In order to receive points for SCAVMA Professional Development Funding, you MUST have this sheet filled out. For every organization/event you participate in, you must have a signature proving that you completed that activity. It will be very beneficial for you to keep this sheet up to date throughout your semesters. Everything that is awarded points, needs a signature. If you are a member of a club, you need the signature of an Officer in that club. If you submit a Vet Gazette Article, you need a SAVMA Delegate's signature or provide an email as proof of your submission/publication, etc. etc. If you have any questions, please ask a SCAVMA Executive Board member.
