Why choose Banfield Pet Hospital®?

Founded in 1955 in Portland, Oregon, Banfield Pet Hospital has grown to over 1,000 hospitals nationwide and is the largest preventive care practice in the world. Our hospitals feature state-of-the-art equipment, including:

- + Digital radiography
- + Paperless medical records
- + In-house laboratory
- + High-speed dental units
- + Fluid pumps

SUPPORT FOR SUCCESS

At Banfield Pet Hospital, new graduates can perfect their skills with the right caring guidance of experienced coaches & mentors. We're with you from the start!

LIFE IN BALANCE

As a full-time associate, you'll enjoy a full benefits package from Banfield, including: competitive salary with production eligibility, paid time off, 401k plan, free Optimum Wellness Plans® for 3 of your pets, an associate assistance program, and continued education.

PREVENTIVE CARE

Banfield delivers preventive care through packages called Optimum Wellness Plans®. Each plan provides comprehensive and essential care pets need to maintain optimum health. We're leading a pet health and wellness revolution with preventive care!

COMMUNITY

Banfield provides all of its associates paid time off so they can volunteer and participate within their communities. When you're with Banfield, you're a part of something bigger.

Together, we are **EMPOWERING A HEALTHY TOMORROW**
