

# BECOME A VETERINARIAN

# PATHWAYS PROGRAM

*SUNY Delhi in Partnership with Ross University School of Veterinary Medicine*

SUNY Delhi

ROSS UNIVERSITY  
SCHOOL OF VETERINARY MEDICINE

*Focus your veterinary studies in a program designed for today's global society.*

At Ross University School of Veterinary Medicine, our passion is training qualified students, like graduates of SUNY Delhi, to become the next generation of career-ready, compassionate veterinarians and researchers. It's time to explore your pathway to Ross Vet.

## WHY ROSS VET

Nationally recognized AVMA<sup>1</sup>-accredited DVM program

Broad-based curriculum and critical hands-on clinical skills, taught early on at the Ross Vet AAHA-accredited Veterinary Clinic

Culturally distinct environment in St. Kitts filled with natural beauty, and exotic marine and tropical wildlife

The educational foundation needed for various career paths that contribute to human and animal health such as: food quality and safety, food security, behavior, biomedical research, wildlife, and environmental health

Dual degree programs that give students the opportunity to complete a master's degree alongside their Doctor of Veterinary Medicine degree

## PROGRAM BENEFITS

Students who have completed their undergraduate junior year at and have met the academic criteria established through the SUNY Delhi and Ross Vet Pathways Program will receive these benefits:

- Ross Vet application fee waived (except where prohibited by law)
- Priority application consideration at Ross Vet
- Personal admissions interview with Ross Vet
- Ross Vet will designate seats for eligible students in each of our three semesters: January, May, and September
