you are an experienced veterinarian or a new graduate, we provide the mentorship, development and support you need to grow in your veterinary career.

All of our hospitals are former private-practices that have retained the spirit that made them successful and now also have access to the people and financial resources of a large veterinary community. Those resources provide the training and equipment to meet the development interest of our doctors. Our philosophy is to provide our doctors and hospital teams with the tools to be successful. We then rely on our doctors to make the best decisions for their patients.

VCA provides competitive salary and production bonuses, relocation assistance, CE allowances, opportunities for career advancement, benefits (medical, dental, vision, 401K, life insurance) and pet care discounts.

If you are looking to join one a well-known, community-based animal hospital, we would love to hear from you! Please contact us at [midwest.jobs@vca.com](mailto:midwest.jobs@vca.com). You can also apply directly at [www.VCAJobs.com](http://www.VCAJobs.com)
