CAMPUS WATCH

It's your campus - Protect it!
A truly safe campus can only be achieved through the cooperation of students, faculty and staff. As a member of the Ross University School of Veterinary Medicine (RUSVM) community, it is your responsibility to report a crime, suspicious activity or other emergencies on campus to the appropriate school official. Should you become a witness to or victim of a crime, immediately report the incident to local law enforcement officials, the Student Services office, or to the RUSVM Safety and Security Department. All crimes will be investigated and when appropriate, brought to the attention of the Student Services office for disciplinary hearings.

Purpose of the Annual Disclosure Report
RUSVM prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act. The full text of this document can also be found on the http://veterinary.rossu.edu/student-consumer-information.html or by visiting your local RUSVM Safety and Security Department office. This report was prepared with the assistance of local law enforcement agencies. Campus crime, arrest and referral statistics include those that were reported to local law enforcement and campus faculty and staff. This data may also include crimes that have occurred in private residences or businesses adjacent to the campus.

REPORTING CRIMES AND EMERGENCIES
When making your report of an incident you will be asked to provide the following information:
1. Description of the incident
2. Date, time and location of the incident
3. Description of the persons or vehicles involved in the incident
4. Detail regarding who was notified about the incident

Upon receipt of this report RUSVM will determine the appropriate response, which could include disciplinary action against the offender(s), notification to local law enforcement, notification to the campus community or other public safety alternatives deemed appropriate given the circumstances. Please note that your identity may not be confidential when reporting an incident. RUSVM does not have procedures for voluntary, confidential reporting of crimes.

Once each semester, RUSVM will contact the St. Kitts police departments and property management to monitor and record crimes that occur within the designated area surrounding the campus that have been reported to the local Police.

All Emergencies –Dial 911

ANNUAL SECURITY REPORT
RUSVM will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the SIREN notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The Incident Commander will determine if there is a significant emergency or dangerous situation and what segment of the campus community will need to receive a notification.

RUSVM will:
- Test emergency response and evacuation procedures on an annual basis
- Document each test, including the date, time, and whether it was announced or unannounced
- Publicize emergency response and evacuation procedures in conjunction with at least one test per calendar year
SIREN EMERGENCY ALERT SYSTEM

In the event of an emergency or a potentially dangerous threat to the campus or center arises, students, faculty and staff will receive timely notification via the SIREN system, on campus flyers, and/or email announcements. This includes any Clery Act crimes that are reported to the campus IC or local police and are considered to represent a serious or continuing threat to students, faculty, and staff. Please make sure to keep contact information updated in SIREN through the student portal at https://myportal.rossu.edu/ for students and the Adtalem Global Education Commons at https://atge.okta.com/app/UserHome for faculty and staff.

CAMPUS ACCESS, FACILITY SECURITY AND LAW ENFORCEMENT

RUSVM Campus

The Facilities department maintains the building and grounds with a concern for safety and security. Facilities staff inspect the facility regularly, promptly make repairs affecting safety and security hazards, and respond to reports of potential safety and security hazards such as broken windows, locks, etc. Students, faculty and staff can assist the Facilities staff by calling 401-7777 to report concerns. Additionally, the Facilities Senior Manager routinely inspects the grounds and building to review lighting and other environmental concerns for safety.

There are fire alarms and pull stations throughout the facility that should be used only in the event of an emergency. If an emergency requires evacuation, there are signs clearly posted throughout the building indicating the best routes for evacuation.

The building is generally open from 7:00 a.m. to 10:00 p.m. Monday through Friday and 8:00 a.m. to 10:00 p.m. on Saturdays and Sundays. When the building is closed, it is locked and monitored by RUSVM Security. Access to classrooms and laboratories is limited to those enrolled in the courses meeting there. Access to on- and off-campus activities is limited to actively enrolled students and their guests. Students are responsible for the behavior of their guests at all times at campus-arranged events. RUSVM reserves the right to require that RUSVM identification cards be presented for admittance to certain locations and events. RUSVM may also require students to register their guests with Student Services prior to attendance. Student, faculty and staff identification cards should be worn at all times. Due to state specific COVID-19 guidelines, please reach out to the campus directly for updated times in which the building is open.

The on-duty security officer serves as an escort and on-campus security 7 days a week, 24 hours a day. The uniformed guard must be called to respond to emergencies and can be contacted at 465-6161 or 465-4161 x 401-1113. The security officer has the authority to ask questions and request identification at any time. Criminal incidents will be referred to local law enforcement.

All crime victims and witnesses are strongly encouraged to report incidents to both campus security and local police. Prompt reporting will ensure timely warning notices to the campus community and timely disclosure of crime statistics.

Students living in off-campus student housing facilities should check with the apartment landlord for specific safety and security measures at their complex. Although most complexes provide keys for individuals and restrict access to apartments, the level of additional security varies from complex to complex. Crimes committed at off-campus housing should be immediately reported to the Police department with jurisdiction over the complex and as soon as reasonably possible to the RUSVM Security Department and Student Services office.

The campus security department maintains a policy concerning the monitoring and recording, through local police departments, of criminal activity in which students engaged at off-campus locations of student organizations officially recognized by the institution, including student organizations with off-campus housing facilities.
MISSING STUDENT POLICY

To report a student missing, please contact the Safety and Security Department. An official missing student report will be referred immediately to the campus security department, or in the absence of a campus security department, to the local law enforcement agency that has jurisdiction in the area.

Students living in an on-campus housing facility may identify a contact person(s) who will be notified if the student is determined missing by the campus security department or the local law enforcement agency. Contact information will be confidential, accessible only to authorized campus officials and law enforcement, and may not be disclosed outside of a missing person investigation. The Missing Student Designated Contact form is available at the Student Services/Security Office in the Student Union.

If a student is under the age of 18 and not emancipated, RUSVM must notify a custodial parent or guardian when the student is missing, in addition to any contact person designated by the student. The local law enforcement agency will be notified when a student is reported missing, unless the local law enforcement agency was the entity that made the determination that a student is missing.

MISSING STUDENT PROCEDURES

When a student residing in an on-campus student housing facility is determined to have been missing for 24 hours, RUSVM will:

- Notify student’s designated contact person within 24 hours;
- If the student is under 18 years of age and is not emancipated, notify the student’s custodial parent or guardian and any other designated contact person within 24 hours; and
- Inform the local law enforcement agency that the student is missing within 24 hours.

SAFETY AND SECURITY

- Pamphlets on personal safety
- Emergency safety information

**FIRE SAFETY**

**Ross University School of Veterinary Medicine**

The fire safety system used for RUSVM’s on-campus housing facility includes:
- Dorm rooms that are on the ground floor level in the five buildings, all have outside exit doors.
- Fire extinguishers are accessible from each room.
- All rooms are equipped with smoke detectors with indicators for battery life.
- Three fire hydrants are located in close proximity to the dormitory buildings with supporting hose rails.
- The housing department conducts at least three fire drills a year to ensure that students and employees are familiar with evacuation procedures in the event of a fire.
As part of the student’s contract with Ross University, students agree to the following conditions for
staying in campus housing:

- Students are not to keep or have any article that is dangerous, flammable, or explosive in character or
  might substantially increase the danger of fire on the premises, or be considered hazardous by a
  responsible insurance company provided that this covenant shall not apply to cooking gas maintained
  in cylinders of good condition in or about the kitchen area of the premises.
- Students receive communication via the Campus Living Handbook on what things are considered
  hazardous and prohibited in the Campus Living Residences. Additionally, each room is supplied with
  only a 2-burner electric cooktop (no oven), so there is no need for gas cylinders in the rooms. The
  only areas where we use propane are for our laundry services and the tanks are all located on the
  outsides of the buildings.
- The Security department conducts monthly inspection of fire extinguishers at Campus Residences.
  Students are advised through the Campus Living Handbook, Orientation Seminars and follow-up emails
  that there is no smoking within the buildings. They are also directed to the designated smoking area
  located between Woods and Cleghorn Hall.
- Campus Safety and Security monitors non-smoking of students, faculty, guests and stakeholders on an
  ongoing basis on University Housing grounds.

Policies regarding fire safety education and training programs provided to students, faculty, and staff describe the
procedures that students and colleagues should follow in the case of a fire. Students and colleagues can also sign up for
the Fire Wardens program.

**Students and colleagues must report fire occurrences to:**

electrical wiring, transformers, smoke detectors, switch plates and electrical receptacles and voltage readings are working
appropriately.

- Zone Maintenance will conduct inspection of fire extinguishers on a monthly basis for pressure through the
  reading of the pressure gauge.

In addition, Fire Prevention and Safety at RUSVM Housing is included in the Facilities & Operations presentation to
incoming students.

The annual fire safety report instance documentation and log of fire safety policy updates are maintained by the Safety
and Security Department.

DOCUMENT.**

**SEX AND GENDER BASED MISCONDUCT RESPONSE AND PREVENTION POLICY**

**POLICY STATEMENT**

Ross University School of Veterinary Medicine (“RUSVM”) is committed to providing a work and educational
environment free of unlawful harassment, discrimination and retaliation. RUSVM expressly prohibits sex and/or gender-
based misconduct, which includes sexual harassment, sex discrimination, sexual assault, rape, domestic violence, dating
violence, stalking, sexual exploitation and gender-based harassment. Any acts that meet this Policy’s definitions of sex
and/or gender-based misconduct are a violation of RUSVM’s Policy. RUSVM is committed to fostering an environment
where any alleged violation of this Policy is promptly reported, and complaints are resolved in a fair and timely manner.
Creating a safe environment is the responsibility of all members of the community. Regardless of the definitions provided
below, anyone who believes they are a victim of sex and/or gender-based misconduct should report the incident as soon as
possible to the Sexual Misconduct Response Coordinator (See “Definitions” section below for contact information) or the campus complaint administrator in addition to seeking immediate medical and/or safety assistance.

This Policy applies to complaints or reports of alleged sex and/or gender-based misconduct. RUSVM states that no student or employee should be denied equal access to educational programs or activities on the basis of sex or gender, regardless of geographic location. Accordingly, RUSVM has adopted this institutional Policy to ensure that students and employees are protected even when they are located outside of the United States.

RUSVM reserves the right to make changes to this policy as necessary, and once those changes are posted online, they are in effect. If laws, regulations or court decisions change requirements in a way that affects this policy, the policy will be construed to comply with the most recent laws, regulations or holdings.

SCOPE

This Policy applies to all members of the RUSVM community, and includes but is not exclusive to faculty, staff, students, visitors, volunteers, vendors and persons related to, receiving or seeking to receive services, or otherwise pursuing studies with the organization. It also applies, as appropriate, to any alleged act of sex and/or gender-based misconduct that adversely impacts the RUSVM community, whether those acts occur on or off campus.

KEY DEFINITIONS

“Affirmative Consent” is the affirmative, knowing, conscious, voluntary and mutual agreement to engage in sexual activity. Consent can only exist free from intimidation, force, threat of force or coercion. Under this Policy, “No” always means “No” and “Yes” may not always mean “Yes.” Anything but voluntary, conscious, affirmative consent to any sexual activity is equivalent to “no” for purposes of this Policy. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. While the legal definition of consent is found in the RUSVM’s Annual Disclosure, the following general rules apply when assessing whether consent has been/was given.

- Consent can never be assumed.
- The lack of protest or resistance does not constitute consent, nor does silence.
- Where there is use of threat, force or restraint by the Respondent, the lack of verbal or physical resistance or the submission by the victim does not constitute consent.
- The manner of dress of the victim does not constitute consent.
- The existence of a dating relationship between the persons involved or the fact of past sexual relations between them should never, by itself, be assumed to be an indicator of consent.
- Consent to sexual activity with one person does not constitute consent to sexual activity with another person.
- A person who initially consents to sexual contact, including penetration, may withdraw continued consent at any time during the course of that interaction. When consent is withdrawn or can no longer be given, engagement in sexual activity must stop.
- Consent to some form of sexual activity cannot automatically be taken as consent to any other form of sexual activity.
- A person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to circumstances, including without limitation the following: the person is incapacitated due to use or influence of alcohol or drugs; the person is asleep or unconscious; the person is under age, or the person is incapacitated due to a mental disability.
- Consent is required regardless of whether the person initiating sexual activity is under the influence of drugs and/or alcohol.
- A power differential between people engaged in a sexual act presumes the inability to consent for the less powerful person (e.g., the student in a student-colleague interaction; the supervisee in a direct report-supervisor interaction).
- It is not a valid excuse to alleged lack of affirmative consent that the Respondent believed the victim consented to sexual activity if the:
- Respondent’s belief arose from the Respondent’s own intoxication or recklessness
- Respondent did not take reasonable steps to ascertain whether the Complainant affirmatively consented
- Respondent knew or a reasonable person should have known that the Complainant was unable to consent because the Complainant was asleep, unconscious, incapacitated due to the influence of drugs, alcohol or medication, or was unable to communicate due to a mental or physical condition.

Regardless of how notice is received, reports may prompt a need for RUSVM to investigate.

REPORTING BY COLLEAGUES TO EXTERNAL AUTHORITIES

Colleagues who are made aware of a possible violation of this Policy are required to contact their manager or one-up manager and also the Sexual Misconduct Response Coordinator. Colleagues can also submit named or anonymous reports of sexual and/or gender-based misconduct by utilizing the Adtalem “Speak Up” hotline at www.speakupadtalem.com.

Colleagues should contact the Sexual Misconduct Response Coordinator with any questions about whether a report to law enforcement is appropriate. Nothing in this Policy prohibits a student or colleague from reporting a crime directly to local authorities.

Disciplinary procedures are independent of any and all procedures and proceedings under local, state or federal criminal or civil law. In all cases, RUSVM reserves the right to refer cases for parallel criminal prosecution or to pursue sanctions regardless of criminal prosecution. Violations of this Policy by a visitor, volunteer, vendor, agents or other third parties affiliated with RUSVM may also result in the termination of pre-existing or future relationships.

COMPLAINANT’S RIGHTS

RUSVM will implement Supportive Measures to protect victims of sex and gender-based misconduct and maintain a positive learning and working environment by minimizing or eliminating contact between Complainant and Respondent and providing reasonable academic, employment, and administrative accommodations. See “Supportive Measures” paragraph above for additional details.

Complainant’s rights include:

1. The right to notify or not notify law enforcement and to request and receive assistance from RUSVM in making a report if desired.

2. The right to summary information on all available response options, such as complaint resolution procedures, including the necessary steps and potential consequences of each option whether or not a formal report is made to the institution.

3. The right to be free from undue coercion from RUSVM to pursue or not pursue any course of action.
4. The right to be informed of the institution’s role regarding orders of protection, no contact orders, restraining orders or similar lawful orders issued by a civil, criminal or tribal court (when applicable). RUSVM abides by orders of protection (including no-contact orders and restraining orders), which are generally issued by a municipal court to protect a person or entity in a situation involving sexual assault. RUSVM may also liaise with local authorities to assist an individual who wishes to obtain protective or restraining orders.

5. The right to request and receive information on how to make a confidential report for the purposes of tracking campus crime without otherwise divulging details that would require or permit RUSVM to investigate and respond (when the incident has not yet been reported to a colleague required to notify the Sexual Misconduct Response Coordinator).

6. The right to contact information for the Sexual Misconduct Response Coordinator, available confidential advisors, community-based resources (sexual assault crisis centers or other appropriate support services), campus security and/or local law enforcement.

7. The right to be fully informed of any applicable disciplinary conduct process and procedures.

8. The same rights as the Respondent to attend and have a support person of their choice and/or witnesses present at student conduct hearings and any meetings leading up to such a hearing.

9. The right to be informed of the outcome of any student or colleague conduct process involving alleged sex or gender-based misconduct regardless of participation in the process leading to that outcome. In the case of student conduct proceedings, victims have the right to appeal the outcome.

10. The right to request Supportive Measures.

11. The right to obtain and have enforced a campus-issued limiting instruction or no contact order or a court issued order of protection or no contact order.

12. The right to be informed about RUSVM’s ability to provide assistance, upon request, in accessing and navigating campus and/or community resources for health, mental health, advocacy, and/or other services for survivors of sexual assault, relationship violence and other forms of sexual misconduct.

13. The right to be free from any suggestion that they are at fault or should have acted in a different manner to avoid reported sex or gender-based misconduct.

14. The right to not be required to describe the incident to more representatives than absolutely necessary for proper investigation and response and under no circumstances will a victim be required to repeat details of the incident to secure appropriate accommodations.

15. The right to make an impact statement during the point in any conduct review process where the decision maker is prepared to deliberate on appropriate sanctions.

CONFIDENTIALITY

RUSVM wishes to create an environment in which individuals feel free to discuss concerns and make complaints. RUSVM understands that victims, witnesses and others involved in the investigation process may be concerned about the confidentiality of the information they are sharing. In some cases, however, RUSVM may be obligated to take action when it becomes aware of information relating to a complaint.

Confidentiality in cases of sex and/or gender-based misconduct will be maintained to the extent permissible by law and consistent with RUSVM’s obligations in investigating complaints. Once an individual discloses identifying information to RUSVM through the processes described above and in the applicable complaint procedures, that person will be considered to have filed a complaint with RUSVM.
While the confidentiality of information received, the privacy of individuals involved and compliance with the wishes of the Complainant or witnesses cannot be guaranteed, they will be respected to the extent possible and appropriate.

If students or colleagues wish to speak with someone who can assure confidentiality, they may contact a Confidential Advisor.

Students and colleagues are also encouraged to access counseling services available by referral through RUSVM’s third-party providers: Morneau Shepell (for students) at 1.866.743.7732, by downloading the free My SSP App from the Apple or Android app store, or us.mvissp.com and Guidance Resources (for colleagues) at 1.877.623.3879.

These confidential resources permit discussion of an incident without beginning the investigation process. Local or profession specific mandatory reporting laws related to certain types of concerns (i.e., child sexual abuse) may still trigger a requirement for a confidential resource to report an incident to identified enforcement agencies.

SUPPORT AND RESOURCES

Upon report of alleged sex and/or gender-based misconduct, the Sexual Misconduct Response Coordinator will offer individualized appropriate support (“Supportive Measures”) or refer the victim directly to immediate assistance. Supportive Measures are available to the Respondent or Complainant, as appropriate. Examples include academic accommodations, changes in housing for the victim or a Respondent student, changes in working situations and other arrangements as may be appropriate and available (such as limiting orders, campus escorts, transportation assistance or targeted interventions).

Victims of sexual assault, dating violence, domestic violence and/or stalking will also be provided with written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available.

RUSVM will keep confidential the victim’s identity and any accommodations or Supportive Measures provided, to the extent that maintaining such confidentiality will not impair RUSVM’s ability to provide the accommodations or Supportive Measures.

Supportive Measures are individualized and appropriate based on the information gathered by the Sexual Misconduct Response Coordinator. If circumstances related to an incident change over time, these and other Supportive Measures may be revisited. RUSVM may also provide referrals to counseling services, at the victim’s option, including but not limited to the confidential colleague and student support services outlined above (See “Reporting”). Local resource lists can also be found through student services. A brief list of national and international referral sites can be found below.

ADDITIONAL RESOURCES FOR COMPLAINANTS

Local Resources can be found in the RUSVM’s Annual Security Report distributed to each campus community and posted on the Student Consumer Information page of RUSVM’s website. The reports are available by location in a drop-down menu and contain lists of local resources available to victims of sex and gender-based misconduct. The resource lists are updated annually.

To access this information, go to: https://veterinary.rossu.edu/student-consumer-information

- Additionally, the following resources exist to provide information and links to external assistance: National Sexual Assault Hotline 1.800.656.HOPE (4673) rainn.org
- National Domestic Violence Hotline 1.800.799.7233 (TTY) 1.800.787.3224 thehotline.org
RUSVM will investigate allegations of sex and gender-based misconduct, including when drugs or alcohol may have been involved. RUSVM encourages the reporting of sex and gender-based misconduct by victims and witnesses who are sometimes hesitant to report to RUSVM officials or participate in the resolution processes because of concern that they may be accused of policy violations, such as underage drinking or drug use at the time of the incident. It is in the best interest of the community that victims and witnesses come forward to share what they know regarding violations of this Policy. To encourage reporting, RUSVM grants victims and witnesses amnesty, when appropriate, for potential RUSVM policy violations and provides all parties and witnesses other interim measures as appropriate or needed.

Similarly, RUSVM encourages direct assistance to those in need as a result of sex or gender-based misconduct. In instances where minor policy violations are revealed as a result of a person providing assistance to a victim, policy violations should not be overlooked; however, RUSVM may provide educational options, rather than punitive sanctions, to those who offer their assistance.

COMPLAINT DISMISSAL

RUSVM may dismiss a Formal Complaint if the Complainant informs the Sexual Misconduct Response Coordinator, in writing, that he, she, or they withdraw the Formal Complaint or allegations therein; the Respondent is no longer enrolled or employed by RUSVM; or if specific circumstances prevent RUSVM from gathering sufficient evidence to reach a determination. If a Formal Complaint is dismissed, the parties will be provided written notice of the dismissal outlining the reason(s) for dismissal.

EMERGENCY REMOVAL

RUSVM can remove a Respondent entirely or partially from an educational Program or Activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical or safety of any student or other individual justifies removal. The risk analysis is performed by the Sexual Misconduct Response Coordinator in conjunction with the Director, Enterprise Safety and Security.

In cases in which an emergency removal is imposed, the Respondent will be given notice of the action and the option to request to meet with the Sexual Misconduct Response Coordinator prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified. This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested in a timely manner, objections to the emergency removal will be deemed waived.

The Sexual Misconduct Response Coordinator has sole discretion under this policy to implement or stay an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this policy will be grounds for discipline, which may include expulsion or termination.

RUSVM will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Sexual Misconduct Response Coordinator, these actions could include, but are not limited to:
temporarily re-assigning a Colleague, restricting a student’s or Colleague’s access to the campus, allowing a student to withdraw or take grades of incomplete without financial penalty, and authorizing an administrative leave.

GRIEVANCE PROCESS

RUSVM utilizes a prompt, equitable and impartial grievance process to evaluate reports. Personnel involved in the grievance process will be free from conflicts of interest or bias for or against the parties.

The parties will receive equal opportunity to provide information, witness statements, evidence, and other information that may be necessary to fully evaluate the alleged offense. Both parties will be afforded equitable rights and access during the grievance process.

Generally, the grievance process consists of a report, investigation, live hearing (including cross-examination), determination, disciplinary measures, remedies and appeal (if applicable). The grievance process, barring extenuating circumstance, will conclude within 90 calendar days from the date a report is received. The parties will be notified by the investigator or decision-maker if the process will take longer than 90 days.

ADVISOR

The parties may be accompanied by an advisor of their choice. If a party does not have an advisor present at the live hearing, the RUSVM will select and provide an advisor, without fee or charge, to conduct cross-examination of witnesses on behalf of that party. The parties may not conduct cross-examination.

Choosing an advisor who is a witness in the grievance process creates potential for bias and conflict of interest. A party who chooses an advisor who is also a witness can anticipate that issues of potential bias will be explored by the Decision-Maker.

The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the grievance process. Advisors are expected to advise without disrupting proceedings. For example, advisors should not address RUSVM officials in a meeting or interview unless invited to. An advisor may not make a presentation during any meeting or proceeding and may not speak on behalf of the party to the investigation or other Decision-Maker except during a live hearing, during cross-examination. If an advisor is disruptive or otherwise fails to respect the limits of the advisor role, the meeting or interview may be ended.

Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with third Parties, disclosed publicly, or used for purposes not explicitly authorized by RUSVM. RUSVM may seek to restrict the role of any advisor who does not respect the sensitive nature of the process or who fails to abide by the RUSVM’s privacy expectations.

INVESTIGATION

When the Complainant chooses or RUSVM believes it is necessary, a prompt, fair and impartial process from the initial investigation to the final result to resolve reports of sex and gender-based misconduct. In the event a Complainant requests that an investigation not occur, their request will be honored when possible and unless RUSVM determines in good faith that failure to investigate creates a potential risk of harm to the Complainant or other member of the RUSVM community.

If an investigation is initiated, the process will be conducted by officials of the Office of Equity and Access, or its designee, who will receive annual training on the issues related to sex and gender-based misconduct, including sexual assault, dating violence, domestic violence and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. RUSVM officials who do not have a conflict of interest or bias for or against the Complainant or the Respondent will conduct the process.

Generally, an investigation will consist of interviewing the Complainant, the Respondent and any witnesses. The parties will be provided an equal opportunity to present fact and expert witnesses or other evidence. The parties (and their advisors) will be provided with evidence directly related to the allegations, in electronic format or hardcopy, with at least
10 days for the parties to inspect, review, and respond to the evidence. The Investigator will consider the responses received from the parties before issuing the investigative report.

Once the investigation has concluded, the Investigator will draft an investigative report (hardcopy or electronic) that fairly summarizes relevant evidence. The investigative report will be sent to the parties (and their advisors) at least 10 days prior to a live hearing. The parties may provide a written response to the investigative report.

The colleague complaint procedure, which details the investigation and resolution processes and prohibited colleague conduct, can be found on the Commons (apps.adtalem.com > Commons- HR Portal > Policy Central).

Privacy of the records specific to a sex and/or gender-based misconduct investigations are maintained in accordance with applicable law, including the Family Educational Rights and Privacy Act (FERPA). Any public release of information to issue a timely warning will not include the names of victims or information that could easily lead to a victim’s identification. In appropriate instances, pertinent Supportive Measures and the results of disciplinary hearings regarding the Respondent will be disclosed to the Complainant. Confidentiality will be maintained whenever possible; however, RUSVM reserves the right to exercise discretion and disclose details of an incident or allegation to assure community safety or the safety of an individual.

INFORMAL RESOLUTION

If the Sexual Misconduct Response Coordinator deems appropriate and both parties voluntarily consent in writing, Formal Complaints can be resolved through informal resolution, such as mediation. The Sexual Misconduct Response Coordinator will facilitate an appropriate informal resolution process depending on the nature of the allegations, the parties involved, and the overall circumstances. Informal resolution will be conducted by a facilitator, who will be designated by the Sexual Misconduct Response Coordinator. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process. Informal resolution is unavailable to resolve allegations that a Colleague sexually harassed or sexual assaulted a student.

LIVE HEARING

If a report is not resolved informally, RUSVM will conduct a live hearing. Live hearings are facilitated by designated Decision-Maker. The Decision Maker will be selected by the Office of Equity and Access. The Decision-Maker consists of a panel of no fewer than three (3) members, designated from the hearing panel.

Cross-examination during the live hearing will be conducted directly, orally, and in real time by the party’s advisor and not by a party personally. The Decision-Maker will permit each party’s advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Only relevant cross-examination and other questions may be asked of a party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the Decision-Maker must first determine whether the question is relevant and explain to the party’s advisor asking cross-examination questions any decision to exclude a question as not relevant.

Rape shield protections are applied to Complainants, deeming irrelevant questions and evidence about a Complainant’s prior sexual behavior unless offered to prove that someone other than the Respondent committed the alleged Sexual Harassment or offered to prove consent.

If a party or witness does not submit to cross-examination at the live hearing, the Decision-Maker will not rely on any statement of that party or witness in reaching a determination regarding responsibility. This prohibition will also apply to third-party documents to the extent that statements from the party that does not to cross-examination. The Decision-Maker will not draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.

At the request of either party, RUSVM will provide for the entire live hearing (including cross-examination) to occur with the parties located in separate rooms with technology enabling the parties to see and hear each other. Live hearings may be conducted with all parties physically present in the same geographic location or, at RUSVM’s discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually. An audio or audiovisual recording, or
transcript, of any live hearing will be created and maintained for seven (7) years. Individuals participating in the live hearing cannot be disruptive and must follow the policies and procedures set by RUSVM. The Decision-Maker has the authority to enforce decorum.

STANDARD OF EVIDENCE

The Decision-Maker will utilize the preponderance of evidence standard to determine if a violation of the Sex and Gender-Based Misconduct Response and Prevention Policy occurred. The preponderance of evidence standard means that based on all the information available, it is more likely than not that the alleged sexual harassment or sexual misconduct occurred.

EVIDENCE LIMITATIONS

RUSVM will not use, rely on or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege. RUSVM will not access or use a party’s medical, psychological, and similar treatment records unless the party provides voluntary, written consent. Prior sexual behavior unless offered to prove that someone other than the Respondent committed the alleged sexual misconduct or offered to prove consent. Past findings of domestic violence, dating violence, stalking or sexual assault may be admissible in the review process stage that determines sanction.

WRITTEN DETERMINATION

Once complete, the parties will be simultaneously informed in writing of the outcome. Notice to both parties will include the written statement detailing the factual findings supporting the determination and the rationale for the sanction/discipline (if any) to the degree possible and always when the sanction/discipline is directly relevant to that individual. The notice will also include appeal procedures, if applicable, and when the results become final.

DISCIPLINARY REVIEW AND ACTION

Acts of sex and/or gender-based misconduct are subject to disciplinary action. Disciplinary actions against the Respondent will not be imposed before completion of RUSVM’s grievance process. Following a determination of responsibility, appropriate corrective action will be taken, and RUSVM will take steps to prevent recurrence. Disciplinary actions taken will be determined on a case-by-case basis. Disciplinary action is not intended to determine criminal responsibility. Rather, it is intended to identify and respond to violations of RUSVM policy and community standards. Separate and distinct disciplinary action may also be considered in instances of retaliation against those who in good faith report or disclose an alleged violation of the comprehensive policy, file complaint, or otherwise participate in the complaint resolution procedure. Failure to abide by imposed disciplinary actions (whether by refusal, neglect or any other reason), may result in additional disciplinary action, including suspension or termination. Failure by Respondent to adhere to Disciplinary Action will be considered a form of retaliation or an extension of the initial allegations.

Individuals who make a materially false statement in bad faith in the course of a grievance process under this Policy will be subject to RUSVM’s Code of Conduct policies.

REMEDIES

Remedies are provided to a Complainant whenever a Respondent is found responsible and may be disciplinary and punitive. Student remedies are designed to maintain the Complainant’s equal access to education. Remedies will be determined on a case-by-case basis and reasonable under the circumstances. Remedies may include supportive measures.

SANCTIONS FOR STUDENT MISCONDUCT

If RUSVM determines that sex and/or gender-based misconduct has occurred, appropriate disciplinary sanctions for substantiated violations of this Policy by students, up to and including expulsion, will be imposed in accordance with the Code of Conduct applicable to students found at https://veterinary.rossu.edu/media/11921/rusvm-student-handbook. The full list of available sanctions is provided in the Code of Conduct applicable to students.
This Policy statement is not intended to replace or substitute for the Code of Conduct applicable to students. This Policy is a supplement to the community standards that the Code of Conduct applicable to students sets forth. In addition, violations of this Policy may trigger application of sanctions to a student imposed under local, state or federal law.

SANCTIONS FOR COLLEAGUE MISCONDUCT

Disciplinary sanctions for a colleague’s violation of this Policy may include written reprimand, warning, probation, suspension, housing suspension, housing expulsion, limiting order, change in job assignment, office relocation, reduction of awards under the management incentive plan, or termination of employment or contract, and will be imposed in accordance with applicable RUSVM policies and procedures.

RUSVM reserves the right to impose further and/or different sanctions appropriate to an individual situation. In addition, violations of this Policy may trigger application of sanctions to a colleague imposed under local, state or federal law.

Colleagues are also subject to processes and discipline determined by the Human Resources Department. The HR process is separate and apart from the Sexual Misconduct Response process and not constrained by the outcome of the Sexual Misconduct Response process.

APPEAL

Both parties have the right to appeal a determination regarding responsibility, RUSVM’s dismissal of a Formal Complaint or any allegations therein if: (1) procedural irregularity affected the outcome of the matter; (2) there is newly discovered evidence that could affect the outcome of the matter; (3) a conflict of interest or bias, that affected the outcome of the matter; and/or (4) the proposed Remedy was not reasonable based on the evidence compiled during the investigation.

An appeal must be submitted in writing to the Sexual Misconduct Response Coordinator within ten days of the delivery of the Written Determination.

RETRALIATION PROHIBITED

Retaliation (including intimidation, threats, coercion or discrimination) against an individual for raising an allegation of sexual and/or gender-based misconduct, for cooperating in the investigative is prohibited. If you believe you have been retaliated against, you should follow the procedures outlined in RUSVM’s Retaliation policy located in the Student Handbook. Colleagues should refer to the Retaliation policy located in the Global Employee Handbook.

TRAINING FOR TITLE IX/SEXUAL MISCONDUCT RESPONSE PERSONNEL

RUSVM ensures that its Sexual Misconduct Response personnel have adequate training. The Sexual Misconduct Response Coordinator and Investigators are trained on the definition of Sexual Harassment, the scope of RUSVM’s education Program or Activity, how to conduct an investigation, RUSVM’s grievance process (including hearings, appeals, and informal resolution processes, as applicable) and how to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Decision-Makers are trained on the definition of Sexual Harassment, the live hearing process, technology to be used in live hearings, and issues of relevance (including how to apply the rape shield protections provided for Complainants). Informal resolution facilitators are trained on the informal resolution process.

Materials used to train Sexual Misconduct Response personnel are posted on RUSVM’s website and may also be requested directly from the Sexual Misconduct Response Coordinator.

RUSVM will provide primary prevention and awareness programs to prevent Sexual Assault, Dating Violence, Domestic Violence and Stalking to incoming students and new Colleagues during their first semester.

BIAS/CONFLICT OF INTEREST

To raise any concern involving bias or conflict of interest by the Sexual Misconduct Response Coordinator, contact the Director of the Office of Equity and Access, Dwight Hamilton, by phone at 312.651.1458 or by email at
Concerns of bias or potential conflict of interest by any other Title IX personnel should be raised with the Sexual Misconduct Response Coordinator.

**TIMELY WARNING REQUIREMENTS**

College administrators will issue timely warnings for incidents reported that pose a substantial threat of bodily harm or danger to other members of the campus community. RUSVM will make every effort to ensure that a victim’s name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. RUSVM reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

Personally identifiable information for victims of Sexual Assault, Dating Violence, Domestic Violence and Stalking will not be included in any publicly available recordkeeping, including Clery Act Reporting and disclosures such as the ASR.

**PREVENTION AND AWARENESS**

Acts that are deemed to fall within the scope of this Policy are violations of the Codes of Conduct as well as the expectations of members of the RUSVM community. These acts may also be crimes. In an effort to increase the likelihood of intervention and reduce the risk of sex and/or gender-based misconduct from occurring among its students and colleagues, RUSVM is committed to providing primary and ongoing awareness and prevention programming.

Primary and ongoing awareness and prevention programs will cover the continuum of issues contemplated by this Policy. Themes will include situational awareness and prevention strategies, such as bystander intervention and other forms of risk reduction. While bystander intervention specifically refers to the safe and effective ways in which third parties can intervene to thwart sex and/or gender-based misconduct, risk reduction also encompasses various strategies to eliminate or reduce risk of harm by avoiding or removing oneself from situations that are dangerous or uncomfortable. Awareness programs are events that occur online or in person that invite active engagement of community members. It is the expectation and responsibility of each member of the RUSVM community to participate in programming which will assist with ongoing prevention efforts as well as effective and efficient identification and response when sex and/or gender-based misconduct does occur.

**Primary prevention and awareness programming** will include a comprehensive online education platform intended for viewing by all colleagues and students as well as student-facing vendors if necessary and appropriate. The program will be completed by:

- New students and transfer students within three weeks of the start of the student’s first session
- Returning and continuing students who did not take the training as a new or transfer student within three weeks of the start of the session the student is scheduled to resume or continue studies
- Colleagues by the date stated in email notification
- Specific vendors by the date stated in email notification

Access to the primary prevention program and its contents will be ongoing throughout the participant’s relationship with RUSVM. Members of the RUSVM community are encouraged to visit this resource regularly for personal, professional and academic purposes.

**Ongoing prevention and awareness campaigns** are public service announcements and campaigns as well as messages and activities integrated into the day-to-day fabric of the academic community. These initiatives are intended to reinforce increased awareness regarding sex and/or gender-based misconduct and prevention strategies throughout the year. RUSVM will continually seek formal and informal ways to incorporate additional awareness and prevention strategies, e.g., active and passive educational campaigns, such as social norms poster campaigns, newsletter articles, presentations and volunteerism with local community resource agencies. When additional ongoing education is provided, the organizer will report that event, activity or effort to the Sexual Misconduct Response Coordinator for record keeping and quality assurance purposes. Toolkits including ideas and resources that support ongoing efforts and are related to the primary prevention and awareness programming, will be made available to any campus upon request.
Risk Reduction Tips

Responsibility for sexual misconduct rests with those who commit such acts. Risk reduction tips are not intended to blame the victim. There are precautions we all can take which may limit our exposure to situations which may result in non-consensual sexual acts.

- Communicate limits/ boundaries and respect the limits/boundaries of others.
- Clearly and firmly say “No” to a sexual aggressor.
- If possible, leave the physical presence of a sexual aggressor or otherwise violently aggressive person.
- If someone is nearby, ask for help.
- Take responsibility for your alcohol/drug use. Acknowledge that alcohol/drugs lower sexual inhibitions and may make you vulnerable to someone who sees an impaired person as a sexual opportunity.
- Do not take advantage of someone’s intoxication or altered state even if alcohol or drugs were consumed willingly.
- If you choose to share intimate images, pictures, videos or content with others, even those you trust, be clear about your expectations regarding how the information may be used, shared or disseminated. If such information is shared with you, do not share it with others.
- Take care of friends and ask that they take care of you.
- As a sexual initiator, clearly communicate your intentions and give your sexual partner the opportunity to clearly communicate the same.
- Do not make assumptions about consent, sexual availability, sexual attraction, how far an interaction can go or about physical and/or mental ability to consent.
- Remember that consent should be affirmative and continuous. If there is any question or ambiguity, you should proceed as if you do not have consent.
- Consider mixed messages from a partner to be an indication that sexual conduct should stop so that better communication can occur.
- Recognize the potential for a sexual partner to feel intimidated or coerced by you as a result of a power advantage, your gender, your demeanor or your physical presence. Do not use or abuse that power.

Bystander Intervention Strategies

Intervention by classmates, colleagues and others within proximity to the precursors or signs of possible sexual assault, sexual exploitation, dating violence, domestic violence or stalking can significantly impact the course of an interaction between a latent perpetrator and victim. Bystanders may also encourage friends, classmates and colleagues who are already experiencing victimization to seek assistance sooner than they may have without encouragement, support or acknowledgment. Community members are encouraged to recognize warning signs and to consider possible methods of interference in various scenarios before opportunities to intervene arise. By planning ahead, we all maximize the likelihood of being empowered to take safe actions to either prevent sexual misconduct or offer paths to eliminate ongoing victimization.

When a member of the RUSVM community observes threatening, coercive, forceful, aggressive or harassing behavior, it is important to assess the situation to determine the best possible course of action for all concerned. Some forms of intervention are direct, while others will be less apparent to the perpetrator or others within range of the interaction. Examples include but are not limited to:

- Making up an excuse to get someone out of a dangerous situation.
- Stepping in to change the course of an interaction.
- Warning potential or perceived perpetrators that their actions may lead to severe consequences.
- Refusing to leave the company of a potential victim despite efforts by an aggressor or pursuer to get the potential victim alone.
- Taking steps to reduce alcohol or drug consumption within a potentially dangerous social situation.
- Calling and cooperating with security, administration, the police or others to assist with intervention and accountability.
- Expressing concern or offering resources when you notice someone with unexplained or frequent injuries.
- Refusing to consider sex and/or gender-based misconduct a personal or private matter between the victim and the perpetrator.

PROCEDURES TO FOLLOW AFTER A SEXUAL MISCONDUCT INCIDENT

Victims of any sexual misconduct that might constitute a crime, including domestic violence, dating violence, sexual assault, stalking and rape (including acquaintance rape) that impacts the RUSVM community have the option and are encouraged to contact local law enforcement authorities. The criminal process is separate from RUSVM’s process.

Whenever possible, victims should report a violation of this Policy as soon as possible and preserve evidence as may be necessary to prove that domestic violence, dating violence, sexual assault or stalking occurred, or to obtain a protection order. Victims of sexual assault or rape are strongly encouraged to report the incident as described in this Policy to deter future assaults and to ensure that victims receive the services they need. Steps should be taken to help deal with physical and emotional trauma associated with the violation. Recommended steps include:

1. Go to a safe place; go somewhere to get emotional support.
2. Consider reporting the incident to the police. Victims are not required to report an incident to law enforcement authorities, but RUSVM will assist the victim with contacting the police, if requested.
3. Report the misconduct to the manager of student services, sr. manager of campus operations, one-up manager, campus incident commander, local RUSVM leadership, Sexual Misconduct Response Coordinator or the CRC.
4. For your safety and well-being, immediate medical attention is encouraged. Time is a critical factor for evidence collection and reservation that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining an order of protection. Being examined as soon as possible, ideally within 120 hours, is important especially in the case of rape and other forms of sexual assault. To preserve evidence, it is recommended that, if at all possible, you do not bathe, shower, douche, eat, drink, smoke, brush your teeth, urinate, defecate or change clothes before that exam. Even if you have already taken any of these actions, you are still encouraged to have prompt medical care. Additionally, you are encouraged to gather bedding, linens or unlaundered clothing and any other pertinent articles that may be used for evidence. Secure them in a clean paper bag or clean sheet. Completing a forensic examination does not require someone to file a police report. To find a location near you that performs free forensic examinations, call the National Sexual Assault Hotline at (800) 656-4673. Resources are also available through the Rape Abuse & Incest National Network (RAINN); www.RAINN.org.
5. Even after the immediate crisis has passed, consider seeking professional counseling and the support of local and specialized support agencies, such as sexual assault recovery centers and domestic violence safe houses. This can help to recover from the psychological effects and provide a safe environment for recovery.

COMMITMENT TO NON-DISCRIMINATION AND NON-HARASSMENT

RUSVM is committed to providing an education conducive to the personal and professional development of each individual and to maintaining an academic environment free of discrimination and harassment based on race, color, religion, national origin, sex, age, ancestry, disability, veteran status, sexual orientation, pregnancy or parental status, gender, or any other basis protected by federal, state or local law.

What is Harassment?

Harassment is a form of discrimination. Harassment is unwelcome, offensive behavior that is based on one of the legally protected groups listed above and which is severe or pervasive enough to create an environment that a reasonable person would consider hostile. Examples of words or conduct that may constitute harassment that would violate this Policy are:

Individuals with a discrimination or harassment inquiry or complaint may be more comfortable speaking with someone of the same gender, and the resource persons listed can assist in finding help of the preferred gender.

Students who wish to file discrimination or harassment complaints against RUSVM should follow the Student Complaint/Grievance Procedure found in this handbook.

CAMPUS SEX CRIMES PREVENTION ACT

The Campus Sex Crimes Prevention Act requires sex offenders already required to register in a State to provide notice, as required under State law, to each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. The act requires that state procedures ensure this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions of higher education are located and that it is entered into appropriate state records or data systems. These changes became effective two years after enactment of the law (2002).

This act amends the Higher Education Act of 1965 to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. This change takes effect two years after enactment (2002).

This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders; requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

To check registered sex offenders in a state see the State Sexual Offender Registry List section.

Please note that St. Kitts has no registry of proven sex offenders.

ALCOHOL AND SUBSTANCE ABUSE POLICY

Overview
RUSVM, as an institution of higher education, is committed to the continued and sustained health of its employees, its students, and to the patients entrusted to RUSVM employee and student care. As required by law, RUSVM must implement a policy to prevent the unlawful possession, use, or distribution of controlled substances on or within the RUSVM premises, its associated facilities, and during RUSVM-affiliated activities.

In addition to the personal negative effects on academic performance, judgment, cognizance, physical health, and mental and emotional stability, individuals engaged in abuse pose a significant risk to the health and safety of fellow students, faculty, and patients. Substance abuse and its influences compromise RUSVM’s commitment to excellence and education, thereby posing a threat to the mission of RUSVM.

In addition, addiction to drugs or alcohol may prevent graduates from obtaining licensure and/or practices in relevant professions.

Applicable Law
RUSVM is required to adopt, implement, and monitor a program to prevent the unlawful possession, distribution, or use of controlled substances and alcohol by University employees and students on University grounds or as part of its associative entities.

Prohibited Activities
RUSVM strictly prohibits:

• The unlawful manufacturing, distribution, dispensing, use, or possession of alcohol, illegal drugs, and controlled substances or the misuse of legal medications/drugs on the RUSVM campus or the grounds of its affiliates (i.e. clinical teaching facilities);
• Being under the influence of or misusing any substance or alcohol, while participating in activities for, or in the name of, RUSVM, in a manner which may result in impairment or endanger the physical, mental and/or emotional wellbeing of any person; and
• Any violation of the Substance and Alcohol Abuse Policy is considered a violation of school conduct policies and is subject to the penalties of the school and of presiding local, state, and federal jurisdictions.

Penalties/Sanctions
RUSVM Sanctions
The RUSVM Code of Conduct and its procedures govern all students. Violation of policies specific to alcohol and other drugs are considered violations of the Code of Conduct. Violations include the unlawful possession, use, manufacture, sale, or distribution of alcohol and other drugs.

The sale, possession, distribution, or manufacture of illicit drugs may result in disciplinary proceedings. Regardless of geographic boundaries, if a student has been convicted of a drug or alcohol related offense in a court of law, the student is subject to RUSVM discipline.

Applicable sanctions include, but are not limited to, probation, probation and referral for treatment and rehabilitation, suspension, or expulsion. RUSVM may refer any case to the proper local, state, and/or federal authorities for appropriate legal action. Individuals disciplined under the RUSVM Policy on Substance and Alcohol Abuse have the right to an appeal in accordance with applicable RUSVM grievance procedures.

External Sanctions
The sanctions imposed under the Substance and Alcohol Abuse Policy neither diminish nor replace the penalties available under generally applicable civil or criminal laws. Violations of RUSVM standards may also violate federal, state, and local laws of the United States, England, and the Federation of St. Kitts and Nevis.

Violators will be subject to all appropriate penalties within the jurisdiction of the offense. Within the Federation of St. Kitts and Nevis jurisdiction, drug trafficking, which includes producing, supplying, and use, is punishable by fines, deportation, and/or imprisonment. Copies of the relevant drug laws are available in the RUSVM library.
Prevention & Assistance
RUSVM will facilitate substance abuse prevention through general promotion of a substance-free educational environment, by informing students of current and subsequent changes to policies on alcohol and other drugs, and through advocating an atmosphere where individuals with a problem are encouraged to seek help.

There are resources on campus and in the community available for assistance. RUSVM counseling and health services are confidential and available to students without charge. Students seeking assistance for a substance abuse problem will not be subject to sanctions by RUSVM as a result of seeking such assistance.

For information or assistance with substance and/or alcohol abuse matters, call the RUSVM Counseling Center (869) 465-4161 ext. 1500, or email CounselingCenter@rossvet.edu.kn.

DRUG FREE SCHOOLS & COMMUNITIES ACT

Educational Guidelines Pertaining to Drug Free Schools & Communities Act
RUSVM expects all members of its community including students, faculty and staff, to be familiar with and to abide by applicable state, federal and local laws regarding alcohol and drugs. Students are also responsible for knowing school regulations concerning alcohol use on campus. RUSVM forbids the unauthorized use, possession, distribution or sale of drugs or alcohol by a student anywhere on RUSVM property. Violation of these laws or regulations may subject a student to both criminal prosecution and campus disciplinary action.

Use of illicit drugs and abuse of prescription drugs pose a serious threat to mental and physical health. Alcohol is a drug. Being under the influence while attending classes or performing medical procedures is strictly prohibited.

STUDENT COMPLAINT PROCESS

COMPLAINTS REGARDING THE UNIVERSITY

In most cases, students should first attempt to resolve their complaints orally or in writing with the individual(s) most directly connected to the student’s complaint. For example, a student who is dissatisfied with the availability of a professor during office hours is encouraged to discuss the scheduling issue directly with the professor before discussing the issue with the professor’s department head. RUSVM encourages students to engage in respectful and thoughtful communications to resolve their complaints with RUSVM faculty, administration or staff as a means of preparing students to resolve conflicts as a medical professional. RUSVM’s encouragement of informal complaint resolution should not be construed as an indication that RUSVM does not take informal complaints seriously.

A student pursuing informal resolution of his/her complaint is not required to submit a written complaint to initiate the process. Students are encouraged to discuss a complaint or concern with the RUSVM colleague closest to the student’s issue or to consult with the Complaint Administrator for advice on how best to resolve a complaint informally. If the RUSVM colleague is able to satisfactorily address the student’s complaint or concern, no further action will be taken beyond those needed to achieve resolution in most cases.

Complaints addressed informally may not be investigated to the same degree as formal complaints, depending on the nature of the complaint and its resolution. The student may, at any time, elect to withdraw their complaint. Students are advised, however, that certain complaints require investigation once they are brought to the attention of the Complaint Administrator. Such complaints include allegations relating to violations of the sexual misconduct and prevention policy, or allegations that, if true, suggest a threat to the safety of the RUSVM community or campus.

If a student is not comfortable discussing the matter with the individual(s) most directly involved, or has been unable to reach satisfactory resolution informally with the individual(s) most directly involved, the student may take his or her complaint to the Complaint Administrator. The Complaint Administrator will work with the student to pursue an appropriate resolution to the complaint raised.

Ross University School of Veterinary Medicine (RUSVM) is deeply committed to creating a productive learning environment free from harassment or discrimination and which provides students appropriate resources and support. In keeping with that commitment, RUSVM has developed this Complaint Procedure, which is intended to advise students on
how to raise and resolve any complaints or issues with RUSVM that are unrelated to student conduct issues, including (by way of illustration only) such diverse topics as dissatisfaction with services provided at a campus or clinical location, or discrimination or harassment in violation of RUSVM’s policies. Students are expected to adhere to this policy when raising complaints against RUSVM or any RUSVM colleague. Students who wish to file a complaint regarding a fellow student’s conduct should refer to the Conduct Code and related policies in the Student Handbook.

RUSVM advises students that RUSVM takes complaints very seriously and expects students to use good judgment in raising and attempting to resolve a complaint. Students are expected to adhere to the Honor Code and Code of Conduct at all times; raising a complaint that contains false allegations or for an improper purpose, such as to gain an unfair advantage academically, will be deemed a violation of the Honor Code and/or Code of Conduct and may subject the student to disciplinary action.

RUSVM also reminds students that, as veterinarians in training, they are expected to adhere to a set of Technical Standards, which includes problem solving and the ability to work as an effective member of a team. Accordingly, RUSVM expects that students will attempt to resolve conflicts in a mature and appropriate manner, while being respectful of, and attempting to maintain a collegial relationship with, those involved. In most circumstances, RUSVM expects students to attempt to resolve their complaints informally and through respectful discourse as outlined below. RUSVM acknowledges, however, that not all complaints are amenable to informal resolution, including but not limited to complaints involving sexual harassment, discrimination or other serious allegations of misconduct by a RUSVM colleague. Further, because no policy is one-size-fits-all, though, RUSVM reserves the right to deviate from this policy if the circumstances of a particular complaint call for additional flexibility.

**INFORMAL COMPLAINT PROCESS**

This initial process is followed to attempt to resolve the matter orally or in writing with the individual(s) most directly connected to the student’s complaint. If the student is not comfortable discussing the matter with the individuals most directly involved, the student may take his or her informal complaint to a liaison not directly involved, such as the Associate Dean for Student and Alumni Affairs for students in the foundational science semesters or Associate Dean for Clinical Affairs and Professional Opportunities for students in clinical semesters. If a complaint pertains to either of the above referenced contacts, you should contact the RUSVM Dean.

A complainant pursuing informal resolution of his/her complaint usually is not required to submit a written complaint to initiate the process. Under these informal procedures, the student may, at any time, elect to stop further action by withdrawing the complaint, subject to the confidentiality provisions noted below, and with the understanding that, depending on the nature of the allegations, RUSVM may be obligated to investigate the complaint with or without the complainant’s involvement.

Complaints addressed informally may not be investigated to the same degree as formal complaints. Mediation may be used as a method for resolving the complaint informally, but not all complaints are appropriate for mediation; for example, allegations of sexual assault typically are not appropriate for mediation.

Adopting informal procedures for addressing complaints does not mean that RUSVM does not take these complaints seriously. Informal procedures simply provide an alternative method for addressing complaints, which are in keeping with RUSVM’s Technical Standards. The complainant can also decide to file a formal complaint as described below at any time.

**FORMAL COMPLAINT PROCESS**

If the informal procedure is not appropriate or does not yield a successful resolution, the student can file a formal complaint in the following manner:

A. When to File a Formal Complaint Complaints should be filed by the student as soon as possible and, in any case, within 30 days after the end of the semester in which the concern arose. It is the student’s responsibility to raise a complaint in a timely manner such that corrective action, if appropriate, can be taken before the student suffers an adverse consequence such as a poor grade.
B. What to File as a Formal Complaint A formal complaint must be in writing and include the following:

- The complainant’s name, student ID#, address, email address, and phone number.
- A complete description of the concern/issue – including date, location, and all individuals involved, or who witnessed or otherwise have knowledge of the events and circumstances giving rise to the complaint.
- A description of what efforts have been made to resolve the issue informally.
- A statement of the resolution requested.

If a student is hesitant or unwilling to put a complaint alleging discrimination, harassment (including sexual misconduct) or other unlawful conduct in writing, he or she is encouraged to discuss his or her concerns with the Associate Dean for Student and Alumni Affairs.

C. Where to File Complaint The complaint shall be filed with the Associate Dean for Student and Alumni Affairs, if pertaining to the foundational sciences semesters, or the Associate Dean for Clinical Affairs and Professional Opportunities, if pertaining to the clinical semesters. The written complaint can be submitted electronically or in person. If a complaint pertains to either of the above referenced contacts, the complainant should contact the RUSVM Dean.

D. Notice of Receipt Upon receipt of the formal complaint, the designated point of contact, or his or her designee, will initiate an investigation. Through the course of the investigation, the designated point of contact may interview or consult with and request information regarding issues from the complaining student and any other individuals believed to have relevant information, including faculty, staff, and other students.

E. Findings and Notification Upon completion of the investigation, the designated point of contact or alternate will report the findings of the investigation and any proposed resolution to the complainant.

F. Appeal Within 10 calendar days of the issuance of the final report, the complainant may appeal to the Dean. Appeals must be submitted in writing and must state a basis for the appeal. Basis on which a student may appeal are:

- There is new evidence that was unavailable at the time of the original investigation that would affect the outcome of the original decision.
- There were procedural irregularities in the complaint process that affected the outcome.
- The proposed resolution was not reasonable based on the evidence compiled during the investigation.

The decision of the Dean on the appeal is final.

CONFIDENTIALITY POLICY FOR STUDENT COMPLAINTS
RUSVM wishes to create an environment in which individuals feel free to discuss and redress concerns and complaints. RUSVM understands that complainants, witnesses, and others involved in the investigation process may be concerned about the confidentiality of information they are sharing. In some cases, however, RUSVM may be obligated to take action when it becomes aware of information relating to a complaint. Confidentiality will be maintained to the extent possible and consistent with RUSVM’s obligations in investigating complaints.

Once an individual discloses identifying information to RUSVM through the processes described above, he/she will be considered to have filed a complaint with RUSVM. While the confidentiality of information received, the privacy of individuals involved, and compliance with the wishes of the complainant or witnesses cannot be guaranteed, they will be respected to the extent possible and appropriate.

RETALIATION POLICY REGARDING COMPLAINTS CONCERNING THE UNIVERSITY
RUSVM prohibits retaliation against anyone who reports an incident of alleged harassment, discrimination or other unlawful conduct, or any person who assists or participates in a proceeding, investigation or hearing relating to such allegations.

Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment. All complaints of retaliation should be reported in accordance with the complaint procedures outlined above. If the procedures outlined above would
result in the student being required to submit his or her complaint to the person whom he or she believes is retaliating against him or her, the student may submit the retaliation complaint to the campus or location leader, who will determine an appropriate party to address the retaliation complaint.

Submission of a good-faith complaint or report of harassment, discrimination or other unlawful conduct will not adversely affect the complainant’s future grades, learning, or academic environment. RUSM will discipline or take appropriate action against anyone who retaliates against any person who reports an incident of alleged harassment, discrimination, or other unlawful conduct, or who retaliates against any person who testifies, assists or participates in a proceeding, investigation or hearing related to such allegations.

COMPLAINTS CONCERNING STUDENT CONDUCT AND DISCIPLINARY PROCEEDINGS
CONDUCT ADMINISTRATOR AND CONDUCT PANEL
1. The Conduct Administrator shall determine the composition of conduct panels and determine which conduct panel shall be authorized to hear each case. Where a multi-person panel is used instead of hearing by a Conduct Administrator, the conduct panel shall include, at minimum, three members of the RUSVM community.
2. The Conduct Administrator shall develop procedures for administration of the Code of Conduct and for conducting hearings which are consistent with the provisions of this Code of Conduct.
3. Decisions made by a conduct panel and/or Conduct Administrator shall be final, pending the appeal process.
4. In appropriate situations, the conduct panel and/or Conduct Administrator may also provide a respondent who is subject to the hearing process with referral information for external counseling or other services available within the greater community that may help the respondent to ameliorate his/her conduct to prevent further violations of the Code of Conduct or University policy.

INVOLVEMENT OF LAW ENFORCEMENT OR EXTERNAL JUDICIAL AUTHORITIES
Complainants who believe that they are victims of crime or other violation of law (for example, assault, battery, sexual misconduct) may notify and seek assistance from the University, local law enforcement and/or other community resources concurrently. The Conduct Administrator can provide information about how to contact local law enforcement or other local community resources.

The University is committed to maintaining an environment that is safe for all members of the RUSVM community. Safety concerns, including those arising out of Code of Conduct proceedings, should be brought to the attention of the Director of Safety and Security, Campus Incident Commander or the Conduct Administrator for evaluation of any appropriate measures to be taken by the University to promote security. Complainants may also choose to seek protective, restraining, or “no-contact” orders from an external law enforcement or judicial authority; complainants who do so should notify the director of safety and security, Conduct Administrator or Campus Incident Commander so that the University can cooperate as appropriate in the observation of the order.

The University may institute Code of Conduct proceedings against a respondent charged with violation of applicable law without regard to the pendency of civil litigation or criminal arrest and prosecution. Proceedings under the Code of Conduct may be carried out prior to, simultaneously with, or following civil or criminal proceedings.

If the alleged violation of law is also the subject of Code of Conduct proceedings, the University may advise external authorities of the existence and status of the Code of Conduct proceedings. The University cooperates fully with law enforcement and other agencies in enforcing law on University property and in the conditions imposed by criminal courts for the protection of victims and the rehabilitation of violators. Individual students, staff, or faculty members, acting in their personal capacities, remain free to interact with a governmental representative or law enforcement official as they deem appropriate.

DISCIPLINARY PROCEDURES - CHARGES AND HEARINGS
1. Any member of the RUSVM community or the University itself may file a complaint against any covered person for misconduct. In instances where community safety is a concern, notice of a possible violation may result in charges being filed by the University whether or not the impacted community member wishes to proceed. Complaints shall be prepared in writing and directed to the Conduct Administrator. Complaints should be submitted as soon as possible after the event takes place.
2. Once a complaint has been filed, the Conduct Administrator will investigate to determine if the complaint has merit and/or if it can be resolved by mutual consent of the complainant and the respondent on a basis acceptable to the Conduct Administrator (such as mediation). The Conduct Administrator may also issue a conduct warning to a respondent or complainant where a complaint is resolved by mutual consent.

3. Mediation will not be used for complaints involving alleged sexual misconduct.

4. If the complaint cannot be disposed of by mutual consent, the Conduct Administrator may later hold the hearing, either individually or as a member of the conduct panel. The Conduct Administrator may also refer the complaint to the Dean, or their designee, for consideration as they have final authority to determine how the policies and procedures in this Student Handbook are interpreted and applied.

5. All charges shall be presented to the respondent in writing, in which a date and time is set for a hearing to be held within a timeframe reasonable under the circumstances. The dates of the hearing and related events are at the discretion of the Conduct Administrator, usually not less than two, nor more than 15 calendar days after the respondent has been notified of the charges. The timeframe for scheduling of hearings may be extended at the discretion of the Conduct Administrator.

6. The Conduct Administrator may choose to hold the hearing him/herself, or may require a hearing by the full conduct panel when he/she believes that such a procedure is in the best interest of the University. If either the complainant or the respondent believes that a member of the conduct panel has a conflict of interest, he or she should bring this concern to the attention of the Conduct Administrator, or if the alleged conflict is held by the Conduct Administrator to the attention of the location’s Complaint Administrator (as identified in the Student Complaint Procedure published in this Student Handbook). Conflicts of interest should, whenever possible, be identified and brought to the attention of the appropriate person prior to the date of the hearing.

7. Hearings shall be held by a conduct panel according to the following guidelines:
   a. The Conduct Administrator should serve as chairperson of the conduct panel, assuming no conflict of interest exists.
   b. Hearings shall be held in private. Admission of any person to the hearing shall be at the discretion of the Conduct Administrator/chairperson.
   c. In advance of the hearing, both the complainant and respondent will be given access to the hearing packet—the information and evidence that is being considered by the conduct panel. The hearing packet is property of RUSVM and may not be copied, photographed, or duplicated in anyway.
   d. The complainant and respondent have the right to be assisted by any advisor they choose during the hearing, at their own expense. The advisor may be an attorney. The complainant and respondent are responsible for presenting his/her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing before a conduct panel. The complainant and respondent must provide the names (relationship and title, if applicable) of those attending the hearing with them at least one business day before the hearing. Student conduct hearings are scheduled within the published guidelines set forth in the RUSVM Student Handbook. If the student decides to have an advisor present for the hearing, it is the student’s responsibility to choose an advisor that is available for the hearing. The hearing timeline will not be modified to accommodate third-party schedules.
   e. The University, the complainant, the respondent and the conduct panel shall be allowed to present witnesses, subject to the right of cross-examination by the conduct panel.
   f. Pertinent records and exhibits including video and written statements, may be accepted as evidence for consideration by a conduct panel at the discretion of the Conduct Administrator/chairperson.
   g. All procedural questions related to the complaint process and hearing are subject to the final decision of the Conduct Administrator/chairperson.
   h. After the hearing, the conduct panel shall deliberate in private and determine (by majority vote for a multi-person conduct panel) whether the respondent has violated the Code of Conduct.
   i. The conduct panel’s determination shall be made on the basis of whether it is more likely than not that the respondent violated the Code of Conduct.

8. There shall be a single record, of all hearings before a conduct panel or Conduct Administrator. The record shall be the property of the University.

9. No respondent may be found to have violated the Code of Conduct solely because the respondent failed to appear before a conduct panel. Even if the respondent does not appear, the evidence in support of the charges shall be presented and considered. Likewise, a respondent may be found to have violated the Code of Conduct even in instances where the complainant has not participated in the conduct proceedings.
10. The Complaint Administrator shall notify the respondent of the outcome in writing, and in appropriate cases, shall also notify the complainant. In cases of sexual misconduct allegations, the complainant and respondent will be informed simultaneously. Where safety concerns exist, the complainant may be given appropriate notice prior to formal notification.

SANCTIONS

1. The sanctions listed below may be imposed upon any covered person found to have violated the Code of Conduct. The listing of the sanctions should not be construed to imply that covered persons are entitled to progressive discipline. The sanctions may be used in any order and/or combination that the University deems appropriate for the conduct in question.

   a. Warning – A verbal or written notice that the respondent has not met the University’s conduct expectations.

   b. Probation – A written reprimand with stated conditions in effect for a designated period of time, including the probability of more severe disciplinary sanctions if the respondent does not comply with University policies or otherwise does not meet the University’s conduct expectations during the probationary period.

   c. Restitution – Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.

   d. Housing Suspension – Separation of the respondent from his/her University-controlled housing for a defined period of time. Conditions for returning to housing may be specified.

   e. Housing Expulsion – Permanent separation of the respondent from University-controlled housing.

   f. RUSVM Suspension – Separation of the respondent from the University for a defined period of time, after which the respondent may be eligible to return. Conditions for readmission may be specified.

   g. RUSVM Expulsion – Permanent separation of the respondent from all University locations.

   h. Suspension of Services – Ineligibility to receive specified services or all RUSVM services for a specified period of time, after which the respondent may regain eligibility. Conditions to regain access to services may be specified.

   i. Ineligibility for Services – Permanent ineligibility to receive specified or all RUSVM services.

   j. Limiting Order – Restriction on a respondent’s permission to utilize university property or services. The parameters of the restriction will be defined by the University (e.g., for use with allegations of sexual or other misconduct).

   k. Educational Sanctions – Assignments, programs, or other activities intended to educate students on the effects of their behavior and invoke change in future decision-making.

   l. Restrictions - Restriction from representing the University in any official function or leadership position (e.g., student leadership position, any member of student government, RUSVM Ambassadors, Orientation Leaders, etc.).

   m. No Contact Directives - Restriction of communication with, or proximity to, other specified members of the University community.

2. More than one sanction listed above may be imposed for any single violation. In each case in which a Conduct Administrator or a conduct panel determines that a respondent has violated the Code of Conduct, sanction(s) shall be determined and imposed by the Conduct Administrator. In cases in which a multi-person panel is used, the recommendation of all members of the conduct panel shall be considered by the Conduct Administrator. Following the hearing, the Conduct Administrator shall advise the respondent in writing of the determination, the sanction(s) imposed, if any, and appeal procedures. In appropriate cases (e.g., allegations involving certain types of sexual misconduct), the Conduct Administrator will also simultaneously provide the complainant with written notice of the outcome and appeal procedures.

3. Suspensions and Expulsions are listed on a student’s transcript. Disciplinary Probations are recorded in a student’s conduct file.

INTERIM SUSPENSION

In certain circumstances, the University may impose an RUSVM and/or housing interim suspension prior to the hearing before a conduct panel.

   1. Interim suspension may be imposed:
a. To ensure the safety and well-being of members of the RUSVM community or preservation of University property; or

b. If the University deems that the respondent poses a threat of disruption of or interference with the normal operation of the University.

2. During the interim suspension, the respondent may be denied access to RUSVM premises (including online and onsite classes) and/or all other University activities or privileges for which the respondent might otherwise be eligible, as the University may determine to be appropriate. In appropriate cases, the University may notify the complainant of a respondent’s interim suspension status.

APPEALS

1. A decision of a violation of the Code of Conduct and the sanctions reached by the conduct panel or imposed by the Conduct Administrator may be appealed by the respondent or complainant to the person identified in the final outcome letter within seven calendar days of the date of the appealing party’s receipt of the final outcome letter. Such appeals shall be in writing. Receipt of the final outcome letter is presumed to be the date it was hand delivered or the date of electronic transmission (for email). The results of the appeal shall be final.

2. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the official record of the initial hearing and documents considered by the Conduct Administrator or conduct panel for one or more of the following purposes:

a. To determine whether the original hearing was administered fairly in light of the charges and evidence presented and in substantial conformity with prescribed procedures, giving the complainant a reasonable opportunity to prepare and present evidence that the Code of Conduct was violated, and giving the respondent a reasonable opportunity to prepare and present a rebuttal of those allegations;

b. To determine whether the decision reached regarding the respondent was based on reasonable evidence; that is, without substituting its judgment for that of conduct panel or the Conduct Administrator, the appellate decision-maker shall consider whether the facts in the case were reasonably sufficient to establish that a violation of the Code of Conduct occurred;

c. To determine whether the sanction(s) imposed were reasonably appropriate for the violation of the Code of Conduct the respondent was found to have committed. (Refer to Article IV (5) (i) for standard of proof); or

d. To consider new evidence sufficient to alter the decision or sanction which was not brought out in the original hearing because such evidence was not known or available to the person appealing at the time of the original hearing.

The person ruling on the appeal shall notify in writing the complainant and respondent of the outcome of the appeal. If the person considering the appeal rules favorably on the appeal, the matter shall be remanded to the conduct panel (either the original panel or a new panel, as determined to be appropriate by the person considering the appeal) and Conduct Administrator for action to be taken in response to the appeal findings.

If the ruling on the appeal is negative, then the decision of the original conduct panel is upheld and finalized.

CONFIDENTIALITY AND PROHIBITION ON RETALIATION

Confidentiality

RUSVM wishes to foster an environment in which individuals feel free to raise and discuss concerns. RUSVM understands that complainants, respondents, witnesses, and others involved in the investigation process and conduct proceedings may be concerned about the confidentiality of information they are sharing.

In some cases, RUSVM may be obligated to take action when it becomes aware of information relating to a complaint. Confidentiality will be maintained to the extent possible and consistent with RUSVM’s obligations in investigating complaints and addressing conduct appropriately. While the confidentiality of information received, the privacy of individuals involved, and compliance with the wishes of the complainant or witnesses cannot be guaranteed, they will be respected to the extent possible and appropriate. In particular, when possible and consistent with applicable law, personally identifying information about victims of sexual misconduct will be kept confidential as it appears in the University’s publicly available record-keeping.
Retaliation
RUSVM prohibits retaliation against anyone who reports an incident of misconduct, or any person who assists or participates in a proceeding, investigation or hearing relating to such allegations. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment. All complaints of retaliation should be reported in accordance with the student complaint procedure available in the Student Handbook. If following the student complaint procedure would result in the student being required to submit his/her complaint to the person whom he/she believes is retaliating against him or her, the student may submit the retaliation complaint to the location leader, who will determine an appropriate party to address the retaliation complaint.

Submission of a good-faith complaint or report of harassment, discrimination or other unlawful conduct will not adversely affect the complainant’s future grades, learning, or academic environment. RUSVM will discipline or take appropriate action against anyone who retaliates against any person who reports an incident of alleged harassment, discrimination, or other unlawful conduct, or who retaliates against any person who testifies, assists or participates in a conduct proceeding, investigation or hearing related to such allegations.

**TITLE IX POLICY**

Ross University School of Veterinary Medicine (“RUSVM”) is committed to providing a work and educational environment free of unlawful harassment, discrimination and retaliation. In accordance with Title IX of the Education Amendments of 1972, RUSVM does not discriminate on the basis of sex in its education Program or Activity, which extends to admission and employment. RUSVM also prohibits Sexual Harassment (as defined below) committed against persons in the United States as part of its education Program or Activity.

If you believe that you have experienced or witnessed sexual misconduct or discrimination as part of RUSVM's education Program or Activity outside the United States, please follow the procedures outlined in the Sex and Gender-Based Sexual Misconduct Response and Prevention Policy.

RUSVM reserves the right to make changes to this policy as necessary, and once those changes are posted online, they are in effect. If government laws, regulations or court decisions change requirements in a way that affects this policy, the policy will be construed to comply with the most recent government regulations or holdings.

**TITLE IX COORDINATOR**

The Title IX Coordinator coordinates the University’s efforts to comply with its Title IX responsibilities.

**Title IX Coordinator:** Dwight Hamilton  
Director, Office of Equity and Access

KEY DEFINITIONS

“Affirmative consent” is the affirmative, knowing, conscious, voluntary and mutual agreement to engage in sexual activity. Consent can only exist free from intimidation, force, threat of force or coercion. Under this Policy, “No” always means “No” and “Yes” may not always mean “Yes.” Anything but voluntary, conscious, affirmative consent to any sexual activity is equivalent to “no” for purposes of this Policy. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. While the legal definition of consent is found in RUSVM’s Annual Safety Report, the following general rules apply when assessing whether consent has been/was given.

- Consent can never be assumed.
- The lack of protest or resistance does not constitute consent, nor does silence.
- Where there is use of threat, force or restraint by the Respondent, the lack of verbal or physical resistance or the submission by the Complainant does not constitute consent.
- The manner of dress of the Complainant does not constitute consent.
- The existence of a dating relationship between the persons involved or the fact of past sexual relations between them should never, by itself, be assumed to be an indicator of consent.
- Consent to sexual activity with one person does not constitute consent to sexual activity with another person.
- A person who initially consents to sexual contact, including penetration, may withdraw continued consent at any time during the course of that interaction. When consent is withdrawn or can no longer be given, engagement in sexual activity must stop.
- Consent to some form of sexual activity cannot automatically be taken as consent to any other form of sexual activity.
- A person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to circumstances, including without limitation the following: the person is incapacitated due to use or influence of alcohol or drugs; the person is asleep or unconscious; the person is under age, or the person is incapacitated due to a mental disability.
- Consent is required regardless of whether the person initiating sexual activity is under the influence of drugs and/or alcohol.
- A power differential between people engaged in a sexual act presumes the inability to consent for the less powerful person (e.g., the student in a student-colleague interaction; the supervisee in a direct report-supervisor interaction).
- It is not a valid excuse to alleged lack of affirmative consent that the Respondent believed the Complainant consented to sexual activity if the:
  o Respondent’s belief arose from the Respondent’s own intoxication or recklessness
  o Respondent did not take reasonable steps to ascertain whether the Complainant affirmatively consented
  o Respondent knew or a reasonable person should have known that the Complainant was unable to consent because the Complainant was asleep, unconscious, incapacitated due to the influence of drugs, alcohol or medication, or was unable to communicate due to a mental or physical condition.

“Colleague” an employee of Ross University School of Veterinary Medicine.

“Colleague Code of Conduct” refers to the “Adtalem Code of Conduct and Ethics” (https://www.adtalem.com/sites/g/files/krcnkv321/files/migrations/media/Code%20of%20Conduct_English%20and%20Portuguese.pdf), which is applicable to colleagues at all Adtalem Global Education institutions and offices and outlines colleagues’ rights and responsibilities.

“Colleague complaint procedure” is the vehicle by which colleagues can bring to the administration’s attention any complaint relating to their experience with RUSVM or a member of the RUSVM community. It is the mechanism for investigating and trying to resolve complaints raised by colleagues and can be found in the Commons (apps.adtalem.com > Commons- HR Portal > Policy Central).
“CRC” refers to the Coaching Resource Center, which is available to managers to assist in addressing colleague relations concerns, including complaints about colleague or vendor conduct.

“Member of the RUSVM community” includes students, faculty members or staff and any other individuals associated with RUSVM. The conduct administrator or complaint administrator shall determine a person’s status in a particular situation.

“Notice” refers to any information regardless of whether it is direct, indirect, partial or complete received by a colleague that indicates possible sex or gender-based misconduct. When notice is received, colleagues are required to inform the Title IX Coordinator or their supervisor who, in turn, must make a report to the Title IX Coordinator.

“One-up manager” is a colleague’s manager’s manager. It is the person responsible for receiving a colleague’s complaint when his/her direct manager is implicated in that complaint.

Sexual Harassment: Conduct on the basis of sex that satisfies one or more of the following:

1. An employee of RUSVM conditioning educational benefits or participation on an individual’s participation in unwelcome sexual conduct (i.e. quid pro quo);

2. Unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to RUSVM’s education Program or Activity; or

3. Sexual Assault (as defined in the Clery Act), or Dating Violence, Domestic Violence or Stalking as defined in the Violence Against Women Act (VAWA)*:

   - Sexual Assault: As defined in 20 U.S.C. 1092(f)(6)(A)(v), means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

   - Dating Violence: As defined in 34 U.S.C. 12291(a)(10), means violence committed by a person (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship; and, the frequency of interaction between the persons involved in the relationship.

   - Domestic Violence: As defined in 34 U.S.C. 12291(a)(8), includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

   - Stalking: As defined in 34 U.S.C. 12291(a)(30), means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

* Please note: In accordance with the Violence Against Women Reauthorization Act of 2013 (“VAWA”), state definitions for Sexual Assault, Dating Violence, Domestic Violence, Stalking and Consent are contained in the University’s Annual Safety and Security Report (“ASR”). VAWA crimes are reported in the ASR based on the definitions above.

2 The FBI’s Uniform Crime Reporting Program (FBI UCR) includes forcible and non forcible sex offenses such as rape, fondling, and statutory rape, which contain elements of “without the consent of the victim.”
Complainant: An individual who is alleged to be the victim of conduct that could constitute Sexual Harassment, regardless of whether a Formal Complaint has been filed. A Complainant must be the alleged victim unless a parent or legal guardian has a legal right to act on the alleged victim’s behalf.

Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Formal Complaint: A document (hardcopy or electronic) filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that RUSVM investigate. A Formal Complaint must be signed (physical or digital) by the Complainant, the Title IX Coordinator, or otherwise indicate that the Complainant is the person filing the Formal Complaint. At the time of filing a Formal Complaint, the Complainant must be participating in or attempting to participate in RUSVM’s education Program or Activity with which the Formal Complaint is filed.

Program or Activity: On or off campus locations, events, or circumstances over which RUSVM substantial control over both the Respondent and the context in which the Sexual Harassment occurred.

Mandatory Reporter: Designated College employees who must report all instances of Sexual Harassment to the Title IX Coordinator.

Discretionary Reporter: Designated College employees who may, with the Complainant’s consent, report instances of Sexual Harassment to the Title IX Coordinator.

Clery Geography: As defined in the Clery Act, includes (A) buildings and property that are part of the University’s campus; (B) the University’s noncampus buildings and property; and (C) public property within or immediately adjacent to and accessible from the campus. A map of the University’s Clery Geography is contained in RUSVM’s ASR.

Colleague: College employee, including faculty and staff.

PROCEDURE FOR REPORTING SEXUAL HARASSMENT

If you believe that you have experienced or witnessed Sexual Harassment, RUSVM encourages you to notify the Title IX Coordinator as soon as possible after the incident. A report may be made to either or both the police and the Title IX Coordinator. The criminal process is separate from RUSVM’s Title IX grievance process. Complainants have the option to notify law enforcement directly or be assisted in doing so. If requested, RUSVM will assist a victim of Sexual Violence in contacting the police. A Complainant is not required to contact the police in order to pursue RUSVM’s grievance process.

CONFIDENTIALITY

In order to make informed choices, it is important to be aware of confidentially and reporting requirements when consulting College resources. Colleagues who are made aware of a possible violation of this policy are required to contact their manager or one-up manager and also the Title IX Coordinator. All College Colleagues are designated mandatory reporters will notify the Title IX Coordinator of any complaints received.

The Adtalem Speak Up Program (“Speak Up”) is a reporting system managed by a third-party vendor (Convercent), which encourages members of the RUSVM community to come forward with questions or concerns, including allegations of sex and/or gender-based misconduct. Reports can be made anonymously, or reporters can provide their name and contact information. Colleagues are expected to ask legal, compliance and ethics questions and report suspected wrongdoing. Colleagues and students can utilize the Speak Up program by contacting the third-party contractor Convercent by phone at 1.800.461.9330 (in the U.S.) or +1.720.514.4400 (in St. Kitts), or online at www.speakupadtalem.com.
RUSVM will keep confidential the identity of the Complainant, Respondent, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out the Title IX grievance process.

There is no time limitation on providing notice/complaints to the Title IX Coordinator. However, if the Respondent is no longer subject to RUSVM’s jurisdiction and/or significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible. Acting on notice/complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator, who may document allegations for future reference, offer Supportive Measures and/or Remedies, and/or engage in informal or formal action, as appropriate.

Prevention and Awareness

Acts that are deemed to fall within the scope of this Policy are violations of the Codes of Conduct as well as the expectations of members of the RUSVM community. These acts may also be crimes. To increase the likelihood of intervention and reduce the risk of sex and/or gender-based misconduct from occurring among its students and colleagues, RUSVM is committed to providing primary and ongoing awareness and prevention programming.

Primary and ongoing awareness and prevention programs will cover the continuum of issues contemplated by this Policy. Themes will include situational awareness and prevention strategies, such as bystander intervention and other forms of risk reduction. While bystander intervention specifically refers to the safe and effective ways in which third parties can intervene to thwart sex and/or gender-based misconduct, risk reduction also encompasses various strategies to eliminate or reduce risk of harm by avoiding or removing oneself from situations that are dangerous or uncomfortable. Awareness programs are events that occur online or in person that invite active engagement of community members. It is the expectation and responsibility of each member of the RUSVM community to participate in programming which will assist with ongoing prevention efforts as well as effective and efficient identification and response when sex and/or gender-based misconduct does occur.

Primary prevention and awareness programming will include a comprehensive online education platform intended for viewing by all colleagues and students as well as student-facing vendors if necessary and appropriate. The program will be completed by:

- New students and transfer students within three weeks of the start of the student’s first session
- Returning and continuing students who did not take the training as a new or transfer student within three weeks of the start of the session the student is scheduled to resume or continue studies
- Colleagues by the date stated in email notification
- Specific vendors by the date stated in email notification

Access to the primary prevention program and its contents will be ongoing throughout the participant’s relationship with RUSVM. Members of the RUSVM community are encouraged to visit this resource regularly for personal, professional and academic purposes.

Ongoing prevention and awareness campaigns are public service announcements and campaigns as well as messages and activities integrated into the day-to-day fabric of the academic community. These initiatives are intended to reinforce increased awareness regarding sex and/or gender-based misconduct and prevention strategies throughout the year. RUSVM will continually seek formal and informal ways to incorporate additional awareness and prevention strategies, e.g., active and passive educational campaigns, such as social norms poster campaigns, newsletter articles, presentations...
and volunteerism with local community resource agencies. When additional ongoing education is provided, the organizer will report that event, activity or effort to the Title IX Coordinator for record keeping and quality assurance purposes. Toolkits including ideas and resources that support ongoing efforts and are related to the primary prevention and awareness programming, will be made available to any campus upon request.

Additional training will be delivered to colleagues responsible for responding to reports of sex and/or gender-based misconduct, including but not limited to complaint administrators, conduct administrators, conduct panelists and appeal reviewers. These colleagues should complete the primary prevention and awareness programming described above as well as remote or live training and/or consultation with the Title IX Coordinator before and during management of an allegation within the scope of this Policy.

Complainant Rights

Complainant rights include:

1. The right to notify or not notify law enforcement and to request and receive assistance from RUSVM in making a report if desired.

2. The right to summary information on all available response options, such as complaint resolution procedures, including the necessary steps and potential consequences of each option whether or not a formal report is made to the institution.

3. The right to be free from undue coercion from RUSVM to pursue or not pursue any course of action.

4. The right to be informed of the institution’s role regarding orders of protection, no contact orders, restraining orders or similar lawful orders issued by a civil, criminal or tribal court (when applicable). RUSVM abides by orders of protection (including no-contact orders and restraining orders), which are generally issued by a municipal court to protect a person or entity in a situation involving sexual assault. RUSVM may also liaise with local authorities to assist an individual who wishes to obtain protective or restraining orders.

5. The right to request and receive information on how to make a confidential report for the purposes of tracking campus crime without otherwise divulging details that would require or permit RUSVM to investigate and respond (when the incident has not yet been reported to a colleague required to notify the Title IX Coordinator and/or Sexual Misconduct Response Coordinator).

6. The right to contact information for the Title IX Coordinator and/or Sexual Misconduct Response Coordinator, available confidential advisors, community-based resources (sexual assault crisis centers or other appropriate support services), campus security and/or local law enforcement.

7. The right to be fully informed of any applicable disciplinary conduct process and procedures.

8. The same rights as the Respondent to attend and have a support person of their choice and/or witnesses present at student conduct hearings and any meetings leading up to such a hearing.

9. The right to be informed of the outcome of any student or colleague conduct process involving alleged sex or gender-based misconduct regardless of participation in the process leading to that outcome. In the case of student conduct proceedings, both parties have the right to appeal the outcome.

10. The right to request Supportive Measures.

11. The right to obtain and have enforced a campus-issued limiting instruction or no contact order or a court issued order of protection or no contact order.
12. The right to be informed about RUSVM’s ability to provide assistance, upon request, in accessing and navigating campus and/or community resources for health, mental health, advocacy, and/or other services for survivors of sexual assault, relationship violence and other forms of sexual misconduct.

13. The right to be free from any suggestion that they are at fault or should have acted in a different manner to avoid reported sex or gender-based misconduct.

14. The right to not be required to describe the incident to more representatives than absolutely necessary for proper investigation and response and under no circumstances will a complainant be required to repeat details of the incident to secure appropriate accommodations.

15. The right to make an impact statement during the point in any conduct review process where the decision maker is prepared to deliberate on appropriate sanctions.

For more specific instructions on how to properly comply with this Policy, consult the Title IX Coordinator.

Amnesty for Complainants and Witnesses

RUSVM will investigate allegations of sex and gender-based misconduct, including when drugs or alcohol may have been involved. RUSVM encourages the reporting of sex and gender-based misconduct by complainants and witnesses who are sometimes hesitant to report to RUSVM officials or participate in the resolution processes because of concern that they may be accused of policy violations, such as underage drinking or drug use at the time of the incident. It is in the best interest of the community that complaints and witnesses come forward to share what they know regarding violations of this Policy. To encourage reporting, RUSVM grants complainants and witnesses amnesty, when appropriate, for potential RUSVM policy violations and provides all parties and witnesses other interim measures as appropriate or needed.

Similarly, encourages direct assistance to those in need as a result of sex or gender-based misconduct. In instances where minor policy violations are revealed as a result of a person providing assistance to a complainant, policy violations should not be overlooked; however, RUSVM may provide educational options, rather than punitive sanctions, to those who offer their assistance.

SUPPORTIVE MEASURES

The Title IX Coordinator will provide Supportive Measures as necessary. Supportive Measures are individualized services reasonably available to ensure equal educational access, protect safety or deter Sexual Harassment. Supportive Measures are available, as appropriate, to either or both the Complainant and Respondent and are non-punitive, non-disciplinary and not unreasonably burdensome to the other party. Examples include counseling, extensions of time or other course-related adjustments, modifications to work or class schedules, campus escort services, restrictions on contact between the parties, leave of absence, increased security and monitoring of certain areas on campus, and other similar accommodation.

Supportive Measures are individualized and appropriate based on the information gathered by the Title IX Coordinator. The Supportive Measures needed by the Complainant and/or Respondent may change over time, and the Title IX Coordinator will communicate with each party to ensure that any Supportive Measures are necessary and effective based on evolving needs.

Once the Title IX Coordinator receives a report of Sexual Harassment, the Title IX Coordinator will promptly contact the Complainant confidentially to discuss the availability of Supportive Measures (available with or without filing a Formal Complaint) and explain the process for filing a Formal Complaint and provide a copy of this policy. The Title IX Coordinator will consider the Complainant’s wishes with respect to Supportive Measures.

RUSVM will maintain the privacy of the Supportive Measures, provided that privacy does not impair RUSVM’s ability to provide the Supportive Measures.
EMERGENCY REMOVAL

RUSVM can remove a Respondent entirely or partially from an education Program or Activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical or safety of any student or other individual justifies removal. The risk analysis is performed by the Title IX Coordinator in conjunction with Director, Enterprise Safety and Security.

In cases in which an emergency removal is imposed, the Respondent will be given notice of the action and the option to request to meet with the Title IX Coordinator prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified. This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested in a timely manner, objections to the emergency removal will be deemed waived.

The Title IX Coordinator has sole discretion under this policy to implement or stay an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this policy will be grounds for discipline, which may include expulsion or termination.

RUSVM will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator, these actions could include, but are not limited to: temporarily re-assigning a Colleague, restricting a student’s or Colleague’s access to the campus, allowing a student to withdraw or take grades of incomplete without financial penalty, and authorizing an administrative leave.

COMPLAINT DISMISSAL

Dismissal of a Formal Complaint may occur under several circumstances. RUSVM must dismiss a Formal Complaint if the allegations do not meet the definition of Sexual Harassment, did not occur in RUSVM’s education Program or Activity, or did not occur against a person in the United States.

RUSVM may dismiss a Formal Complaint if the Complainant informs the Title IX Coordinator, in writing, that he, she, or they withdraw the Formal Complaint or allegations therein; the Respondent is no longer enrolled or employed by RUSVM; or if specific circumstances prevent RUSVM from gathering sufficient evidence to reach a determination.

If a Formal Complaint is dismissed, the parties will be provided written notice of the dismissal outlining the reason(s) for dismissal. A dismissal does not preclude action by RUSVM under its Sex and Gender-Based Sexual Misconduct Response and Prevention Policy.

TITLE IX GRIEVANCE PROCESS

RUSVM utilizes a prompt, equitable and impartial grievance process to evaluate Formal Complaints. Title IX personnel (Title IX Coordinators, Investigators, Decision-Makers, individuals who facilitate informal resolution process) will be free from conflicts of interest or bias for or against Complainants or Respondents. Title IX personnel will objectively evaluate all relevant evidence and avoid credibility determinations based on a person’s status as a Complainant, Respondent or witness.

Both parties will receive equal opportunity to provide information, witness statements, evidence, and other information that may be necessary to fully evaluate the alleged offense. Both parties will be afforded equitable rights and access during the grievance process. The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Generally, the grievance process consists of a Formal Complaint, investigation, live hearing, determination, disciplinary measures, remedies and appeal (if applicable). The grievance process, barring extenuating circumstance, will conclude within 90 calendar days from the date a Formal Complaint is filed.
Advisor

The parties may be accompanied by an advisor of their choice and at their own expense. If the Complainant or Respondent does not have an advisor present at the live hearing, RUSVM will select and provide an advisor, without fee or charge, to conduct cross-examination of witnesses on behalf of that party. The Complainant and Respondent may not conduct cross-examination.

Choosing an advisor who is a witness in the Grievance Process creates potential for bias and conflict of interest. A party who chooses an advisor who is also a witness can anticipate that issues of potential bias will be explored by the Decision-Maker.

The Complainant and Respondent are expected to ask and respond to questions on their own behalf throughout the investigation phase of the grievance process. Advisors are expected to advise without disrupting proceedings. For example, advisors should not address College officials in a meeting or interview unless invited to. An advisor may not make a presentation during any meeting or proceeding and may not speak on behalf of the party to the investigation or other Decision-Maker except during a live hearing, during cross-examination. If an advisor is disruptive or otherwise fails to respect the limits of the advisor role, the meeting or interview may be ended by the Decision Maker.

Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with third Parties, disclosed publicly, or used for purposes not explicitly authorized by RUSVM. The Decision Maker may seek to restrict the role of any advisor who does not respect the sensitive nature of the process or who fails to abide by RUSVM’s privacy expectations.

Investigation of Complaints

RUSVM will investigate Sexual Harassment allegations in a Formal Complaint filed by a Complainant or signed by the Title IX Coordinator. The Title IX Coordinator will respect the Complainant’s wishes as to whether RUSVM investigates an allegation of Sexual Harassment, unless the Title IX Coordinator determines that not investigating would be deliberately indifferent or harmful to the RUSVM community. A Complainant is not required to participate in an investigation and grievance process for Formal Complaints signed by the Title IX Coordinator. However, the ability to investigate, respond, and provide Remedies may be limited or impossible without participation of the Parties. RUSVM may consolidate Formal Complaints where the allegations arise out of the same facts.

Upon receipt of a Formal Complaint, written notice will be sent to the parties. The Notice of Investigation will include: details of the allegations (including identities of the parties involved, specific section of the policy alleged to have been violated, the conduct that would be considered Sexual Harassment, the date of the incident(s) and the location of the incident(s)); a statement that the Respondent is presumed to be not responsible for the alleged conduct until a determination is made according to RUSVM’s grievance process; a statement that the parties may have an advisor of their choice; and a reminder of the expectation of truthfulness including consequences for submitting false information. The parties will also be provided with separate written notice of any investigative interview, meeting or hearing. Interview/meeting notices will include the date, time, location, participants and purpose of the investigative interview or meeting.

Formal Complaints involving Colleagues may also be referred to Human Resources and simultaneously evaluated under Colleague conduct policies and procedures.

During the investigation, the Office of Equity and Access will select an Investigator to conduct interviews and gather evidence. The parties will be provided an equal opportunity to present fact and expert witnesses or other evidence. The parties (and their advisors) will be provided with evidence directly related to the allegations, in electronic format or hardcopy, with at least 10 days for the parties to inspect, review, and respond to the evidence. The Investigator will consider the responses received from the parties before issuing the investigative report.

Once the investigation has concluded, the Investigator will draft an investigative report (hardcopy or electronic) that fairly summarizes relevant evidence. The investigative report will be sent to the parties (and their advisors) at least 10 days prior to a live hearing. The parties may provide a written response to the investigative report.
Informal Resolution

If the Title IX Coordinator deems appropriate and both parties voluntarily consent in writing, Formal Complaints can be resolved through informal resolution, such as mediation. The Title IX Coordinator will facilitate an appropriate informal resolution process depending on the nature of the allegations, the parties involved, and the overall circumstances. Informal resolution will be conducted by a facilitator, who will be designated by the Title IX Coordinator. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process. Informal resolution is unavailable to resolve allegations that a Colleague sexually harassed a student.

Live Hearing

If a Formal Complaint is not or cannot be resolved through informal resolution, RUSVM will conduct a live hearing. Live hearings are facilitated by designated Decision-Maker, separate from the Title IX Coordinator or Investigator. The Decision Maker will be selected by the Title IX Coordinator. The Decision-Maker consists of a panel of no fewer than three (3) members, designated from the hearing panel.

Cross-examination during the live hearing will be conducted directly, orally, and in real time by the party’s advisor and not by a party personally. The Decision-Maker will permit each party’s advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Only relevant cross-examination and other questions may be asked of a party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the Decision-Maker must first determine whether the question is relevant and explain to the party’s advisor asking cross-examination questions any decision to exclude a question as not relevant.

Rape shield protections are applied to Complainants, deeming irrelevant questions and evidence about a Complainant’s prior sexual behavior unless offered to prove that someone other than the Respondent committed the alleged Sexual Harassment or offered to prove consent.

If a party or witness does not submit to cross-examination at the live hearing, the Decision-Maker will not rely on any statement of that party or witness in reaching a determination regarding responsibility. This prohibition will also apply to third-party documents to the extent that statements from the party that does not submit to cross-examination. The Decision-Maker will not draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.

At the request of either party, RUSVM will provide for the entire live hearing (including cross-examination) to occur with the parties located in separate rooms with technology enabling the parties to see and hear each other. Live hearings may be conducted with all parties physically present in the same geographic location or, at RUSVM’s discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually. An audio or audiovisual recording, or transcript, of any live hearing will be created and maintained for seven (7) years. Individuals participating in the live hearing cannot be disruptive and must follow the policies and procedures set by RUSVM. The Decision-Maker has the ability to enforce decorum.

Evidence Limitations

RUSVM will not use, rely on or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege. RUSVM will not access or use a party’s medical, psychological, and similar treatment records unless the party provides voluntary, written consent.

Standard of Evidence

For all Formal Complaints of Sexual Harassment (including where Colleagues are Respondents), RUSVM utilizes the preponderance of the evidence standard; whether it is more likely than not that the Respondent violated the policy as alleged.
Disciplinary Actions

Disciplinary actions against the Respondent will not be imposed before completion of RUSVM’s grievance process. Following a determination of responsibility, appropriate corrective action will be taken, and RUSVM will take steps to prevent recurrence. Disciplinary actions taken will be determined on a case-by-case basis. Any Colleague determined by RUSVM to be responsible for an act of Sexual Harassment will be subject to appropriate disciplinary action, up to and including termination. Colleagues are also subject to processes and discipline determined by the Human Resources Department. The HR process is separate and apart from the Title IX process and not constrained by the outcome of the Title IX process. Remedies for student-related claims may include, but are not limited to, additional training, a restriction on contact, suspension, or termination.

Failure to abide by imposed disciplinary actions (whether by refusal, neglect or any other reason), may result in additional disciplinary action, including suspension or termination.

Individuals who make a materially false statement in bad faith in the course of a Title IX grievance process will be subject to RUSVM’s Code of Conduct policies.

Remedies

Remedies are provided to a Complainant whenever a Respondent is found responsible and may be disciplinary and punitive. Student remedies are designed to maintain the Complainant’s equal access to education. Remedies will be determined on a case-by-case basis and reasonable under the circumstances. Remedies may include supportive measures.

Written Determination

The Decision-Maker will issue a written determination regarding responsibility with findings of fact, conclusions about whether the alleged conduct occurred, rationale for the result as to each allegation, a description of the procedure from Formal Complaint through the live hearing, disciplinary sanctions imposed on the Respondent and whether remedies will be provided to the Complainant. The determination will be sent simultaneously to the parties along with information on how to file an appeal.

Appeal

Both parties have the right to appeal a determination regarding responsibility, RUSVM’s dismissal of a Formal Complaint or any allegations therein if: (1) procedural irregularity affected the outcome of the matter; (2) there is newly discovered evidence that could affect the outcome of the matter; (3) Title IX personnel had a conflict of interest or bias, that affected the outcome of the matter; and/or (4) the proposed Remedy was not reasonable based on the evidence compiled during the investigation.

An appeal must be submitted in writing to the Title IX Coordinator within ten days of the delivery of the Written Determination.

RETAIATION PROHIBITED

Retaliation (including intimidation, threats, coercion or discrimination) against an individual for raising an allegation of Sexual Harassment, for cooperating in the grievance process is prohibited.

If you believe you have been retaliated against, you should follow the procedures outlined in RUSVM’s Retaliation Policy located in the Student Handbook and Employee Handbook.

TRAINING

RUSVM ensures that its Title IX personnel have adequate training. The Title IX Coordinator and Investigators are trained on the definition of Sexual Harassment, the scope of RUSVM’s education Program or Activity, how to conduct an investigation, RUSVM’s grievance process (including hearings, appeals, and informal resolution processes, as applicable) and how to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Decision-Makers
are trained on the definition of Sexual Harassment, the live hearing process, technology to be used in live hearings, and issues of relevance (including how to apply the rape shield protections provided for Complainants). Informal resolution facilitators are trained on the informal resolution process.

Materials used to train Title IX personnel are posted on RUSVM’s website and may also be requested directly from the Title IX Coordinator.

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (“Clery Act”) and the Violence Against Women Reauthorization Act of 2013 (“VAWA”), RUSVM will provide primary prevention and awareness programs to prevent Sexual Assault, Dating Violence, Domestic Violence and Stalking to incoming students and new Colleagues during their first semester.

BIAS/CONFLICT OF INTEREST

To raise any concern involving bias or conflict of interest by the Title IX Coordinator, contact the Jeff Fazio, Sexual Misconduct Response Coordinator, by phone at 869.465.4161 x 401-1159 or by email at JeFazio@rossvet.edu. Concerns of bias or potential conflict of interest by any other Title IX personnel should be raised with the Title IX Coordinator.

REPORTING REQUIREMENTS

College administrators will issue timely warnings for incidents reported that pose a substantial threat of bodily harm or danger to other members of the campus community. RUSVM will make every effort to ensure that a victim’s name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. RUSVM reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

Personally identifiable information for victims of Sexual Assault, Dating Violence, Domestic Violence and Stalking will not be included in any publicly available recordkeeping, including Clery Act Reporting and disclosures such as the ASR.

ADDITIONAL INFORMATION

Students and Colleagues may contact the Title IX Coordinator with any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights (“OCR”) investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. For more information, visit the OCR website at http://www.ed.gov/ocr/. To the extent that a Colleague or contract worker is not satisfied with RUSVM’s handling of a complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

Risk Reduction Tips

Responsibility for sexual misconduct rests with those who commit such acts. Risk reduction tips are not intended to blame the victim. There are precautions we all can take which may limit our exposure to situations which may result in non-consensual sexual acts.

- Communicate limits/ boundaries and respect the limits/boundaries of others.
- Clearly and firmly say “No” to a sexual aggressor.
- If possible, leave the physical presence of a sexual aggressor or otherwise violently aggressive person.
- If someone is nearby, ask for help.
- Take responsibility for your alcohol/drug use. Acknowledge that alcohol/drugs lower sexual inhibitions and may make you vulnerable to someone who sees an impaired person as a sexual opportunity.
- Do not take advantage of someone’s intoxication or altered state even if alcohol or drugs were consumed willingly.
- If you choose to share intimate images, pictures, videos or content with others, even those you trust, be clear about your expectations regarding how the information may be used, shared or disseminated. If such information is shared with you, do not share it with others.
- Take care of friends and ask that they take care of you.
- As a sexual initiator, clearly communicate your intentions and give your sexual partner the opportunity to clearly communicate the same.
- Do not make assumptions about consent, sexual availability, sexual attraction, how far an interaction can go or about physical and/or mental ability to consent.
- Remember that consent should be affirmative and continuous. If there is any question or ambiguity, you should proceed as if you do not have consent.
- Consider mixed messages from a partner to be an indication that sexual conduct should stop so that better communication can occur.
- Recognize the potential for a sexual partner to feel intimidated or coerced by you as a result of a power advantage, your gender, your demeanor or your physical presence. Do not use or abuse that power.

Bystander Intervention Strategies

Intervention by classmates, colleagues and others within proximity to the precursors or signs of possible sexual assault, sexual exploitation, dating violence, domestic violence or stalking can significantly impact the course of an interaction between a latent perpetrator and victim. Bystanders may also encourage friends, classmates and colleagues who are already experiencing victimization to seek assistance sooner than they may have without encouragement, support or acknowledgment. Community members are encouraged to recognize warning signs and to consider possible methods of interference in various scenarios before opportunities to intervene arise. By planning ahead, we all maximize the likelihood of being empowered to take safe actions to either prevent sexual misconduct or offer paths to eliminate ongoing victimization.

When a member of the RUSVM community observes threatening, coercive, forceful, aggressive, or harassing behavior, it is important to assess the situation to determine the best possible course of action for all concerned. Some forms of intervention are direct, while others will be less apparent to the perpetrator or others within range of the interaction. Examples include but are not limited to:

- Making up an excuse to get someone out of a dangerous situation.
- Stepping in to change the course of an interaction.
- Warning potential or perceived perpetrators that their actions may lead to severe consequences.
- Refusing to leave the company of a potential victim despite efforts by an aggressor or pursuer to get the potential victim alone.
- Taking steps to reduce alcohol or drug consumption within a potentially dangerous social situation.
• Calling and cooperating with security, administration, the police or others to assist with intervention and accountability.
• Expressing concern or offering resources when you notice someone with unexplained or frequent injuries.
• Refusing to consider sex and/or gender-based misconduct a personal or private matter between the victim and the perpetrator.

Procedures to Follow After a Sexual Misconduct Incident

Complainants of any sexual misconduct that might constitute a crime, including domestic violence, dating violence, sexual assault, stalking and rape (including acquaintance rape) that impacts the RUSVM community have the option and are encouraged to contact local law enforcement authorities. The criminal process is separate from RUSVM’s process.

Whenever possible, Complainants should report a violation of this Policy as soon as possible and preserve evidence as may be necessary to prove that domestic violence, dating violence, sexual assault or stalking occurred, or to obtain a protection order. Complainants of sexual assault or rape are strongly encouraged to report the incident as described in this Policy to deter future assaults and to ensure that the Complainants receive the services they need. Steps should be taken to help deal with physical and emotional trauma associated with the violation. Recommended steps include:

6. Go to a safe place; go somewhere to get emotional support.
7. Consider reporting the incident to the police. Complainants are not required to report an incident to law enforcement authorities, but RUSVM will assist the Complainants with contacting the police, if requested.
8. Report the misconduct to the manager of student services, sr. manager of campus operations, one-up manager, campus incident commander, local RUSVM leadership, Title IX Coordinator or the CRC.
9. For your safety and well-being, immediate medical attention is encouraged. Time is a critical factor for evidence collection and reservation that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining an order of protection. Being examined as soon as possible, ideally within 120 hours, is important especially in the case of rape and other forms of sexual assault. To preserve evidence, it is recommended that, if at all possible, you do not bathe, shower, douche, eat, drink, smoke, brush your teeth, urinate, defecate or change clothes before that exam. Even if you have already taken any of these actions, you are still encouraged to have prompt medical care. Additionally, you are encouraged to gather bedding, linens or unlaundered clothing and any other pertinent articles that may be used for evidence. Secure them in a clean paper bag or clean sheet. Completing a forensic examination does not require someone to file a police report. To find a location near you that performs free forensic examinations, call the National Sexual Assault Hotline at (800) 656-4673. Resources are also available through the Rape Abuse & Incest National Network (RAINN); www.RAINN.org.
10. Even after the immediate crisis has passed, consider seeking professional counseling and the support of local and specialized support agencies, such as sexual assault recovery centers and domestic violence safe houses. This can help to recover from the psychological effects and provide a safe environment for recovery.

Resources for Victims

Local Resources can be found in the RUSVM’s Annual Security Report distributed to each campus community and posted on the Student Consumer Information page of RUSVM’s website. The reports are available by location in a drop-down menu and contain lists of local resources available to victims of sex and gender-based misconduct. The resource lists are updated annually.

STUDENT RIGHTS UNDER FERPA
(The Family Educational Rights and Privacy Act)

RUSVM respects the rights and privacy of its students and acknowledge the responsibility to maintain confidentiality of personally identifiable information.

FERPA is a federal law that affords students the following rights with respect to their education records:

1. **The Right to Inspect and Review the Student’s Education Records**
   Students have the right to review their education records within 45 days of the day the institution receives their request. Students should submit to the registrar, dean, or head of the academic department written requests that identify the record(s) they wish to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the official to whom the request is submitted does not maintain the records, that official will advise the student of the correct official to whom the request should be addressed.

2. **The Right to Seek an Amendment of Inaccurate or Misleading Information**
   Students may ask the institution to amend a record that they believe is inaccurate or misleading. They should write to the official responsible for the record, clearly identify the part of the record they believe should be changed and specify why it is inaccurate or misleading. If the institution decides not to amend the record as requested by the student, the student will be notified of the decision and advised of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when they are notified of the right to a hearing. Following the hearing, if the institution still decides not to amend the record, the student has a right to place a clarifying statement in the record. The institution is not required to consider requests for amendment to grades or disciplinary decisions.

3. **The Right to Limit Disclosure of Personally Identifiable Information**
   Students have the right to consent to disclosure of personally identifiable information contained in their educational records, except to the extent that FERPA authorizes disclosure without consent. An exception that permits disclosure without consent is disclosure to school officials who have legitimate educational interests, and the disclosure of directory information. Directory information is not considered to be harmful or an invasion of privacy if disclosed. See additional information on next page.

4. **The Right to File a Complaint with the U.S. Department of Education if the Institution Fails to Comply with FERPA Requirements**
   Complaints should be directed to:
   
   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202-4605
   Phone: 1-800-USA-LEARN (1-800-872-5327)
DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) designates certain student information as “Directory Information” and gives the institution the right to disclose such information without having to ask students’ permission. The items listed below as “Directory Information” may be released for any purpose at the discretion of the institution. Under the provisions of FERPA, students have the right to withhold the disclosure of any or all of the categories of information listed below. The following information will be released unless students specifically request that their information be withheld:

- **Directory Information**: Name, address, telephone number, email address, date and place of birth, dates of attendance, previous institution(s) attended, major field of study (program), enrollment status, degrees and awards, past and present participation in officially recognized activities.

- **Career Services**: Students approaching graduation and working with career services staff on career planning, job interviewing and resume preparation authorize release of the following records for a period of fifteen months after graduation: the resume, identifying data, academic work completed, immigration status (if applicable), and authorize career services to verify information graduates provide regarding their employment. At no time is compensation information released or published.

To Withhold Information

To have directory or career services information withheld, students must submit a written request to the Registrar. Once filed, this request becomes a permanent part of the student’s record and no information may be released until the student instructs the institution otherwise.

UNAUTHORIZED DISTRIBUTION OF COPYRIGHTED MATERIALS

RUSVM strives to provide access to varied materials, services and equipment for students, faculty and staff and does not knowingly condone policies or practices that constitute an infringement of Federal copyright law. Transmitting or downloading any material that you do not have the right to make available and that infringes any patent, trademark, trade secret, copyright or other proprietary rights of any party is prohibited.

Installing or distributing pirated or unlicensed software is also forbidden. Violation of these requirements may subject students, faculty and staff to civil and criminal liabilities. Students, faculty or staff who violate federal copyright law do so at their own risk. Copyright status is applied to a work as soon as it is created. Users should assume that all writings and images are copyrighted.

Title 17 of the United States Code (17 USC §501 et seq.) outlines remedies for copyright infringement that may include some or all of the following: obtaining an injunction to stop the infringing activity; impounding and disposing of the infringing articles; an award to the copyright owner of actual damages and the profits of the infringer, or in the alternative, an award of statutory damages which may be increased if the infringement is found to be willful; an award of two times the amount of the license fee a copyright owner could have gotten; an award of the full costs incurred in bringing an infringement action, and the award of attorney’s fees; and for criminal copyright infringement, fines and imprisonment.

RUSVM maintains a campus network to support and enhance the academic and administrative needs of our students, faculty and staff. RUSVM is required by Federal Law – H.R. 4137 to make an annual disclosure informing students that illegal distribution of copyrighted materials may lead to civil and/or criminal penalties. RUSVM takes steps to detect and punish users who illegally distribute copyrighted materials.

RUSVM reserves the right to suspend or terminate network access to any campus user that violates this policy and Network access may be suspended if any use is impacting the operations of the network. Violations may be reported to appropriate authorities for criminal or civil prosecution. The existence and imposition of sanctions do not protect members of the campus community from any legal action by external entities.
Alternatives to Illegal Downloading
Illegal downloads hurt artists and deter the incentive to create. U.S. laws protect the rights of individuals regarding their own works. Below are lists of sites that offer free or inexpensive products that you can use without violating copyright law.

Code of Conduct and Ethics

TABLE OF CONTENTS

3  Applying Our Values
7  Our Responsibilities to Our Community
14 Our Responsibilities to Our Partners and the Public
22 Our Responsibilities as an International Organization
Dear Colleagues,

As members of the Adtalem Global Education community, we are guided by our TEACH Values, which inform everything we do – putting the team first (Teamwork); building positive spirit and initiative (Energy); taking ownership and responsibility for our actions (Accountability); operating with a shared sense of responsibility and empathy for others (Community); and serving our students and one another with care (Heart).

Our values of Accountability and Community are the foundation of the Adtalem Code of Conduct and Ethics. Accountability is taking ownership for our own actions, demonstrating courage to speak up regarding the actions of others if those actions do not align with Adtalem Global Education’s standards of conduct, and acting with the utmost integrity in all that we do. Our value of Community allows us to respect our shared values but also to celebrate our differences through mutual respect for all of our colleagues and students.

The way we conduct ourselves is essential to our continued success in an industry that is heavily regulated and scrutinized. Even more important, it is critical to maintaining our reputation among students as the place where they can bring their educational and career dreams to life, among colleagues as a great place to work and among our communities as an organization that is committed to Doing Well By Doing Good.

Complying with international, federal, state and local regulations is only the beginning. We should – and do – go beyond what is legally required. All of us, regardless of our level or role, are responsible for acting with the utmost personal and professional integrity every day.

Because we place such a high priority on our ethical conduct, it’s important that all of us:

- Read this Code and apply it to our roles at Adtalem
- Use the Code to learn how we can ask for advice or get answers to questions about Adtalem’s policies and expectations
- Keep the Code on hand for future reference

Thank you for your commitment to acting with integrity in support of our Vision, and for your dedication to our students.

Lisa W. Wardell
Chairman and CEO
Applying Our Values

Our Values – Teamwork, Energy, Accountability, Community and Heart – support a unique culture at Adtalem that sets us apart and defines who we are as an organization.

Our Culture of Care is continually renewed by the choices and actions each of us makes every day. Our Code of Conduct and Ethics (“Code”), together with our policies and other resources, is intended to help guide us when we are faced with ethics or compliance decisions or when we have questions about what to do in specific situations.

Who Needs to Follow Our Code

Our Code applies to all Adtalem colleagues including officers, directors and full- and part-time colleagues and faculty. It applies across our family of educational institutions, everywhere we operate.

The actions of customers, vendors, agents, and other third parties who work with us can have an impact on our reputation. For this reason, we strive to work only with third parties that share our commitment to ethics and compliance, and we expect them to act in a way that is consistent with our Code. We will take the appropriate measures where we believe they have not met our high standards.

How to Use This Code

No code of conduct can cover every possible situation, and this Code is meant to be a living document. This is why we rely on one another to use good judgment and to speak up whenever we have questions or concerns. In addition, Adtalem and each of our institutions have more detailed policies governing our day-to-day work, and you are responsible for knowing, understanding and complying with those policies in addition to this Code.

The application of each section of this Code may vary from institution to institution. When an institution’s policy or local law is stricter than the standards in this Code, follow your institution’s policy or local law. When in doubt, contact Integrity and Compliance for guidance or submit a question to the Speak Up HelpSite or HelpLine.

As a global organization based in the United States, we must comply with the laws of the United States, as well as the laws of the countries in which we operate. Each of us has an important responsibility to know and to follow the laws that apply to our roles in the countries in which we operate. If you are a manager, you are responsible for ensuring that your direct reports and other colleagues are familiar with the local laws and policies that apply to them. For more information about the country- or state-specific laws that may apply to you, consult with your assigned Adtalem Legal representative.

Our Expectations

Adtalem must always meet the highest standards of integrity and ethical conduct. That’s why all colleagues are encouraged to:

• Hold ourselves and one another accountable for complying with the law, regulations, this Code and Adtalem and institutional policies, even when doing so could interfere with achieving a business goal.
• Pay particular attention to the policies that are relevant to their responsibilities.
• Refrain from asking anyone to do something that is improper or unethical.
• Promptly report concerns about possible violations of laws, regulations, this Code and other Adtalem policies to your manager or any of the resources listed in this Code.
• Cooperate and tell the whole truth when responding to an audit, investigation or regulatory review.
• Always comply with Adtalem’s records retention policies, and never alter or destroy records other than in strict compliance with such policies.
• Once a year, read, acknowledge and commit to complying with the Code.

REMEMBER: No excuse will ever be acceptable for violating laws, regulations, the Code or our policies.

Managers’ Additional Responsibilities
Colleagues who manage or supervise others have additional responsibilities, including:
• Leading by example. Be a resource for others. Talk to your colleagues and business partners about how the Code and our policies apply to their daily work and listen to their concerns and questions.
• Working proactively and on an ongoing basis to ensure your colleagues are trained and well-versed in the rules that apply to their roles.
• Creating an environment where everyone feels comfortable asking questions and reporting potential violations.
• Encouraging your colleagues to complete training.
• If you oversee third parties working with Adtalem or any of its institutions or companies, ensuring that they understand our Code, the Vendor Code of Conduct and their responsibilities.
• Asking Integrity and Compliance for help when faced with ethical or compliance matters that you are unsure how to handle.
• Creating a work environment free of discrimination and harassment.

Q&A
I’m a manager and I’m not clear what I should do if someone comes to me with a potential breach of the Code – and what if it involves a senior leader?

No matter who the allegation involves, you are encouraged to inform appropriate personnel so that the situation can be resolved. You may use any of the avenues for asking questions and reporting concerns that are listed in the Code. If for any reason you are uncomfortable making a report to a particular person, you can report the allegation using the Speak Up HelpSite.

If I observe misconduct in an area outside of my responsibilities, what should I do?

You are responsible primarily for the people who report to you, but all colleagues of Adtalem and its institutions and companies have a responsibility to report suspected misconduct that occurs even if outside of their reporting lines and, where appropriate, intervene to deter or stop any colleague misconduct. In many cases, the best approach is to talk first with the manager who oversees the area where the problem is occurring. However, if you are concerned about this being the best approach, you should talk to your manager, an HR representative, Adtalem Legal or Integrity and Compliance; you can also report the misconduct using the Speak Up HelpSite.
Accountability Under the Code
Violating relevant laws, regulations, the Code or our policies, or encouraging others to do so, may harm our reputation and expose you to disciplinary action up to, and including, immediate termination of employment. Certain actions may also lead to legal proceedings against you, your fellow colleagues and/or Adtalem.

Colleagues are encouraged to check with Integrity and Compliance, askHR or your local HR representative for any specific local policies regarding potential misconduct and disciplinary or investigatory procedures.

Under limited circumstances, colleagues may also be subject to discipline for conduct outside of work, including, for example, activities that are discriminatory or harassing, may damage Adtalem’s reputation or may be harmful to our students.

Speak Up: Ask Questions and Report Concerns
We expect colleagues to ask questions, raise concerns and contribute actively to the prevention of colleague misconduct. We work hard to promote a culture where everyone is comfortable speaking up in good faith without fear of retaliation. So, in addition to knowing and complying with the legal and policy requirements that apply to your role, we encourage you to speak up and take action when you know or suspect there is misconduct that may impact Adtalem.

When you are faced with a difficult compliance or ethics situation or dilemma, you should first refer to this Code and to the policies that apply to your role. If, after doing so, you are still unsure, you have several options:

• Contact your manager. Be as specific and detailed as possible, so that he or she understands your question or concerns.
• Contact Integrity and Compliance.
• Contact a member of the Adtalem Legal team, your local Human Resources representative or askHR.
• Go to the Speak Up HelpSite or HelpLine to ask a question or submit a report. You have the option to remain anonymous when you ask a question or report a known or suspected violation online or by phone.

Retaliation is Prohibited
We do not tolerate retaliation against anyone for raising concerns or reporting possible misconduct in good faith or for assisting in the investigation of possible misconduct.

If you think that you or someone you know has experienced retaliation, contact your manager, an HR representative, or Integrity and Compliance; you can also report the misconduct using the Speak Up HelpSite.

What to Expect When You Use Our Speak Up Resources
The Speak Up resources, the HelpSite and HelpLine noted below, are a confidential way to obtain answers to your questions and concerns and to report possible misconduct. The HelpSite and HelpLine are operated by an independent company, is available 24 hours a day, seven days a week, and is multilingual.

When using the Speak Up resources, you will be given the option to ask a question or make a report online or by phone. If you telephone, the operator will listen to your concern or question, ask clarifying questions if necessary and then write a summary report. The summary will then be provided to Adtalem for assessment and further action as appropriate.

After making a report, you will receive an identification number to follow up about the report. Following up is especially important if you submit your report anonymously - an option that is available in most but not all of the countries where we operate. This identification number will enable you to report back with additional information and track the resolution of the case.

All reports will be kept confidential to the extent practical, except where disclosure is required for Adtalem to investigate a report or by applicable law or legal process.

Some countries, including many in the European Union, have specific rules on the use of the Speak Up HelpSite and HelpLine, which in some cases may limit the types of reports that can be accepted.

In order for the Speak Up resources to work effectively, reports and inquiries must be made in good faith. For this purpose, good faith simply means an honest belief that a report is true and accurate, even if the facts reported prove to be false. Colleagues found to have made bad-faith reports are subject to disciplinary action, up to and including immediate termination of employment. A bad-faith report means a report by a colleague that intentionally makes false claims of misconduct by a colleague, student or third party working with Adtalem.

Making the Right Choice
You may find yourself in a situation in which you are uncertain about what to do. It may help to ask yourself:
- Is it consistent with Adtalem’s TEACH Values?
- Would you be comfortable reading about it in the newspaper or listening to it in front of a jury?
- Would it be consistent with yours or Adtalem’s reputation for excellence?
- Does it seem ethical to you and to those whose opinions you respect?
- Could the conduct harm our colleagues or students in any way?
- Is it legal and consistent with our policies and our Code?

If your answer to any of these questions is “no,” don’t do it, and contact any of the resources listed in this Code for help.

Closing the Loop
Ethics at Adtalem must continually evolve to stay current with new and emerging risk areas. Once you’ve made a decision, ask yourself the following additional question:
- Do you believe there are sufficient standards, policies and resources in place to address the issue you faced, or should more be done?

If your answer is “no” and you believe more should be done, contact Integrity and Compliance. Your suggestions will help us improve our Integrity and Compliance program.
Our Responsibilities to Our Community

Through respect, collaboration and communication, we have built a dynamic team of talented colleagues. We work together with one purpose: to empower our students to achieve their educational and career goals.

Maintaining our team-based culture not only helps our students succeed, it also creates the setting for each of us to thrive personally while making a positive contribution to one another’s success.

Value Diversity, Inclusion and Equal Opportunity

We value the unique contribution that each person brings to Adtalem. We treat everyone with respect and dignity and base all employment decisions on merit, experience and personal aptitude.

We do not discriminate on the basis of race, creed, color, religion, political affiliation, national origin, gender, age, disability, marital status, sexual orientation, gender identity, citizenship status or any other status protected by law.

Always Keep in Mind

- Treat everyone with respect.
- Encourage and listen to those who speak up, and work to create a culture where others feel valued and understood.
- If you manage people or are involved in recruitment and hiring, judge others based on performance, qualifications, abilities and potential.
- Avoid introducing unrelated considerations into your decisions. Use objective, quantifiable standards to the extent possible.
- Do not engage in favoritism for any reason.
- Respect colleagues’ privacy, dignity and life outside of work.

Q&A

One of my colleagues sends emails containing jokes and derogatory comments about certain nationalities. They make me uncomfortable, but no one else has spoken up about them. What should I do?

If you feel comfortable doing so and can do so safely, you should tell the colleague to stop the behavior. You are also encouraged to report your concerns to your manager, askHR or your local HR representative. You can also report your concerns on the Speak Up HelpLine or HelpSite. Sending such jokes doesn’t support our core Values, and it violates our policies. By doing nothing, you are silently supporting behavior that can seriously erode the team environment.

Avoid Harassment and Intimidation

We treat our fellow colleagues with dignity and respect at all times. We do not tolerate any form of harassment or intimidation. This includes actions that can reasonably be considered as offensive or discriminatory, as well as any form of sexual harassment.

Always Keep in Mind

- Maintain a work environment that is professional and free from harassment.
- If possible and you can do so safely, be direct. Speak up and tell a person if you are upset by his or her actions or language, explain why and ask him or her to stop. You are encouraged to report your concerns to your manager, askHR or your local HR representative, or use the Speak Up HelpLine or HelpSite.
- Don’t create, distribute or display obscene or discriminatory material, including written, recorded or electronically transmitted messages (such as email, instant messages and internet materials).
- Remember – harassment can occur between individuals of the same or different races or genders and can involve individuals or groups of colleagues.
Sex and Gender Misconduct, and Bullying

Adtalem is committed to maintaining an educational environment that is free from sex and/or gender misconduct. Sex and gender misconduct includes sexual harassment, sexual assault, rape, domestic violence, dating violence, stalking, sexual exploitation, and gender-based harassment. When a student has been a victim of sex and/or gender misconduct – even if the act did not occur on Adtalem property – it can impede his or her ability to fully participate in the educational benefits that we provide. Therefore, it is important that we all do our part to prevent all forms of sex and gender-based misconduct and support our student and colleague survivors.

Some colleagues have an affirmative duty under applicable law to report potential incidents of sex and/or gender-based misconduct. See Policy on Sex and Gender Based Misconduct Response and Prevention.

For more information, or if you have questions, contact the Title IX Coordinator at TitleIXCoordinator@adtalem.com or use the Speak Up HelpLine or HelpSite by calling 866.421.0617 or going to speakup-adtalem.ethicspoint.com.

Q&A

While on a business trip, a colleague repeatedly asked me out for drinks and made comments about my appearance that made me uncomfortable. I asked him to stop, but he wouldn’t. We weren’t in the office and it was after hours. What should I do?

This type of conduct is not acceptable, regardless of whether it takes place in Adtalem’s offices. Adtalem supports a work environment free from harassment, so don’t wait for it to happen again to address it. If you feel safe and comfortable doing so, be firm and tell your colleague such actions are inappropriate and must be stopped. We take these matters very seriously and encourage you to report the problem to your manager, your local HR representative or askHR, or use the Speak Up HelpSite or HelpLine.

During my recent performance review, my manager was highly critical of my performance and I felt intimidated and bullied by the tone of the comments. Is this a violation of the Code and our policy against harassment?

Likely not. Bullying and intimidation are never acceptable, even during a manager’s performance evaluation or while disciplining direct reports. However, articulating colleague performance expectations with statements such as “unless you improve your performance, your employment may be terminated” is not considered bullying or intimidation. If you have questions or concerns, you should contact askHR or your local HR representative, or use the Speak Up HelpLine or HelpSite.

Watch Out for These Red Flags

- Unwanted sexual advances or requests for sexual favors.
- Offensive physical contact such as patting, grabbing, pinching or brushing against another’s body.
- Making sexual gestures and displaying offensive, sexually suggestive objects or pictures, cartoons or posters.
- Offensive, sexually oriented verbal kidding, teasing or jokes.
- Verbal abuse, threats or taunting based on a colleague’s appearance, sexual orientation, beliefs or other characteristics protected by our policies and applicable laws.
- Intimidating or insulting behavior that humiliates, undermines or threatens another colleague, whether intentional or unintentional.
Appropriate Relationships
Adtalem is committed to fostering workplace and academic environments that enhance our students’ educational goals, our professional experiences and the reputation of our educational institutions. For this reason, we expect colleagues to uphold the following standards for maintaining appropriate relationships in the workplace.

Colleague-to-colleague relationships
Colleagues are expected to refrain from hiring or otherwise working in the same reporting line with their own family members, spouses, relatives, domestic partners or with colleagues or third parties with whom they have a romantic or intimate relationship. Likewise, it is not acceptable for you to engage in an intimate relationship with another colleague if you can influence or control that colleague’s professional or financial interests.

Colleague-to-student relationships
Under no circumstances are faculty members, administrative personnel or other colleagues permitted to engage in any romantic or intimate relationships with prospective or current students if they do at the time, or may in the future be able to, influence or control enrollment, counseling, supervisory, or grading activities or decisions affecting that student. You are encouraged to report improper relationships between students and colleagues to askHR, your local HR representative, Integrity and Compliance or via the Speak Up HelpLine or HelpSite.

Some institutions may have stricter standards regarding appropriate relationships than those set out in this Code. Where that is the case, the stricter standards prevail.

For more information, or if you have questions, contact the head of academic affairs for your institution, askHR or your local HR representative, or use the Speak Up HelpLine or HelpSite.

Keep One Another Safe and Secure
Everyone – colleagues, students and visitors to our facilities – has a right to expect a safe and secure environment. A safe and secure environment is a critical part of providing a quality education for our students.

All colleagues and third parties who work with Adtalem are expected to understand and follow our safety and security policies and procedures. We must work together to keep our workplace free from hazards and foreseeable and preventable risks.

Adtalem provides each location with a set of standard requirements and procedures designed to keep colleagues safe. We also provide a framework for each location to follow when responding to incidents.

In addition, each campus has a designated Incident Commander who serves as the primary point of contact with regard to safety and security matters. For more information, or to raise a concern or report an incident, contact your local Incident Commander, your local campus leader, your local security department, or Adtalem’s Security Office.

Always Keep in Mind
- Be alert to safety and security risks.
- Violence of any kind has no place at Adtalem. We will not tolerate any acts or threats of physical violence against co-workers, students, visitors or anyone else on our property, during business travel or at Adtalem, institution or company-sponsored events.
- Firearms or other weapons are not permitted on Adtalem property, parking lots, alternate work locations maintained by Adtalem, at Adtalem institution or company-sponsored events, events, unless the application of such policy would be prohibited by law.
- Maintain a neat, safe working environment by keeping work stations, aisles and other work spaces free from obstacles, wires and other potential hazards.

Drug and Alcohol Use
The use of illegal drugs and alcohol goes against our commitment to a safe, healthy, secure and productive environment for colleagues, students and community. When your ability to do your job is impaired by the misuse or abuse of alcohol or drugs, you jeopardize the safety of others and potentially harm our reputation. While at work or on Adtalem business, you should be alert, not impaired, and always ready to carry out your work duties. You should always respect local customs and laws pertaining to drug and alcohol use.

Accommodations
Consult with askHR or your local HR representative if you must take legal medications that could negatively affect your job performance in a material way or compromise someone’s safety.

Alcohol and drug-related support
If you have a drug- or alcohol-related problem, we encourage you to seek assistance. If you are outside of the United States, please see your local HR representative. If you are in the U.S. or are a U.S. expatriate, call the Adtalem Global Education Colleague Assistance Program at 877.623.3879 or visit guidanceresources.com. We will assist benefit-eligible colleagues within the limits of their medical benefits plans.

Q&A
Are subcontractors working on our premises expected to follow the same safety and security policies and procedures as colleagues?

Absolutely. Managers are responsible for ensuring that third parties at work on our premises understand and comply with all applicable policies, laws and regulations affecting that particular campus or location.
Respect Privacy and Protect Personal Information

We respect and protect the privacy of everyone who entrusts us with his or her personal information. This includes prospective, current and former students, our colleagues and third parties. Protecting this information is a legal requirement and a matter of trust.

Adtalem Global Education’s Colleague Handbook, “Keep It Confidential” and “Protect Your Work” sections

Q&A

A report I found on the photocopier contains a lot of confidential personal records, including student identification numbers. I also often pass by computers where I can see confidential information on the screens. I do not want to get anyone into trouble, but I do not think it is right that this kind of information is left for all to see.
What should I do?

You should immediately retrieve the document from the copier and deliver it to the document owner. If you don’t know who the document owner is, contact your manager, your local HR representative or Integrity and Compliance for guidance.
Protecting confidentiality and privacy is the responsibility of every colleague. When papers containing confidential information are left on the copier, the person who left them there is neglecting his or her duty to protect the confidentiality of others. Similarly, you should never leave laptops or other electronic portable devices unattended, especially if they contain sensitive information. It takes only a few seconds for someone to do serious damage to your computer or your files or to access information on the computer, so take the time to lock your computer when you leave your desk.
Use Our Assets Wisely
We all have a responsibility to be efficient and economical in the use of resources and protect against the abuse of organizational assets to make sure they are used and cared for appropriately.

Adtalem assets include our buildings, equipment, vehicles, computers, phones, mobile devices, files, documents, inventory and supplies. Our assets also include intellectual property as well as our confidential and proprietary information.

Proper Use of Information Technology
Each of us must use Adtalem’s electronic systems and resources in a manner that does not expose the organization to the risk of security breaches, legal claims, sabotage, computer viruses or similar problems.

Infrequent and incidental personal use of Adtalem electronic systems and resources is permitted as long as it does not interfere with your duties or your productivity and does not consume or divert resources that could otherwise be used for organizational purposes.

Always Keep in Mind
• Only use software that has been properly licensed. The copying or use of unlicensed or “pirated” software on Adtalem’s electronic systems and resources is strictly prohibited.
• Report any suspected theft, embezzlement or misappropriation of any Adtalem property using the Speak Up HelpLine or HelpSite.
• Never sell, transfer, destroy or otherwise dispose of Adtalem assets or materials (including computers, equipment, and electronic and hard-copy records) without proper documentation and authorization.

Maintain the Highest Standards of Academic Integrity
As a global provider of educational services, we are committed to providing our students with high-quality instruction and related services and support. In order to maintain this quality, we must uphold the highest standards of academic integrity.

Always Keep in Mind
• Use the work product of others in a proper manner and with proper authorization and/or citation.
• Forgo intentionally or knowingly helping or attempting to help another to commit any act of academic dishonesty.
• Maintain educational records and the academic standing of students properly.
• Refuse any offer of a bribe, gift or gratuity of any kind from any prospective or current student, and refrain from doing so on a prospective or current student’s behalf.

TO LEARN MORE
In addition, student finance colleagues are also expected to adhere to the Student Finance Code of Conduct. For more information, contact Adtalem’s Regulatory Compliance team.
Marketing, Advertisement, Recruitment and Admissions

The laws governing advertising and marketing activities are proscriptive. If you are involved in developing or using our marketing, advertising or promotional material, it is important that you understand the guidelines that relate to these activities. The same is true for any third parties creating such materials on our behalf.

We provide truthful, accurate and non-misleading information to prospective students, and we base admission solely on each applicant’s ability to meet admission requirements, which vary by institution. We honor and properly document requests of students or other consumers not to be contacted by us via email, phone or other methods.

When recruiting prospective students, we provide responsible, objective and unbiased information. We are always truthful and never misleading, following the tenets of Adtalem’s Responsible Communications policy and training. We hold ourselves to these high standards not just because it is the law, but because it is the right thing to do to help our students achieve their educational and career goals.

As a provider of higher education, Adtalem is subject to extensive regulation. In order for Adtalem’s degree-granting institutions and our students to remain eligible to participate in U.S. federal financial aid programs, we must abide by regulations that govern compensation for colleagues who recruit students.

**Always Keep in Mind**

- Comply with all applicable legal requirements and Adtalem policies and approval procedures when developing or implementing public relations, marketing, and advertising materials.
- Be sure all materials are truthful, complete, accurate, properly substantiated and not misleading.
- Provide supporting data and qualifying language when using statistics.
- Clearly state that the education offered is not a guarantee of employment or “success.”
Our Responsibilities to Our Partners and the Public

We want to be known as a trusted neighbor in the communities where we operate. We have a commitment to transparency and responsible business practices.

We always keep in mind our obligations to our shareholders, our business partners and the public, and we remain guided by our Values and our respect for the laws governing our operations everywhere we operate.

Serve the Greater Good

We are proud that as educators, the very nature of our work serves the greater good and makes a positive contribution to society and the lives of our students. As global citizens, we are committed to:

• Supporting social and educational initiatives in the communities in which we live and work
• Participating in relief efforts and service projects around the world
• Complying with the relevant environmental laws and regulations applicable in each country in which we operate
• Considering environmental responsibility as a factor in our decisions including recycling, conserving resources and working with our business partners
• Managing and minimizing our impact on the environment

Build Lasting Business Relationships

We believe in working with business partners who share our commitment to high standards of ethics and integrity.

Our business partners – including our suppliers, vendors, representatives, and agents – represent us in the marketplace. If they act illegally or unethically, it can expose us to legal repercussions and/or damage our reputation.
Always Keep in Mind

- Make supplier-related decisions in the best interest of Adtalem and not for any personal benefit or gain.
- Be responsive to all reasonable requests from our business partners, but never do something that you regard as unlawful or contrary to laws, regulations, the Code or our policies.
- Respect the confidential information and intellectual property of others.
- Choose vendors and other third parties carefully, and never work with prohibited countries, organizations or persons.
- Watch for and report any signs that our business partners are violating applicable law or regulations.
- Be sure to follow Adtalem policies and procedures before you sign any contract with a third party for Adtalem or your institution.

Always Keep in Mind

- Use and disclose confidential information only for legitimate business purposes.
- Properly label confidential information to indicate how it should be handled, distributed and destroyed.
- Protect intellectual property and confidential information by sharing it only with authorized parties.
- Never discuss confidential information when others might be able to overhear what is being said – for example, on airplanes, in elevators or in other public places – and be careful not to send confidential information to unattended fax machines or printers.
- Follow all policies, procedures and retention schedules related to records and information management.
- Secure laptops, portable devices and storage media that may contain confidential or proprietary information, and follow all network and information-security policies and protocols.
- Report any potential data security breach to your manager, the senior manager of information governance or the chief information security officer.

Safeguard Confidential Information

When managed properly, our information can help us develop and administer quality educational programs and meet our objectives. When information is mismanaged, it puts our organization at risk.

Each of us must be vigilant and safeguard our confidential information as well as the confidential information that is entrusted to us by others such as our students. Depending on the situation, this can include strategic ideas, organizational plans, student records and other types of information gathered or generated as part of our operations and educational efforts.

We respect all patents, trademarks, copyrights, proprietary information and trade secrets, as well as the confidentiality of anyone with whom we do business.

Intellectual Property

We work hard to create and promote brands and educational programs that are recognized around the world. Our intellectual property, such as our copyrighted material and our trademarks, is a critical part of our identity and our operations; we must handle it responsibly and safeguard it.

Other examples of our intellectual property include:
- Logos
- Marketing and advertising materials
- Branding
- Course curricula
- Educational materials

If you are responsible for developing intellectual property, consult with your assigned Adtalem Legal representative.

Avoid Insider Trading
Some Adtalem colleagues may have access to information about the organization’s finances or material, non-public information that might impact our economic future. We use material, non-public information in compliance with securities laws and do not trade in the securities of any public company – including Adtalem – when we are in possession of non-public, material or price-sensitive information.

“Material, non-public information” generally refers to any information that is not available to the public and that a reasonable investor would consider important when deciding whether to buy, sell or hold a share. This can include news about acquisitions, financial results, important management changes, commencement or termination of major contracts as well as news about the financial, operational or environmental performance of an organization. It is important to know that material, non-public information can also be confidential information about another organization that you have obtained during the course of your work.

Always Keep in Mind
• Never use, for your own or others’ benefit, any organization’s information that has not been made public.
• Be careful when others request confidential information about Adtalem or our business partners. Even casual conversations could be viewed as illegal “tipping” of inside information.
• Never use material, non-public information to make investment decisions or to provide investment tips to family members, close relatives, friends or other third parties.
• Securities law violations are taken seriously and can be prosecuted even if the amount of money involved is small or when the “tipper” made no profit.

Keep Accurate Books and Records
We are committed to transparency and to making full, accurate, timely and understandable disclosure on all aspects of our organization, including financial reports that are filed with or submitted to regulatory authorities.

Colleagues with roles that involve the preparation of our public, financial and regulatory disclosures have special responsibility in this area, but all of us contribute to the process of recording organizational results and maintaining documents. Each of us is responsible for helping to ensure the information we record is accurate, complete and maintained in a manner consistent with our system of internal controls.

As a publicly held organization, we are required to report financial information in accordance with generally accepted accounting principles, and to maintain books and records that accurately and fairly reflect all transactions. This obligation, however, includes more than just financial information. Some examples include accurately recording enrollments, attendance, grades, communications, tuition, regulatory data and other essential organizational information.

Always Keep in Mind
• Fully comply with all laws, external accounting requirements and Adtalem policies and procedures for reporting financial and other organizational information.
• Never make false claims on an expense report or time sheet.
• Be clear, concise, truthful and accurate when recording any information.
• Draft internal documents and communications as if they will be reviewed by third parties. Remember that our internal records are sometimes read by third parties and governmental agencies, so we should do our best to ensure that what we write will not be misinterpreted.
• Maintain all organizational records for legally required minimum periods and in accordance with Adtalem’s records-retention procedures.
• Only destroy documents in accordance with the Adtalem records-retention policies and procedures, and be aware of special limitations or requirements that may be in place for records relating to potential or ongoing litigation, investigations or audits.
• Cooperate with Adtalem’s internal and external auditors.

Q&A

At the end of the last quarter reporting period, my manager asked me to record additional expenses even though I had not received the invoices from the supplier and the work had not started. I agreed to do it, mostly because I did not think it really made a difference since we were all sure that the work would be completed in the next quarter. Now I wonder if I did the right thing.

Costs must be recorded in the period in which they are incurred. The work was not started and the costs were not incurred by the date you recorded the transaction. It was therefore misleading and, depending on the circumstances, could be considered fraud. In such a situation, you should report the matter to your local HR representative or askHR, or use the Speak Up HelpSite or HelpLine.

Compete Fairly

At Adtalem, we compete vigorously, but we do so fairly and honestly. It is critically important that we comply with antitrust and competition laws everywhere we operate.

Antitrust laws – also known as fair competition laws – regulate certain types of practices to ensure that consumers are given a choice in the marketplace, and that they are not subject to predatory or discriminatory practices. Violations of antitrust laws can carry severe fines and penalties.

Always Keep in Mind

• Colleagues must conduct business in accordance with fair trade practices and applicable fair competition and antitrust laws.
• Fair competition or antitrust laws are very complex and the risks of non-compliance can be severe. Contact with competitors should be limited and must always avoid certain subjects, including any matter relating to competition, such as markets, customers or prices. If such a conversation begins, leave the meeting immediately and report it to your Adtalem Legal representative or Integrity and Compliance.

Watch out for these Red Flags

Colleagues must not:
• Collude with other bidders (“bid rigging”) in any tender, such as agreeing on who will be the successful bidder or the contract price.
• Collude with competitors to fix prices or to agree with a competitor not to do business with a supplier or a customer.
• Illegally exchange with competitors sensitive information, such pricing, costs or other confidential proprietary information regarding Adtalem plans.
• Agree with a competitor to divide or carve up academic programs or calendars, or geographic markets or regions.
• Use a third party to pass information to a competitor.
• Engage in any other conduct which may violate any relevant competition or antitrust laws, rules or regulations in all relevant jurisdictions.
Q&A

I received sensitive pricing information from one of our competitors. What should I do?

You should contact your manager and your Adtalem Legal representative before taking any further action. It is important that from the moment we receive such information, we demonstrate respect for antitrust laws and make clear that we expect others to do the same. This requires appropriate action that can be decided only on a case-by-case basis.

I am planning to attend a trade show. Are there any special precautions I should take to avoid a potential antitrust problem?

Trade association meetings and other industry gatherings typically serve perfectly legitimate and worthwhile purposes. However, these meetings also provide a potential pitfall under competition and antitrust laws because they bring together competitors who may be prone to discussing matters of mutual concern. You must be especially careful to avoid discussions or exchanges of information relating to competitive matters. If competitors are discussing these matters, you should excuse yourself.

Gathering Business Intelligence

When collecting business intelligence, colleagues and others who are working on our behalf must always abide by the highest ethical standards. Never engage in fraud, misrepresentation or deception to obtain information or use invasive technology to spy on others. Be careful when accepting information from third parties, and be sure that the knowledge they provide is not protected by trade secret laws or non-disclosure or confidentiality agreements.

When gathering information on a competitor, you must never:
• Seek out confidential information of a competitor or someone outside the organization.
• Purchase confidential information related to a competitor.
• Use confidential information obtained inadvertently or accidentally.
• Request to see confidential bids submitted by competitors.
• Invest in a competitor to gain access to confidential information.

While we may employ former colleagues of competitors, we always recognize and respect the obligations of those colleagues not to use or disclose the confidential information of their former employers.

Avoid and Disclose Conflicts of Interest

A conflict of interest exists when your private interest interferes in any way – or even appears to interfere – with the interests of Adtalem and its institutions or companies. A conflict of interest may also exist when your interests or activities affect, or appear to affect your ability to make objective decisions for Adtalem and/or any of its institutions or companies. You are expected to use good judgment and avoid situations involving conflicts of interest, which can undermine the trust that others place in us and damage our reputation.

Conflicts of interest are not always clear. If you have a question, talk to your manager or to Integrity and Compliance. Even if you only think a conflict of interest might exist, you should disclose the situation to Integrity and Compliance so that they may properly evaluate, monitor and manage the situation.
Always Keep in Mind

• Always make business decisions in the best interest of Adtalem, its institutions and companies.
• Disclose to Integrity and Compliance any relationship, outside activity, financial interest or other situation that may present a possible conflict of interest or the appearance of a conflict of interest.
• Proactively address situations where you or a family member’s financial interests may conflict with Adtalem’s best interests.

The following are common examples of potential conflicts of interest; these and others may also be described in local Adtalem policies.

Business Opportunities
If you learn about a business opportunity because of your role with Adtalem or any of its institutions or companies, that opportunity belongs to Adtalem and/or the institution or company. Colleagues may not take for themselves, or direct to any third party, opportunities that are discovered as a result of their role with Adtalem.

Personal Relationships
Engaging in or maintaining inappropriate personal relationships with fellow colleagues, or with prospective or current students, may create a conflict of interest. Examples of personal relationships that may lead to conflicts of interest include family relationships and romantic/intimate relationships. Personal relationships that interfere with your ability to objectively perform your role should be avoided, but should be disclosed if they do occur. (See the “Appropriate Relationships” section of this Code for more details.)

Outside Employment
We do not prohibit colleagues from engaging in all outside employment. However, certain activity may involve a conflict of interest and should be disclosed and approved by Integrity and Compliance.

Some examples include:
• Any outside employment that affects your job performance.
• Employment of any kind (including consulting or faculty positions) with a competitor, supplier or customer. (Some exceptions may exist for faculty members. Contact your head of academic affairs for more information).

Personal Investments
Colleagues are not permitted to have a substantial ownership interest in any organization that may or does work with Adtalem. This rule applies to direct and indirect ownership.

A “substantial ownership interest” is an ownership interest of greater than 5 percent of total net worth of the colleague and immediate family members, or greater than 1 percent of the outstanding equity securities of a public company. There are exceptions to this rule for investments that are made through mutual funds or managed accounts where you do not make specific investment decisions.

Civic Activities
Colleagues may be invited to serve as members of boards of directors, advisory boards or committees related to another organization. Approval may be granted if the outside organization does not compete with Adtalem and if the obligations to serve can be met on your own time. In all such cases, the civic activity should be disclosed to your manager and Integrity and Compliance.

Circumstances can change and new conflicts can surface over time, which is why it is important to reassess your situation from time to time and discuss any potential conflicts with your manager and Integrity and Compliance.

Exchange Only Appropriate Gifts and Entertainment
When handled properly, appropriate and reasonable gifts and entertainment can strengthen business relationships. But when abused, they can damage our reputation, harm our business and may even be illegal.

Gifts and entertainment may only be exchanged if they are reasonable complements to business relationships, are consistent with Adtalem’s policies, are legal and are acceptable under the policies of the recipient’s organization.
Always Keep in Mind

• Only provide and accept gifts and entertainment that are reasonable complements to business relationships.
• Do not solicit personal gifts, favors, entertainment or services.
• With the exception of nominal expressions of gratitude such as a thank-you card or flowers, colleagues should never accept a gift from a current or prospective student.
• Faculty and students may wish to assemble to celebrate the end of a semester or other academic achievement. Such events are permitted, provided that:
  - The event adheres to the institution’s Values.
  - Students do not purchase food, beverages or alcohol for faculty members.
  - The event conforms to the expectations set forth in the “Appropriate Relationships” and “Safety and Security” sections of this Code.
• Personal gifts or entertainment exchanged between colleagues are not subject to the Gifts and Entertainment policy. However, these items should never be charged as a business expense or otherwise purchased with Adtalem resources.

Types of Gifts and Entertainment That are Never Allowed

The following examples of prohibited gifts and entertainment apply to colleagues, students and third parties.
• Gifts or entertainment that are lavish or frequent.
• Gifts or entertainment from a source of student lending.
• Cash or securities, such as stocks or bonds.
• Gifts or entertainment that are sexually oriented.
• Any gift or entertainment that amounts to a quid pro quo (i.e., I will give you this if you give me that).
• Entertainment or events that do not include a business-related benefit or educational component, including non-business-related events involving travel and lodging that are covered by a third party.

In addition, colleagues who are responsible for recruitment, admissions or financial aid advising activities must never accept a gift or entertainment of any value.
Gifts and Entertainment of Government Representatives

We should never directly or indirectly offer, promise or grant anything of value to a government representative to influence any business decision or to obtain improper advantage.

Always make sure that you know whether you are dealing with a government representative or government-related entity. This is not always obvious. Businesses such as airlines, oil companies, hospitals, colleges, universities, K-12 schools and telecommunications providers may be owned or controlled by a government. When in doubt, discuss the situation with your Adtalem Legal representative or Integrity and Compliance.

Engage in Responsible Public Communications

Adtalem is a publicly held organization and a member of the New York Stock Exchange.

Therefore, it is common for Adtalem to receive inquiries from the investment community, government agencies and the media on a variety of topics. Due to the sensitive nature of our information, as well as securities laws and other laws related to disclosure of information, we must closely manage when and how we share our information and communicate with the investment community, the government and the media. Only authorized persons may speak with, reply to or send information to the media, government or members of the investment community on behalf of Adtalem.

Inquiries from the investment community and media should be handled only by colleagues who are expressly authorized to handle such inquiries. All media or investment inquiries received by Adtalem or one of its institutions should be forwarded to the public relations, communications or media affairs representative within the institution.

Always Keep in Mind

- Public communications include social media platforms. You may use social media platforms for organizational reasons only when you are expressly authorized to do so by Adtalem or one of its institutions.
- Conferences and external presentations are an excellent way to share our expertise with others, but they should be reviewed by management and may need to be reviewed in advance by Regulatory Affairs. Submit presentations via email to responsiblecommunications@adtalem.com.

Social Media

- There are a limited number of colleagues who are authorized to respond or otherwise speak on behalf of Adtalem, and those who do so should use only Adtalem-managed social media outlets for that purpose.
- If you read an online comment about Adtalem that you believe is wrong, do not respond. Adtalem’s External Relations department regularly monitors external content and will respond appropriately.
- Be thoughtful in all your communications online, including through social media. Never harass or post discriminatory comments (as defined by our anti-harassment/anti-discrimination policies), or threaten fellow colleagues, students or anyone else. Harassing, threatening or similarly inappropriate conduct that violates Adtalem’s policies is discouraged in general and is never allowed while using Adtalem equipment or during your working time.
- Personally managed social media outlets or websites may not be used to advertise, promote, recruit for or support the business of Adtalem in any way.

Our Responsibilities as an International Organization

We work together with governments and local communities and do our part as a responsible international organization to contribute to sustainable growth while providing employment to colleagues and creating opportunities for our students and others.

Avoid Corruption and Bribery

Adtalem has a zero-tolerance policy toward bribery and corruption. Bribery and corruption in all forms are completely contrary to our Values, the Code and our policies.

We comply with anti-bribery and anti-corruption laws and regulations and support efforts to eliminate bribery and corruption worldwide. We work hard to make sure that our business partners share our commitment.

Colleagues and third parties acting on our behalf are not permitted to promise or provide anything of value to a colleague or a government official for the purpose of gaining an unfair advantage.

Likewise, colleagues and our third parties are also prohibited from receiving bribes from any third party for the purposes of gaining an unfair advantage.

Bribery is a crime in the countries where Adtalem, our institutions and companies operate, and penalties can be severe. If you have questions or concerns, discuss them with your Adtalem Legal representative or Integrity and Compliance.

Always Keep in Mind

• Do not offer or accept bribes or any other kind of improper payment, including facilitation payments.
• Keep accurate books and records so that payments are correctly described and Adtalem funds are not used for unlawful purposes.
• Know who you are doing business with and confirm that appropriate due diligence has been conducted on third parties.

• Never do anything through a third party that you are not allowed to do yourself.

Q&A

I have questions about the use of third parties who may be go-betweens helping us with local government authorities. What should I do to make sure that they do not get us into trouble?

You are right to be concerned. Control over agents and other third parties who are operating on Adtalem’s behalf is important. We should ensure that their reputations, backgrounds and abilities are appropriate and meet our ethical standards. Agents and third parties are expected to act in accordance with the requirements set out in this Code. You should never do anything through a third party that you are not allowed to do yourself.

Sometimes when I am traveling, I see practices that I would consider inappropriate, but they are common practices in the country I am visiting. What should I do if I am asked to provide what I consider to be a bribe but what the locals think of as a common business courtesy?

You should decline and inform the person that your organization’s policies prohibit you from making such payments. Remember: No matter where you are, our policies apply. You should never provide a payment or anything of value to gain an improper business advantage.
Engage With Care in Political Involvement

We respect the right of colleagues to participate voluntarily in the political process, including making their own personal political contributions and expressing their personal political views.

However, there are strict and complex regulations governing political activity. For this reason, you should be careful when involved in political activities and understand your responsibilities to Adtalem Global Education. Lobbying activities for or on behalf of Adtalem Global Education may be conducted only by or at the express, written direction of the Government Relations organization.

Always Keep in Mind

• You may be involved in lobbying if you:
  - Communicate in any way with legislators, regulators or other government officials in any way.
  - Attempt to influence legislative or regulatory action.
  - Provide gifts or entertainment to legislators, regulators or other government officials.

• Political donations, including donations to politicians, campaigns, trade groups or associations, and political parties, on behalf of Adtalem and its institutions may be made only by or at the express, written direction of the Government Relations organization.

• Receive all necessary approvals in writing before using any Adtalem, institution or company resources to support lobbying or other political activities.

• Make sure that your personal political views and activities are not viewed as representing Adtalem.

• Seek guidance from the Government Relations organization before providing any gifts or entertainment to public officials or hosting an event that will be attended by public officials. See also the “Gifts and Entertainment of Government Representatives” section of this Code.

• Do not use Adtalem resources or facilities to support your personal political activities.
Watch Out For These Red Flags

- Never apply direct or indirect pressure to another colleague to contribute to, support or oppose any political candidate or party.
- Avoid even the appearance that you are making political or charitable contributions in order to gain favor or to exert improper influence.
- Holding or campaigning for political office might create a conflict of interest. Be sure to disclose such activities to your manager or a senior member of the Government Relations team.

Operate Globally with Integrity

We must always operate with transparency and comply with all laws governing global trade.

The laws governing trade across international borders, including imports and exports and the transfer of technology, are extensive and complicated. The sanctions for violating these laws can be severe, up to and including substantial fines and/or imprisonment.

Always Keep in Mind

Adtalem colleagues and third parties acting on our behalf are expected to:

- Follow all applicable trade laws and regulations in the countries where we operate.
- Consult with your Adtalem Legal or Integrity and Compliance representative before transferring goods, equipment, data or technology of any kind across borders or to individuals from other countries, even if they are in the U.S.
- Never engage in any financial transactions that promote or result from criminal activity.
- Be alert to efforts to receive, transfer, transport, retain, use, divert or hide the proceeds of any criminal activity.
- Report any suspicions that such criminal conduct has occurred to Integrity and Compliance or your Adtalem Legal representative.

Q&A

I will be attending a fundraiser for a candidate for local office. Is it acceptable to list my position at Adtalem on the attendee list and in the program as long as I don’t use any organization funds or resources?

In some jurisdictions, you may be required to list your employer when making a personal political contribution, including when you attend fundraising events. However, apart from such legal requirements, you should make it clear that your personal political activities are distinct from those of Adtalem.

I would like to invite an elected official to speak at an upcoming Adtalem event. Would that be a problem?

You should get approval from Government Relations before inviting an elected official to attend an Adtalem event. Laws governing contributions are complex, and in some jurisdictions if the invitee is in the midst of a re-election campaign, the organization’s event could be viewed as support for the campaign and the food and drink at the event may be considered gifts. In most instances, there will be limits and reporting obligations that should be carefully followed.

Retaliation

Adtalem prohibits any form of retaliation, including, but not limited to, retaliatory discipline, acts of reprisal, or any form of intimidation for a colleague’s reporting or participating in a related investigation of conduct that potentially or actually violates this Code.

Caros colegas,

Enquanto membros da comunidade Adtalem Global Education, somos guiados por nossos valores TEACH, que refletem em tudo o que fazemos - colocar a equipe em primeiro lugar (Trabalho em Equipe); construir atitudes e iniciativas positivas (Energia); tomar posse e ter responsabilidade por nossas ações (Apropriação); agir com um senso compartilhado de responsabilidade e empatia pelos outros (Comunidade); e servir nossos alunos e uns aos outros com cuidado (Heart).

Nossos valores de Apropriação e Comunidade são a base do Código de Conduta e Ética da Adtalem. Nosso valor de Comunidade nos permite respeitar nossos valores compartilhados, mas também celebrar nossas diferenças por meio do respeito mútuo por todos os nossos colegas e alunos.

A maneira como nos comportamos é essencial para nosso sucesso contínuo em uma indústria que é fortemente regulamentada e examinada. Ainda mais importante, é fundamental mantermos nossa reputação entre os estudantes de sermos o lugar onde eles podem realizar seus sonhos educacionais e profissionais, entre os colegas de trabalho de sermos um ótimo lugar para trabalhar, e entre as nossas comunidades de sermos uma organização comprometida em ser bem-sucedida, fazendo o bem.

O cumprimento das regulamentações internacionais, federais, estaduais e locais é apenas o começo. Nós devemos ir além do que é legalmente exigido. Todos nós, independentemente de nosso nível ou função, somos responsáveis por agir com a máxima integridade pessoal e profissional todos os dias.

Como priorizamos altamente nossa conduta ética, é importante que todos:

- Tenham o código em mãos para referência futura

Obrigada por seu comprometimento em agir com integridade em apoio à nossa Visão, e por sua dedicação aos nossos alunos.

Colocando nossos valores em prática

Nossos Valores – Trabalho em equipe, Energia, Apropriação, Comunidade e Heart – apoiam uma cultura única na Adtalem que nos diferencia e nos define enquanto organização.

Nossa Cultura de Cuidado é continuamente renovada pelas escolhas e ações que cada um de nós faz todos os dias. Nosso Código de Conduta e Ética (“Código”), juntamente com nossas políticas e outros recursos, tem a intenção de ajudar a nos guiar quando nos deparamos com decisões de ética ou conformidade, ou quando temos dúvidas sobre o que fazer em situações específicas.

Quem precisa seguir o nosso código

O nosso Código aplica-se a todos os colegas da Adtalem, incluindo funcionários, diretores, colegas e professores, atuando em período integral e parcial. Aplica-se à toda a nossa família de instituições educacionais, em todos os lugares onde atuamos.

As ações de clientes, fornecedores, agentes e outros terceiros que trabalham conosco podem afetar nossa reputação. Por esse motivo, nos esforçamos para trabalhar somente com terceiros que compartilham nosso compromisso com a ética e a conformidade, e esperamos que eles ajam de maneira compatível com nosso Código. Tomaremos as medidas cabíveis quando acreditarmos que nossos altos padrões não estão sendo cumpridos.

Como usar esse código

Nenhum código de conduta consegue cobrir todas as situações possíveis, e este Código deve ser um documento vivo. É por isso que confiamos uns nos outros para usarmos o bom senso e manifestarmos-nos sempre que tivermos dúvidas ou preocupações. Além disso, a Adtalem e cada uma de nossas instituições têm políticas mais detalhadas que regem o nosso dia a dia, e você é responsável por conhecer, entender e cumprir essas políticas, além deste Código.

A aplicação de cada seção deste Código pode variar de instituição para instituição. Quando a política de uma instituição ou a lei local for mais rigorosa do que os padrões deste Código, siga as políticas da sua instituição ou as leis locais. Em caso de dúvida, entre em contato com o Departamento de Integridade e Conformidade para obter orientação, ou envie uma pergunta para o site de ajuda ou para a linha de ajuda do Speak Up.

Como organização global sediada nos Estados Unidos, devemos cumprir com as leis dos Estados Unidos, bem como as leis dos países em que atuamos. Cada um de nós tem uma importante responsabilidade de conhecer e seguir as leis que se aplicam aos nossos papéis nos países em que operamos. Se você é gerente, você é responsável por garantir que seus subordinados diretos e outros colegas estejam familiarizados com as leis e políticas locais que se aplicam a eles. Para obter mais informações sobre as leis específicas do país ou estado que podem se aplicar a você, consulte seu representante do Departamento Jurídico da Adtalem.

Nossas expectativas

A Adtalem deve sempre atender aos mais altos padrões de integridade e conduta ética. É por isso que incentivamos todos os colegas a:
• Responsabilizarem-se pelo cumprimento da lei, de regulamentos, deste Código e das políticas institucionais da Adtalem, mesmo quando isso puder interferir na concretização de uma meta de negócios.
• Prestarem atenção dobrada nas políticas relevantes para suas responsabilidades.
• Absterem-se de pedir para qualquer pessoa fazer algo que seja impróprio ou antiético.
• Comunicarem imediatamente preocupações sobre possíveis violações de leis, de regulamentos, deste Código e de outras políticas da Adtalem ao seu gerente ou a qualquer um dos recursos listados nesse Código.
• Cooperarem e serem completamente honestos ao responderem a uma auditoria, investigação ou revisão regulamentar.
• Cumprirem sempre as políticas de retenção de registros da Adtalem e nunca alterarem ou destruírem registros, além do estrito cumprimento de tais políticas.
• Uma vez por ano, leiam, reconheçam e se comprometam a cumprir o Código.

Perguntas e respostas

Sou gerente e não tenho certeza do que devo fazer se alguém vier a mim com uma possível violação do Código - e se envolver um líder sênior?

Não importa quem a alegação envolva, nós o encorajamos a informar a equipe apropriada para que a situação possa ser resolvida. Você pode usar qualquer uma das vias listadas no Código para tirar dúvidas e relatar preocupações. Se, por algum motivo, você não se sentir à vontade para fazer uma denúncia a uma pessoa em particular, é possível encaminhar a denúncia por meio do site de ajuda Speak Up.

Se eu perceber má conduta em uma área fora de minhas responsabilidades, o que devo fazer?

Você é responsável primeiramente pelas pessoas que se reportam a você, mas todos os colegas da Adtalem e suas instituições e empresas têm a responsabilidade de denunciar suspeita de má conduta que ocorra mesmo fora de suas obrigações formais e, quando apropriado, intervir para impedir ou parar qualquer má conduta vinda de colegas. Em muitos casos, a melhor abordagem é conversar primeiro com o gerente que supervisiona a área onde o problema está ocorrendo. No entanto, se você estiver preocupado com essa abordagem, converse com seu gerente, um representante de RH, do Departamento Jurídico da Adtalem ou da Integridade e Conformidade; você também pode relatá-la à linha de ajuda Speak Up.
Responsabilização sob o código
Violar leis, regulamentos, o Código ou nossas políticas, ou incentivar outras pessoas a fazê-lo, pode prejudicar nossa reputação e expô-lo a ações disciplinares, incluindo a demissão imediata de seu emprego. Certas ações também podem levar a processos judiciais contra você, seus colegas e/ou a Adtalem.

Os colegas são encorajados a verificar com o Departamento de Integridade e Conformidade, com o askHR ou com seu representante local de RH, informações sobre quaisquer políticas locais específicas com relação a potenciais desvios de conduta e procedimentos disciplinares ou de investigação.

Em circunstâncias limitadas, os colegas também podem estar sujeitos à disciplina por conduta fora do trabalho, incluindo, por exemplo, atividades que são discriminatórias ou ofensivas, que podem prejudicar a reputação da Adtalem ou podem ser prejudiciais aos nossos alunos.

Manifeste-se: Faça perguntas e relate suas preocupações
Esperamos que os colegas façam perguntas, levantem preocupações e contribuam ativamente para a prevenção de má conduta entre funcionários. Nós trabalhamos duro para promover uma cultura em que todos sintam-se à vontade para falar de boa fé e sem medo de retaliação. Por isso, além de conhecer e cumprir com os requisitos legais e de políticas que se aplicam à sua função, incentivamos você a se manifestar e agir quando souber ou suspeitar de alguma conduta indevida que possa afetar a Adtalem.

Quando você se deparar com uma situação ou dilema difícil de conformidade ou ética, você deve primeiro consultar este Código e as políticas que se aplicam à sua função. Se, depois de fazê-lo, ainda não tiver certeza, você tem várias opções:
• Entre em contato com seu gerente. Seja o mais específico e detalhado possível, para que ele ou ela entenda sua pergunta ou preocupações.
• Entre em contato com o Departamento de Integridade e Conformidade.
• Entre em contato com um membro do Departamento Jurídico da Adtalem, seu representante local de Recursos Humanos ou o askHR.

• Vá até o site de ajuda ou linha de ajuda do Speak Up para fazer uma pergunta ou enviar um relatório. Você tem a opção de permanecer anônimo quando fizer uma pergunta ou relatar uma suspeita de violação on-line ou por telefone.

A retaliação é proibida
Não toleramos retaliações contra ninguém por levantar preocupações ou denunciar possíveis má condutas ou desvios de conduta.

Se você acha que você ou alguém que você conhece sofreu retaliação, entre em contato com seu gerente, um representante de RH, ou do Departamento de Integridade e Conformidade; você também pode relatar a má conduta usando o site de ajuda do Speak Up.

O que você deve esperar ao utilizar nossos recursos do Speak Up
Os recursos do Speak Up, que são o site de ajuda e a linha de ajuda indicados abaixo, são uma maneira confidencial de obter respostas às suas dúvidas e preocupações e de relatar possíveis desvios de conduta. Tanto o site quanto a linha telefônica são operados por uma empresa independente, e estão disponíveis 24 horas por dia, sete dias por semana, e são multilíngues.

Ao usar os recursos do Speak Up, você terá a opção de fazer uma pergunta ou um relatório on-line ou por telefone. Se você telefonar, o operador ouvirá sua preocupação ou pergunta, fará perguntas para esclarecer o assunto, se necessário, e depois escreverá um relatório resumido. O resumo será então entregue à Adtalem para avaliação e outras ações, conforme apropriado.

Depois de fazer o relatório, você receberá um número de identificação para acompanhá-lo. Esse número é especialmente importante se você enviar seu relatório anonimamente - uma opção que está disponível na maioria dos países em que atuamos, mas não em todos. Esse número de identificação permitirá que você entre em contato conosco novamente com informações adicionais e rastreie a resolução do caso.

Todos os relatos serão mantidos confidenciais na medida do possível, exceto quando a divulgação for necessária para a
Adtalem investigar um relatório, ou pela aplicação da lei ou processo legal.

Alguns países, incluindo muitos na União Europeia, têm regras específicas sobre o uso do site e da linha do Speak Up, o que em alguns casos, pode limitar os tipos de relatórios que são aceitos.

Para que os recursos do Speak Up funcionem de maneira eficaz, os relatórios e consultas devem ser feitos de boa fé. Para este propósito, boa fé significa simplesmente uma crença honesta de que um relatório é verdadeiro e preciso, mesmo se os fatos relatados sejam comprovados como falsos. Os colegas que fizerem relatórios de má fé estão sujeitos a ações disciplinares, até e incluindo a rescisão imediata do contrato de trabalho. Um relatório de má fé significa um relatório em que um funcionário intencionalmente faz falsas alegações de má conduta sobre um colega, estudante ou terceiro que trabalha com a Adtalem.

**Fazendo a escolha certa**

Você pode se encontrar em uma situação na qual não tem certeza sobre o que fazer. Pode ajudar perguntar-se:

- É compatível com os valores TEACH da Adtalem?
- Você se sentiria confortável lendo a respeito disso no jornal ou ouvindo-o na frente de um júri?
- Isso seria coerente com a sua reputação ou com a reputação de excelência da Adtalem?
- Parece ser ético para você e para aqueles cujas opiniões você respeita?
- Essa conduta poderia prejudicar nossos colegas ou alunos de alguma forma?
- É legal e compatível com nossas políticas e nosso Código?

Se sua resposta a alguma dessas perguntas for “não”, não o faça e entre em contato com qualquer um dos recursos listados nesse Código para obter ajuda.

**Encerrando o ciclo**

A ética na Adtalem deve evoluir continuamente para se manter atualizada com novas e emergentes áreas de risco. Depois de tomar uma decisão, pergunte-se novamente:

- Você acredita que existem padrões, políticas e recursos suficientes para resolver o problema que você enfrentou, ou algo mais deveria ser feito?

Se sua resposta for “não” e você acredita que mais deve ser feito, entre em contato com o Departamento de Integridade e Conformidade. Suas sugestões nos ajudarão a melhorar nosso programa de Integridade e Conformidade.
Nossas responsabilidades para com a nossa comunidade

Por meio do respeito, colaboração e comunicação, construímos uma equipe dinâmica, de colegas talentosos. Trabalhamos em conjunto com um objetivo: empoderar nossos alunos para alcançarem suas metas educacionais e profissionais.

Manter nossa cultura baseada em trabalho em equipe não apenas ajuda nossos alunos a serem bem-sucedidos, mas também cria o cenário para que cada um de nós prospere pessoalmente, ao mesmo tempo em que contribuímos positivamente para o sucesso de todos.

Valorize diversidade, inclusão e igualdade de oportunidades

Valorizamos a contribuição única que cada pessoa traz para a Adtalem. Tratamos todos com respeito e dignidade e baseamos todas as decisões de contratação no mérito, experiência e aptidão pessoal.

Tenha sempre em mente

- Trate todos com respeito.
- Encoraje e ouça aqueles que se manifestam, e trabalhe para criar uma cultura onde outros se sintam valorizados e compreendidos.
- Se você gerencia pessoas ou está envolvido em recrutamento e contratação, julgue os outros com base no desempenho, qualificações, habilidades e potencial.
- Evite utilizar considerações não relacionadas em suas decisões. Use padrões objetivos e quantificáveis na medida do possível.
- Não se envolva em favoritismo por nenhum motivo.
- Respeite a privacidade, a dignidade e a vida dos colegas fora do trabalho.

Perguntas e respostas

Um de meus colegas envia e-mails contendo piadas e comentários depreciativos sobre certas nacionalidades. Eles me incomodam, mas ninguém mais comentou sobre eles. O que devo fazer?

Se você se sentir confortável fazendo isso e puder fazê-lo com segurança, você deve dizer ao colega para parar com esse comportamento. Você também é encorajado a relatar suas preocupações ao seu gerente, ao askHR ou ao seu representante local de RH. Você também pode relatar suas preocupações na linha de ajuda ou no site de ajuda do Speak Up. O envio de tais piadas não sustenta nossos Valores essenciais e viola nossas políticas. Ao não fazer nada, você está apoiando silenciosamente comportamentos que podem desgastar seriamente o ambiente da equipe.

Evite o assédio e a intimidação

Tratamos nossos colegas com dignidade e respeito em todos os momentos. Nós não toleramos qualquer forma de assédio ou intimidação. Isso inclui ações que possam ser razoavelmente consideradas ofensivas ou discriminatórias, bem como qualquer forma de assédio sexual.

Tenha sempre em mente

- Mantenha um ambiente de trabalho profissional e livre de assédio.
- Se for possível e se você puder fazê-lo com segurança, seja direto. Manifeste-se e diga a uma pessoa se você está chateado por suas ações ou palavras, explique por que e peça que ele ou ela pare. Você é encorajado a relatar suas preocupações ao seu gerente, ao askHR ou ao seu representante local de RH, ou a usar a linha de ajuda ou o site de ajuda do Speak Up.
- Não crie, distribua ou exiba material obsceno ou discriminatório, incluindo mensagens escritas, gravadas ou transmitidas eletronicamente (como e-mails, mensagens instantâneas e materiais da Internet).
- Lembre-se: o assédio pode ocorrer entre indivíduos de raças ou gêneros iguais ou diferentes e pode envolver indivíduos ou grupos de colegas.
Má conduta sexual, discriminação de gênero e intimidação (bullying)

A Adtalem está comprometida em manter um ambiente educacional livre de má conduta sexual ou discriminação de gênero. A má conduta sexual e a discriminação de gênero incluem assédio sexual, agressão sexual, estupro, violência doméstica, violência no namoro, perseguição, exploração sexual e assédio com base no gênero. Quando um aluno é vítima de má conduta sexual e a discriminação de gênero - mesmo que o ato não tenha ocorrido nas instalações da Adtalem - isso pode impedir sua habilidade de participar integralmente dos benefícios educacionais que oferecemos. Portanto, é importante que todos façamos nossa parte para evitar todas as formas de má conduta sexual ou discriminação de gênero, e apoiar nossos alunos e colegas sobreviventes.

Alguns colegas têm o dever legal, de acordo com a lei aplicável, de relatar possíveis incidentes de má conduta sexual ou discriminação de gênero. Consulte a Política de Prevenção e Combate à Má Conduta Sexual ou Discriminação de Gênero.

- Fazer gestos sexuais e exibir objetos, imagens, desenhos ou cartazes ofensivos e sexualmente sugestivos.
- Brincadeira verbal, provocações ou piadas ofensivas e de cunho sexual.
- Abusos verbais, ameaças ou insultos com base na aparência de um colega, bem como sua orientação sexual, suas crenças ou outras características protegidas por nossas políticas e leis aplicáveis.

Perguntas e respostas

Durante uma viagem de negócios, um colega me convidou várias vezes para sair e beber, e fez comentários sobre a minha aparência que me deixaram desconfortável. Eu pedi para ele parar, mas ele não parou. Nós não estamos no escritório e foi depois do expediente. O que devo fazer?

Este tipo de conduta não é aceitável, independentemente de acontecer nos escritórios da Adtalem ou fora deles.

A Adtalem apoia um ambiente de trabalho livre de assédio, portanto, não espere que isso aconteça novamente para abordar a situação. Se você se sentir seguro e confortável fazendo isso, seja firme e diga ao seu colega que tais ações são inadequadas e que devem parar. Levamos esses assuntos muito a sério e incentivamos você a relatar o problema ao seu gerente, ao representante local de RH ou ao askHR, ou a usar o site de ajuda e a linha de ajuda do Speak Up.

Durante minha recente análise de desempenho, meu gerente foi altamente crítico em relação ao meu desempenho e me senti intimidado e agredido pelo tom dos comentários. Isso é uma violação do Código e de nossa política contra o assédio?

Provavelmente não. Intimidação e agressão nunca são aceitáveis, mesmo durante a avaliação de desempenho do gerente ou ao disciplinar os subordinados diretos.

No entanto, articular as expectativas de desempenho de colegas com declarações como “a menos que você melhore seu desempenho, seu emprego pode ser rescindido” não é considerado intimidação nem ameaça. Se você tiver dúvidas ou preocupações, entre em contato com askHR ou seu representante local de RH, ou use a linha de ajuda ou o site de ajuda do Speak Up.
Relacionamentos apropriados
A Adtalem está empenhada em promover ambientes de trabalho e acadêmicos que melhorem as metas educacionais de nossos alunos, nossas experiências profissionais e a reputação de nossas instituições educacionais. Por essa razão, esperamos que todos os colegas mantenham os seguintes padrões para manter relacionamentos apropriados no local de trabalho.

Relacionamentos entre colegas de trabalho
Espera-se que os colegas se abstenham de contratar ou trabalhar no mesmo departamento que seus próprios familiares, cônjuges, parentes, parceiros(as) ou com colegas ou terceiros com quem tenham um relacionamento romântico ou íntimo. Da mesma forma, não é aceitável que você se envolva em um relacionamento íntimo com outro colega se você puder influenciar ou controlar os interesses profissionais ou financeiros desse colega.

Relacionamentos entre funcionários e alunos
Sob nenhuma circunstância os membros do corpo docente, funcionários do setor administrativo ou outros colegas de trabalho podem se envolver em relacionamentos românticos ou íntimos com estudantes matriculados ou potenciais se esse relacionamento puder, no momento presente ou no futuro, influenciar ou controlar matrículas, aconselhamento, supervisão ou classificar atividades ou decisões que afetem esse aluno. Você é encorajado a relatar relacionamentos improprios entre alunos e colegas por meio do askHR, para seu representante local de RH, para o Departamento de Integridade e Conformidade ou por meio da linha de ajuda ou do site de ajuda do Speak Up.

Algumas instituições podem ter padrões mais rígidos em relação a relacionamentos apropriados do que os estabelecidos neste Código. Se esse for o caso, os padrões mais rígidos prevalecem.

Para mais informações, ou se você tiver dúvidas, entre em contato com o chefe de assuntos acadêmicos da sua instituição, entre em contato através do askHR ou faça com seu representante local de RH, ou use a linha de ajuda e o site de ajuda do Speak Up.

Mantenham-se seguros
Todos - funcionários, alunos e visitantes de nossas instalações - têm o direito de exigir um ambiente seguro. Um ambiente seguro e protegido é fundamental para fornecermos uma educação de qualidade para nossos alunos.

Todos os colegas e terceiros que trabalham com a Adtalem devem entender e seguir nossas políticas e procedimentos de segurança e proteção. Devemos trabalhar juntos para manter nosso local de trabalho livre de perigos e riscos previsíveis e evitáveis.

A Adtalem fornece a cada local um conjunto de requisitos e procedimentos padronizados, projetados para manter os funcionários seguros. Também fornecemos uma estrutura para cada local seguir ao lidar com incidentes.

Além disso, cada campus tem um Líder de Incidentes designado, que serve como o principal contato em relação a questões de segurança. Para obter mais informações, ou para comunicar uma preocupação ou relatar um incidente, entre em contato com seu Líder de Incidentes local, com o seu líder local do campus, seu departamento de segurança local ou com o Escritório de Segurança da Adtalem.

Tenha sempre em mente
• Fique atento a riscos à segurança.
• Violência de qualquer tipo não tem lugar na Adtalem. Não toleraremos quaisquer atos ou ameaças de violência física contra colegas de trabalho, estudantes, visitantes ou qualquer outra pessoa em nossa propriedade, durante viagens de negócios, em nossa instituição ou em eventos patrocinados pela Adtalem.
• Armas de fogo ou outras armas não são permitidas nas propriedades da Adtalem, estacionamentos, locais de trabalho alternativos mantidos pela Adtalem, na instituição Adtalem, em eventos patrocinados pela empresa ou outros eventos, a menos que a aplicação de tal política seja proibida por lei.
• Mantenha um ambiente de trabalho organizado e seguro, mantendo as estações de trabalho, corredores e outros espaços de trabalho livres de obstáculos, fios e outros riscos potenciais.

Você deve sempre respeitar os costumes e leis locais referentes ao uso de drogas e álcool.

Perguntas e respostas
Os subcontratados que trabalham em nossas instalações devem seguir as mesmas políticas e procedimentos de segurança e proteção que os funcionários?
Com certeza. Os gerentes são responsáveis por garantir que terceiros trabalhando em nossas instalações entendam e cumpram todas as políticas, leis e regulamentos aplicáveis que afetam um determinado campus ou local específico.
Respeite a privacidade e proteja informações pessoais

Respeitamos e protegemos a privacidade de todos que confiam a nós suas informações pessoais. Isso inclui alunos matriculados, formados, ou em potencial, nossos colegas de trabalho e terceiros. Proteger esse tipo de informação é um requisito legal e uma questão de confiança.

Enquanto uma organização global em um ambiente digitalmente conectado, nós respeitamos todas as leis aplicáveis relacionadas à privacidade e segurança de dados. Algumas informações, geralmente chamadas de Informações Pessoais Identificáveis (PII - sigla em inglês), exigem um grau de cuidado extra. PII é qualquer dado que possa, por si só ou em combinação com outras informações, ser usado para identificar um indivíduo.

Tenha sempre em mente
• Seja responsável por proteger as PII e mantenha-se informado sobre nossas políticas relacionadas a esses dados.
• Somente compartilhe informações pessoais, incluindo PII, com pessoas que tenham uma necessidade legítima de tê-las e cujo acesso seja devidamente autorizado.
• Nunca divulgue o número de identificação emitido pelo governo de um estudante; números de cartão de crédito ou débito, ou senhas.
• Nunca divulgue registros acadêmicos ou informações sobre alunos a terceiros sem o consentimento do aluno, a menos que exigido por lei ou conforme permitido em circunstâncias limitadas, de acordo com nossas políticas aplicáveis.
• Seja transparente sobre nossas práticas de privacidade e como as pessoas podem entrar em contato conosco, caso tenham perguntas ou dúvidas.
• Comunique imediatamente quaisquer suspeitas ou uso, divulgações ou acessos não autorizados às PII ao seu gerente, ou para o departamento de Integridade e Conformidade.
• Nunca proíba um aluno de rever seus próprios registros acadêmicos.
• Certifique-se sempre de que os terceiros que trabalhem com a Adtalem sejam obrigados a cumprir e cumpram os requisitos da nossa política de privacidade.
• Quando você acreditar que estamos transferindo ou que iremos transferir informações pessoais de um país para outro, entre em contato com Integridade e Conformidade para ter certeza de que você entende as políticas, leis e regulamentações aplicáveis.

Perguntas e respostas

Um relatório que encontrei na copiadora contém muitos registros pessoais confidenciais, incluindo números de identificação de estudantes. Eu também frequentemente passo na frente de computadores onde posso ver informações confidenciais nas telas. Eu não quero causar problemas para ninguém, mas não acho que seja certo que esse tipo de informação seja deixado para todos verem. O que devo fazer?

Você deve recolher imediatamente o documento da copiadora e entregá-lo ao proprietário do documento. Se você não souber quem é o proprietário, entre em contato com seu gerente, com seu representante local de RH ou com o Departamento de Integridade e Conformidade para obter orientações.

Proteger a confidencialidade e a privacidade é responsabilidade de todos os funcionários. Quando documentos contendo informações confidenciais são deixados na copiadora, a pessoa que os deixou lá está negligenciando seu dever de proteger a confidencialidade dos outros. Da mesma forma, você nunca deve deixar laptops ou outros dispositivos portáteis eletrônicos sem supervisão, especialmente se eles contiverem informações confidenciais. Leva apenas alguns segundos para que alguém cause sérios danos ao seu computador ou aos seus arquivos, ou acesse informações no computador. Portanto, reserve um tempo para bloquear seu computador quando sair da sua mesa.
Utilize nosso patrimônio com sabedoria
Todos nós temos a responsabilidade de sermos eficientes e econômicos no uso de recursos e evitarmos o abuso de bens organizacionais para garantir que eles sejam usados e cuidados adequadamente.

Os recursos da Adtalem incluem nossos prédios, equipamentos, veículos, computadores, telefones, dispositivos móveis, arquivos, documentos, inventário e suprimentos. Nossos bens também incluem propriedade intelectual, bem como nossas informações confidenciais e exclusivas.

Uso adequado da tecnologia da informação
Cada um de nós deve usar os sistemas e recursos eletrônicos da Adtalem de uma maneira que não exponha a organização ao risco de violações de segurança, reclamações legais, sabotagem, vírus de computador ou problemas semelhantes.

O uso pessoal ocasional e eventual de recursos e sistemas eletrônicos da Adtalem é permitido, desde que não interfira com seus deveres ou sua produtividade, e não consuma nem desvie recursos que poderiam ser usados para fins organizacionais.

Tenha sempre em mente
• Utilize apenas software que tenha sido devidamente licenciado. A cópia ou utilização de software não licenciado ou “pirateado” nos sistemas e recursos eletrônicos da Adtalem é estritamente proibida.
• Relate qualquer suspeita de roubo, desfalque ou apropiação indevida de qualquer bem da Adtalem, usando a linha de ajuda ou o site de ajuda do Speak Up.
• Nunca venda, transfira, destrua ou de nenhuma outra forma descarte patrimônio ou bens materiais da Adtalem (incluindo computadores, equipamentos, e registros eletrônicos e impressos), sem a devida documentação e autorização.

Mantenha os mais altos padrões de integridade acadêmica
Enquanto uma provedora global de serviços educacionais, estamos comprometidos em fornecer aos nossos alunos instruções de alta qualidade, serviços e suporte relacionados. Para manter essa qualidade, devemos manter os mais altos padrões de integridade acadêmica.

Tenha sempre em mente
• Use o fruto do trabalho de outras pessoas de maneira apropriada e com a devida autorização e/ou menção.
• Renuncie intencionalmente ajudar ou tentar ajudar outros a cometerem qualquer ato de desonestidade acadêmica.
• Mantenha adequadamente registros educacionais e a posição acadêmica dos alunos.
• Recuse qualquer oferta de suborno, presente ou gratificação de qualquer tipo e de qualquer aluno, e abstenha-se de fazê-lo em nome de qualquer aluno, matriculado ou potencial.

Marketing, publicidade, recrutamento e admissões
As leis que regem as atividades de propaganda e marketing são proscritas. Se você estiver envolvido no desenvolvimento ou uso de nosso material de marketing, publicidade ou promocional, é importante que você entenda as diretrizes relacionadas a essas atividades. O mesmo acontece com quaisquer terceiros que criem tais materiais em nosso nome.

Fornecemos informações verdadeiras, precisas e não enganosas a alunos em potencial e baseamos a admissão unicamente na capacidade de cada candidato em atender aos requisitos de admissão, que variam de acordo com a instituição. Honramos e documentamos adequadamente as solicitações de alunos ou outros consumidores que não devem ser contatados por e-mail, telefone ou outros métodos.

Ao recrutar futuros alunos, fornecemos informações responsáveis, objetivas e imparciais. Somos sempre sinceros e nunca enganosos, seguindo os princípios da política e treinamento de Comunicações Responsáveis da Adtalem. Nós nos atemos a esses altos padrões não apenas porque são exigidos por lei, mas porque é a coisa certa a se fazer para ajudar nossos alunos a alcançar seus objetivos educacionais e profissionais.

Enquanto provedora de ensino superior, a Adtalem está sujeita a regulamentação extensiva. Para que as instituições que concedem cursos de graduação na Adtalem e nossos alunos permaneçam qualificados para participar de programas de auxílio financeiro federal nos EUA, devemos obedecer a regulamentos que regem a remuneração de colegas que recrutam estudantes.

• Certifique-se de que todos os materiais sejam verdadeiros, completos, precisos, devidamente fundamentados e não enganosos.
• Forneça dados de suporte e termos adequados ao usar estatísticas.

• Deixe claro que a educação oferecida não é garantia de emprego ou “sucesso”.

• Certifique-se de seguir as políticas e procedimentos da Adtalem antes de assinar qualquer contrato com terceiros, para a Adtalem ou sua instituição.

**Proteja informações confidenciais**

Quando gerenciadas adequadamente, nossas informações podem nos ajudar a desenvolver e administrar programas educacionais de qualidade e atender nossos objetivos. Quando a informação é mal administrada, ela coloca nossa organização em risco.

Cada um de nós deve ser vigilante e proteger nossas informações confidenciais, bem como as informações confidenciais que nos são confiadas por outros, como nossos alunos. Dependendo da situação, isso pode incluir ideias estratégicas, planos organizacionais, registros de alunos e outros tipos de informações, coletadas ou geradas, como parte de nossas operações e esforços educacionais.

Respeitamos todas as patentes, marcas comerciais, direitos autorais, informações exclusivas e segredos comerciais, bem como a confidencialidade de qualquer pessoa com quem fazemos negócios.

**Tenha sempre em mente**

• Use e divulgue informações confidenciais apenas para fins comerciais legítimos.
• Etiquete adequadamente informações confidenciais para indicar como elas devem ser manuseadas, distribuídas e destruídas.
• Proteja a propriedade intelectual e informações confidenciais compartilhando-as apenas com partes autorizadas.
• Nunca discuta informações confidenciais quando outras pessoas puderem ouvir o que está sendo dito - por exemplo, em aviões, em elevadores ou em outros locais públicos - e tenha cuidado para não enviar informações confidenciais para máquinas de fax ou impressoras que estejam sem supervisão.
• Siga todas as políticas, procedimentos e cronogramas de retenção relacionados a registros e gerenciamento de informações.
• Proteja laptops, dispositivos portáteis e mídias de armazenamento que possam conter informações confidenciais ou exclusivas e siga todas as políticas e protocolos de segurança de informações e de rede.
• Relate qualquer possível violação de segurança de dados ao seu gerente, ao gerente sênior de gestão da informação ou ao diretor de segurança da informação.

**Propriedade intelectual**

Trabalhamos arduamente para criar e promover marcas e programas educacionais reconhecidos em todo o mundo. Nossa propriedade intelectual, como nosso material, protegido por direitos autorais, e nossas marcas registradas, é uma parte essencial de nossa identidade e nossas operações; devemos lidar com isso de maneira responsável e protegê-la.

Outros exemplos de nossa propriedade intelectual incluem:

• Logotipos
• Materiais de marketing e publicidade
• Marcas
• Grade de curso
• Materiais educativos

Se você for responsável pelo desenvolvimento da propriedade intelectual, consulte seu representante do Departamento Jurídico da Adtalem.
Previna o uso de informações privilegiadas

Alguns colegas da Adtalem podem ter acesso a informações sobre as finanças da organização ou informações relevantes e não públicas que podem afetar nosso futuro econômico. Utilizamos informações relevantes não públicas em conformidade com as leis de valores mobiliários e não negociamos valores mobiliários de nenhuma empresa de capital aberto - incluindo a Adtalem - quando possuímos informações não públicas e relevantes relativas a preços.

"Informações relevantes e não públicas" geralmente se referem a qualquer informação que não esteja disponível ao público, e que um investidor sensato consideraria importante ao decidir comprar, vender ou manter uma ação. Isso pode incluir notícias sobre aquisições, resultados financeiros, mudanças importantes na administração, início ou término de contratos importantes, bem como notícias sobre o desempenho financeiro, operacional ou ambiental de uma organização. É importante saber que informações relevantes, não públicas, também podem ser informações confidenciais sobre outra organização que você obteve no decorrer de seu trabalho.

Tenha sempre em mente

- Nunca use, para benefício próprio ou de terceiros, quaisquer informações da organização que não tenham sido tornadas públicas.
- Tenha cuidado quando outras pessoas solicitarem informações confidenciais sobre a Adtalem ou nossos parceiros de negócios. Mesmo as conversas informais podem ser vistas como “dicas” ilegais de informações privilegiadas.
- Nunca use informações relevantes e não públicas para tomar decisões de investimento ou para fornecer dicas de investimento a familiares, parentes próximos, amigos ou outros terceiros.
- As violações da lei de valores mobiliários são levadas a sério e podem ser processadas, mesmo que a quantia de dinheiro envolvida seja pequena ou quando a pessoa que fornece a “dica” não tenha lucro.

Mantenha livros fiscais e registros com informações precisas

Estamos comprometidos com a transparência e com a divulgação completa, precisa, oportuna e compreensível de todos os aspectos de nossa organização, incluindo relatórios financeiros arquivados ou submetidos a autoridades reguladoras.

Colegas com funções que envolvam a preparação de nossas divulgações públicas, financeiras e regulatórias têm responsabilidade especial nessa área, mas todos nós contribuímos para o processo de registro de resultados organizacionais e manutenção de documentos. Cada um de nós é responsável por ajudar a garantir que as informações que registramos sejam precisas, completas e mantidas de maneira consistente com nosso sistema de controles internos.

Enquanto uma organização de capital aberto, somos obrigados a reportar informações financeiras de acordo com os princípios contábeis geralmente aceitos e a manter livros fiscais e registros que reflitam de maneira precisa e justa todas as transações. Essa obrigação, no entanto, inclui mais do que apenas informações financeiras.

Alguns exemplos incluem o registro preciso de matrículas, presença, notas, comunicações, mensalidades, dados regulamentares e outras informações organizacionais essenciais.

Tenha sempre em mente

- Cumpra integralmente todas as leis, exigências contábeis externas, e políticas e procedimentos da Adtalem, para relatar informações financeiras e organizacionais.
- Nunca faça declarações falsas em um relatório de despesas ou planilha de horas.
- Seja claro, conciso, verdadeiro e preciso ao registrar qualquer informação.
- Elabore documentos internos e comunicações como se fossem ser revisados por terceiros. Lembre-se de que nossos registros internos às vezes são lidos por terceiros e agências governamentais, portanto devemos fazer o melhor possível para garantir que o que escrevemos não seja mal interpretado.
- Mantenha todos os registros organizacionais por períodos mínimos legalmente exigidos e de acordo com os procedimentos de retenção de registros da Adtalem.

Perguntas e respostas
No final do período do relatório do último trimestre, meu gerente me pediu para registrar despesas adicionais, mesmo que eu não tivesse recebido as faturas do fornecedor e o trabalho não tivesse sido iniciado. Concordei em fazê-lo, principalmente porque não achava que realmente fosse fazer nenhuma diferença, pois tínhamos certeza de que o trabalho seria concluído no próximo trimestre. Agora me pergunto se fiz a coisa certa.

Os gastos devem ser registrados no período em que são incorridos. O trabalho não tinha sido iniciado e os custos não tinham sido incorridos até a data em que você registrou a transação. Foi, portanto, engano e, dependendo das circunstâncias, poderia ser considerado fraude. Em tal situação, você deve relatar o assunto ao seu representante local de RH ou ao askHR, ou usar o site de ajuda e a linha de ajuda do Speak Up.

Compita de maneira honesta
Na Adtalem, competimos vigorosamente, mas o fazemos de forma justa e honesta. É extremamente importante que cumpramos as leis antitruste e de concorrência em todos os lugares em que operamos.

As leis antitruste - também conhecidas como leis de concorrência leal - regulam certos tipos de práticas para garantir que os consumidores tenham uma escolha no mercado, e não estejam sujeitos a práticas predatórias ou discriminatórias. Violações das leis antitruste podem acarretar multas e penalidades severas.

Tenha sempre em mente
- Os colegas devem realizar negócios de acordo com as práticas de comércio justo e as leis de concorrência justa e antimonopólio aplicáveis.
- As leis de concorrência leal ou antitruste são muito complexas e os riscos de não conformidade podem ser graves. O contato com os concorrentes deve ser limitado e deve sempre evitar certos assuntos, incluindo qualquer assunto relacionado à concorrência, como mercados, clientes ou preços. Se tal conversa começar, saia imediatamente da reunião e informe o seu representante do Departamento Jurídico ou de Integridade e Conformidade da Adtalem.

Preste atenção nos seguintes sinais de alerta
Os colegas não devem:
- Colaborar com outros licitantes (“licitação fraudulenta”) em qualquer proposta, tal como concordar sobre quem será o licitante vencedor ou o preço do contrato.
- Colaborar com concorrentes para fixar preços ou concordar com um concorrente de não fazer negócios com um fornecedor ou um cliente.
- Negociar ilegalmente com os concorrentes: informações confidenciais, tais como preços, custos ou outras informações relevantes confidenciais relativas aos planos da Adtalem.
- Concordar com um concorrente para dividir programas acadêmicos ou calendários, ou regiões e mercados geográficos.
- Usar um terceiro para passar informações para um concorrente.
- Envolver-se em qualquer outra conduta que possa violar quaisquer leis, regras ou regulamentos relevantes de concorrência ou antimonopólio em todas as jurisdições relevantes.

Detruza somente documentos de acordo com as políticas e procedimentos de retenção de registros da Adtalem e esteja ciente das limitações ou requisitos especiais que podem estar em vigor para registros relacionados a litígios, investigações ou auditorias potenciais ou em andamento.
- Coopere com os auditores internos e externos da Adtalem.
Perguntas e respostas

Recebi informações confidenciais sobre preços de um de nossos concorrentes. O que devo fazer?
Você deve entrar em contato com seu gerente e seu representante jurídico da Adtalem antes de tomar qualquer outra providência. É importante que, a partir do momento em que recebemos essas informações, demonstremos respeito pelas leis antitruste e deixemos claro que esperamos que os outros façam o mesmo. Isso requer ação apropriada que pode ser decidida apenas caso a caso.

Estou planejando participar de uma feira comercial. Há alguma precaução especial que devo tomar para evitar um possível problema antitruste?
Reuniões de associações comerciais e outras reuniões do setor normalmente servem a propósitos perfeitamente legítimos e dignos. No entanto, essas reuniões também oferecem uma armadilha potencial sob as leis de concorrência e antimonopólio, porque elas reúnem concorrentes que podem ser propensos a discutir assuntos de interesse mútuo. Você deve ter um cuidado especial para evitar discussões ou trocas de informações relacionadas a assuntos competitivos. Se os concorrentes estiverem discutindo esses assuntos, você deve se retirar.

Reunindo inteligência empresarial
Ao coletar inteligência de negócios, os colegas e outros que estão trabalhando em nosso nome devem sempre respeitar os mais altos padrões éticos. Nunca se envolva em fraude, deturpação ou trapaças para obter informações ou use tecnologia invasiva para espionar outras pessoas. Tenha cuidado ao aceitar informações de terceiros e certifique-se de que o conhecimento que eles fornecem não é protegido por leis de segredo comercial ou acordos de confidencialidade ou não divulgação.

Ao coletar informações sobre um concorrente, você nunca deve:
- Procurar informações confidenciais sobre um concorrente ou de alguém de fora da organização.
- Comprar informações confidenciais relacionadas a um concorrente.
- Usar informações confidenciais obtidas inadvertidamente ou acidentalmente.
- Solicitar ver formas confidenciais enviadas por concorrentes.
- Investir em um concorrente para obter acesso a informações confidenciais.

Embora possamos empregar ex-funcionários de concorrentes, sempre reconhecemos e respeitamos as obrigações dessas colegas de não usar ou divulgar as informações confidenciais de seus ex-empregadores.

Evite e comunique conflitos de interesse
Existe um conflito de interesses quando o seu interesse privado interfere de alguma forma - ou parece interferir - nos interesses da Adtalem e das suas instituições ou empresas. Um conflito de interesses também pode existir quando os seus interesses ou atividades afetam, ou parecem afetar, a sua capacidade de tomar decisões objetivas para a Adtalem e/ou qualquer de suas instituições ou empresas. Espera-se que você use o bom senso e evite situações que envolvem conflitos de interesses, o que pode minar a confiança que os outros depositam em nós e prejudicar nossa reputação.

Conflitos de interesse nem sempre são claros. Se você tiver alguma dúvida, fale com seu gerente ou com a Integridade e Conformidade. Mesmo que você ache que existe um conflito de interesse, você deve relatar a situação para o Departamento de Integridade e Conformidade, para que eles possam avaliar, monitorar e gerenciar adequadamente a situação.

Tenha sempre em mente
- Tome sempre decisões comerciais no melhor interesse da Adtalem, das suas instituições e empresas.
- Relate para a Integridade e Conformidade qualquer relação, atividade externa, interesse financeiro ou outra situação que possa apresentar um possível conflito de interesse ou pareça ser um conflito de interesse.
- Aborde proativamente situações em que você ou os interesses financeiros de um membro da família possam entrar em conflito com os melhores interesses da Adtalem.
Seguem abaixo exemplos comuns de potenciais conflitos de interesse; esses e outros também podem aparecer descritos nas políticas locais da Adtalem.

**Oportunidades de negócio**
Se você souber de uma oportunidade de negócio devido à sua função na Adtalem, ou em qualquer uma das suas instituições ou empresas, essa oportunidade pertence à Adtalem e/ou à instituição ou empresa. Os colegas não podem tomar para si mesmos, ou direcionar a terceiros, oportunidades que são descobertas como resultado de sua função na Adtalem.

**Relacionamentos pessoais**
Engajar-se ou manter relacionamentos pessoais inadequados com outros colegas de trabalho, ou com alunos matriculados ou potenciais, pode criar um conflito de interesses. Exemplos de relacionamentos pessoais que podem levar a conflitos de interesse incluem relacionamentos familiares e relacionamentos românticos/intimos. Relacionamentos pessoais que interferem na sua capacidade de realizar sua função objetivamente devem ser evitados, mas devem ser relatados, caso ocorram. (Veja a seção “Relacionamentos Apropriados” deste Código para mais detalhes.)

**Emprego externo**
Nós não proibimos os funcionários de se envolverem em todos os empregos externos. No entanto, certas atividades podem envolver um conflito de interesses e devem ser relatadas e aprovadas pela Integridade e Conformidade.

Algumas exemplos incluem:
- Qualquer emprego externo que afete seu desempenho no trabalho.
- Emprego de qualquer tipo (incluindo posições de consultoria ou docência) com um concorrente, fornecedor ou cliente. (Alguns exceções podem existir para os membros do corpo docente. Entre em contato com seu chefe de assuntos acadêmicos para obter mais informações).

**Investimentos pessoais**
Não é permitido aos colegas ter participação substancial em qualquer organização que trabalhe ou possa trabalhar com a Adtalem. Esta regra aplica-se à propriedade direta e indireta. Uma “participação acionária substancial” é uma participação acionária de mais de 5% do patrimônio líquido total do funcionário e membros da família imediata, ou superior a 1% dos títulos patrimoniais em circulação de uma empresa pública. Há exceções a essa regra para investimentos feitos por meio de fundos mútuos ou contas gerenciadas em que você não toma decisões de investimento específicas.

**Atividades cívicas**
Os colegas podem ser convidados para atuar como membros de conselhos de administração, conselhos consultivos ou comitês relacionados a outra organização. A aprovação pode ser concedida se a organização externa não competir com a Adtalem, e se as obrigações de servir puderem ser cumpridas em seu próprio tempo. Em todos esses casos, a atividade cívica deve ser reportada ao seu gerente e à Integridade e Conformidade.

As circunstâncias podem mudar e novos conflitos podem surgir ao longo do tempo, e é por isso que é importante reavaliar sua situação de tempos em tempos e discutir possíveis conflitos com seu gerente, e com o Departamento de Integridade e Conformidade.

**Troca de presentes e formas de entretenimento apropriadas**
Quando tratados adequadamente, presentes e formas de entretenimento adequados e sensatos podem fortalecer as relações comerciais. Mas quando extrapolados, eles podem prejudicar nossa reputação, prejudicar nossos negócios e até mesmo ser ilegais.

Presentes e formas de entretenimento só podem ser trocados se forem complementos sensatos de relacionamentos comerciais, se forem consistentes com as políticas da Adtalem, e se forem legais e aceitáveis de acordo com as políticas da organização do destinatário.

**Tenha sempre em mente**
- Somente forneça e aceite presentes e formas de entretenimento que sejam complementos sensatos para relacionamentos comerciais.
- Não solicite presentes, favores, formas de entretenimento ou serviços pessoais.
- Com exceção das expressões nominais de gratidão, como um cartão de agradecimento ou flores, os colegas nunca devem aceitar um presente de um aluno matriculado ou
potencial.
• O corpo docente e os alunos podem querer se reunir para comemorar o final de um semestre ou outra conquista acadêmica. Tais eventos são permitidos desde que:
  - O evento siga os Valores da instituição.
  - Os estudantes não comprem alimentos, bebidas ou álcool para os membros do corpo docente.
  - O evento esteja em conformidade com as expectativas estabelecidas nas seções “Relacionamentos Apropriados” e “Segurança e Proteção” deste Código.
• Presentes pessoais ou formas de entretenimento trocados entre colegas de trabalho não estão sujeitos à política de Presentes e Entretenimento. No entanto, esses itens nunca devem ser cobrados como despesas comerciais ou adquiridos com recursos da Adtalem.

Tipos de presentes e formas de entretenimento nunca permitidos
Os seguintes exemplos de presentes e formas de entretenimento proibidos aplicam-se a funcionários, estudantes e terceiros:
• Presentes ou formas de entretenimento que são luxuosos ou frequentes.
• Presentes ou formas de entretenimento oriundos de fontes de empréstimos estudantis.
• Dinheiro ou garantias, como ações ou títulos.
• Presentes ou formas de entretenimento que sejam sexualmente orientados.
• Qualquer presente ou formas de entretenimento que corresponda a um quid pro quo (ou seja, eu lhe darei isso se você me der aquilo).
• Entretenimentos ou eventos que não incluam um benefício relacionado a negócios ou componente educacional, incluindo eventos não relacionados a negócios, envolvendo viagem e hospedagem cobertos por terceiros.

Além disso, os colegas que são responsáveis por atividades de recrutamento, admissões ou assessoria financeira não devem aceitar presentes ou formas de entretenimento de nenhum valor.

Presentes e formas de entretenimento de representantes do Governo
Nunca devemos, diretamente ou indiretamente, oferecer, prometer ou conceder algo de valor a um representante do governo,
para influenciar qualquer decisão comercial ou para obter vantagem indevida.

Certifique-se sempre de que você sabe se está lidando com um representante do governo ou entidade relacionada ao governo.

Isso nem sempre é óbvio. Empresas como companhias aéreas, companhias de petróleo, hospitais, faculdades, universidades, escolas de ensino infantil e fundamental e provedores de telecomunicações podem ser de propriedade ou controladas por um governo. Em caso de dúvida, discuta a situação com seu representante legal da Adtalem ou com a Integridade e Conformidade.

**PARA SABER MAIS**
Se você tiver alguma dúvida se um presente ou forma de entretenimento é aceitável ou não, discuta o assunto com seu gerente ou entre em contato com Integridade e Conformidade, Política de Presentes e Formas de Entreténimento, Política anti-suborno e anti-corrupção, Manual do Funcionário da Adtalem Global Education, seção “Restrição a Presentes”.

Envolva-se em comunicações públicas responsáveis
A Adtalem é uma organização de capital aberto e membro da Bolsa de Valores de Nova York.

Portanto, é comum que a Adtalem receba consultas da comunidade de investimentos, agências governamentais e da mídia sobre diversos tópicos. Devido à natureza confidencial de nossas informações, bem como leis de valores mobiliários e outras leis relacionadas à divulgação de informações, devemos gerenciar de perto quando e como compartilhamos nossas informações e nos comunicamos com a comunidade de investimentos, o governo e a mídia. Apenas pessoas autorizadas podem falar, responder ou enviar informações para a mídia, Governo ou membros da comunidade de investimento em nome da Adtalem.

Consultas da comunidade de investidores e da mídia devem ser tratadas apenas por colegas que estejam expressamente autorizados a lidar com essas questões. Todas as solicitações de mídia ou investimentos recebidas pela Adtalem ou por uma de suas instituições devem ser encaminhadas ao representante de relações públicas, comunicações ou assessoria de imprensa da instituição.

**Tenha sempre em mente**
- Comunicações públicas incluem plataformas de rede social. Você pode usar plataformas de redes sociais por motivos organizacionais somente quando estiver expressamente autorizado a fazê-lo pela Adtalem ou por uma de suas instituições.
- Conferências e apresentações externas são uma maneira excelente de compartilhar nosso conhecimento com outras pessoas, mas elas devem ser revisadas pela administração e talvez precisem ser revisadas com antecedência pelos Assuntos Regulamentares. Envie apresentações por e-mail para responsiblecommunications@adtalem.com.

**Redes sociais**
- Existe um número limitado de colegas que estão autorizados a responder ou falar em nome da Adtalem, e aqueles que o fazem devem usar apenas meios de comunicação social geridos pela Adtalem para esse fim.
- Se você ler um comentário online sobre a Adtalem que acreditar estar errado, não responda. O departamento de Relações Externas da Adtalem monitora regularmente o conteúdo externo e responderá de maneira apropriada.
- Seja atencioso em todas as suas comunicações on-line, inclusive por meio das redes sociais. Nunca assedie ou poste comentários discriminatórios (conforme definido pelo nossas políticas anti-assédio e anti-discriminação), ou ameace colegas de trabalho, estudantes ou qualquer outra pessoa. Condutas abusivas, ameaçadoras ou similarmente inapropriadas que violem as políticas da Adtalem são desencorajadas em geral, e nunca são permitidas com o uso de equipamentos da Adtalem, ou durante o seu horário de trabalho.
- Os meios de comunicação sociais ou sites pessoais gerenciados pessoalmente não podem ser usados para anunciar, promover, recrutar ou apoiar os negócios da Adtalem de maneira alguma.
**CÓDIGO DE CONDUTA E ÉTICA**

**Nossas responsabilidades enquanto uma Organização Internacional**

Trabalhamos em conjunto com governos e comunidades locais e fazemos a nossa parte enquanto uma organização internacional responsável para contribuir para o crescimento sustentável, proporcionando emprego aos colegas e criando oportunidades para nossos alunos e outros.

**Evite corrupção e suborno**

A Adtalem tem uma política de tolerância zero em relação a suborno e corrupção. Suborno e corrupção em todas as suas formas são completamente contrários aos nossos Valores, ao Código e às nossas políticas.

Cumprimos as leis e regulamentos antissuborno e anticorrupção e apoiamos os esforços para eliminar ambos em todo o mundo. Trabalhamos muito para garantir que nossos parceiros de negócios compartilhem nosso compromisso.

Colegas e terceiros que atuam em nosso nome não têm permissão para promover ou fornecer qualquer coisa de valor a um colega ou funcionário do governo com a finalidade de obter uma vantagem injusta.

Da mesma forma, os colegas e nossos terceiros também estão proibidos de receber subornos de terceiros com o objetivo de obter uma vantagem injusta.

O suborno é um crime nos países onde a Adtalem, nossas instituições e empresas atuam, e as penalidades podem ser severas. Se você tiver dúvidas ou preocupações, discuta-as com o representante legal da Adtalem ou com a Integridade e Conformidade.

**Tenha sempre em mente**

- Não ofereça nem aceite subornos ou qualquer outro tipo de pagamento indevido, incluindo pagamentos de facilitação.
- Manter registros contáveis e outros registros de maneira precisa para que os pagamentos sejam descritos corretamente e os fundos da Adtalem não sejam usados para fins ilegais.
- Saiba com quem você está negociando e confirme se a devida diligência foi conduzida a terceiros.
- Nunca faça nada por meio de terceiros que você não está autorizado a fazer sozinho.

**Perguntas e respostas**

Tenho dúvidas sobre o uso de terceiros, que podem ser intermediários, ajudando-nos com as autoridades do governo local. O que devo fazer para garantir que eles não nos causem problemas?

Você tem razão em estar preocupado. O controle sobre agentes e outros terceiros que operam em nome da Adtalem é importante. Devemos garantir que suas reputações, históricos e habilidades sejam apropriados e atendam aos nossos padrões éticos.

Os agentes e terceiros devem agir de acordo com os requisitos estabelecidos neste Código. Você nunca deve fazer nada por meio de um terceiro que você não está autorizado a fazer sozinho.

Às vezes, quando estou viajando, vejo práticas que considero inadequadas, mas que são práticas comuns no país em que estou visitando. O que devo fazer se me pedirem para fornecer o que considero ser um suborno, mas que os moradores locais considerem uma cortesia comercial comum?

Você deve recusar e informar a pessoa de que as políticas da sua organização proíbem você de efetuar tais pagamentos. Lembre-se: não importa onde você esteja, nossas políticas se aplicam. Você nunca deve fornecer um pagamento ou qualquer coisa de valor para obter uma vantagem comercial imprópria.
Seja cuidadoso com envolvimentos políticos
Respeitamos o direito dos colegas de participarem voluntariamente no processo político, inclusive fazendo suas próprias contribuições políticas pessoais e expressando suas opiniões.

No entanto, existem regulamentações rígidas e complexas que regem a atividade política. Por esta razão, você deve ser cuidadoso quando envolvido em atividades políticas e entender suas responsabilidades para com a Adtalem Global Education. Atividades de lobby para ou em nome da Adtalem Global Education podem ser conduzidas apenas por ou sob orientação expressa e por escrito da organização de Relações Governo da Adtalem.

Tenha sempre em mente
• Você pode estar envolvido em lobby se você:
  - Comunicar-se com legisladores, reguladores ou outros funcionários do governo de qualquer forma.
  - Tentar de influenciar ações legislativas ou regulatórias.
  - Fornecer presentes ou formas de entretenimento a legisladores, reguladores ou outros funcionários do governo.
• Doações políticas, incluindo doações a políticos, campanhas, grupos comerciais ou associações e partidos políticos, em nome da Adtalem e das suas instituições, podem ser feitas apenas por ou por escrito, sob instruções da organização de Relações Governo da Adtalem.
• Receba todas as aprovações necessárias por escrito antes de usar quaisquer recursos da instituição ou empresas da Adtalem para apoiar atividades de lobby ou outras atividades políticas.
• Certifique-se de que as suas opiniões e atividades políticas pessoais não sejam interpretadas como opiniões que representam a Adtalem.
• Busque orientação da organização de Relações Governo da Adtalem antes de fornecer presentes ou entretenimento a funcionários públicos ou organizar um evento em que funcionários públicos comparecerão. Veja também a seção “Presentes e formas de entretenimento de representantes do governo” deste Código.
• Não use recursos ou instalações da Adtalem para apoiar suas atividades políticas pessoais.
Preste atenção nos seguintes sinais de alerta

• Nunca pressione direta ou indiretamente outro colega a contribuir, apoiar ou se opor a qualquer candidato ou partido político.
• Evite até mesmo dar a impressão de que você está fazendo contribuições políticas ou de caridade para ganhar favor ou exercer influência imprópria.
• Manter ou fazer campanha para um cargo político pode criar um conflito de interesses. Certifique-se de relatar essas atividades ao seu gerente ou a um membro sênior da equipe de Relações Governo da Adtalem.

Atue globalmente com integridade

Devemos sempre operar com transparência e cumprir todas as leis que regem o comércio global.

As leis que regem o comércio internacional, incluindo importações e exportações e a transferência de tecnologia, são extensas e complicadas. As sanções por violar essas leis podem ser severas, incluindo multas substanciais e/ou prisão.

Tenha sempre em mente

Espera-se que os colegas da Adtalem e terceiros agindo em nosso nome:
• Sigam todas as leis e regulamentos comerciais aplicáveis nos países em que atuamos.
• Consultem seu representante do Departamento Jurídico ou de Integridade e Conformidade da Adtalem antes de transferir mercadorias, equipamentos, dados ou tecnologia de qualquer tipo entre fronteiras ou para indivíduos de outros países, mesmo que estejam nos EUA.
• Nunca se envolvam em quaisquer transações financeiras que promovam ou resultem de atividades criminosas.
• Estejam atentos aos esforços de receber, transferir, transportar, reter, usar, desviar ou ocultar o produto de qualquer atividade criminosa.

• Relatem quaisquer suspeitas de que alguma conduta criminosa tenha ocorrido ao Departamento de Integridade e Conformidade ou ao seu representante legal da Adtalem.

Perguntas e respostas

Eu participei de uma campanha de arrecadação de fundos para um candidato a um gabinete local. É aceitável listar minha posição na Adtalem na lista de participantes e no programa, desde que eu não use fundos ou recursos da organização?

Em algumas jurisdições, você pode ser solicitado a listar seu empregador ao fazer uma contribuição política pessoal, inclusive quando participar de eventos de arrecadação de fundos. No entanto, além de tais requisitos legais, você deve deixar claro que suas atividades políticas pessoais são distintas das da Adtalem.

Gostaria de convidar uma autoridade eleita para falar num evento próximo da Adtalem. Isso seria um problema?

Você deve obter aprovação de Relações Governo antes de convidar uma autoridade eleita para participar de um evento da Adtalem. As leis que regem as contribuições são complexas e, em algumas jurisdições, se o convidado estiver no meio de uma campanha de reeleição, o evento da organização poderá ser visto como apoio à campanha, e a comida e a bebida do evento podem ser consideradas presentes. Na maioria dos casos, haverá limites e obrigações de relatórios que devem ser cuidadosamente seguidos.

Retaliação

A Adtalem proíbe qualquer forma de retaliação, incluindo, mas não limitado a: disciplina de retaliação, atos de represália ou qualquer forma de intimidação por denúncia de um colega ou sua participação em uma investigação relacionada de conduta que potencialmente ou que, de fato, viole este Código.
de suas instituições devem ser encaminhadas ao representante autorizado a lidar com essas questões. Todas as solicitações serão tratadas apenas por colegas que estejam expressamente autorizados a fazê-lo pela Adtalem ou por uma de suas empresas. Consultas da comunidade de investidores e da mídia devem ser enviadas para a mídia, Governo ou membros da comunidade de investimentos, o governo e a mídia. Apenas pessoas ou outras leis relacionadas à divulgação de informações, devemos educar e orientar os funcionários sobre que o conhecimento que eles fornecem não é protegido por leis de segredo comercial ou acordos de confidencialidade ou troca de presentes e formas de entretenimento.

Portanto, é comum que a Adtalem receba consultas da mídia, envolvimento em comunicações públicas para influenciar qualquer decisão comercial ou para obter vantagem indevida. Para evitar violações das leis de segredo comercial ou acordos de confidencialidade ou ameaças de colegas, deve ser usada a consulta ao representante legal da Adtalem ou com a Integridade e Conformidade.

Todas as comunicações de investidores e da mídia, à exceção das que podem resultar em uma situação de interesse para o funcionário, devem ser encaminhadas ao representante legal da Adtalem ou com a Integridade e Conformidade. Isso nem sempre é óbvio. Empresas como companhias aéreas, empresas de petróleo, hospitais, faculdades, universidades, conflitos de interesse, você deve relatar a situação para o gerente ou com a Integridade e Conformidade. Apenas pessoas que desempenham atividades externas, interesse financeiro ou outra situação que possa criar um conflito de interesse, você deve relatar a situação para o gerente ou com a Integridade e Conformidade.

Ao coletar informações sobre um concorrente, você nunca deve, diretamente ou indiretamente, oferecer, prometer, recrutar ou apoiar os negócios da Adtalem ou de qualquer das suas instituições e empresas. Espera-se que você use o bom senso e evite situações que envolvam conflitos de interesse, mesmo que pareçam ser uma vantagem não declaring

Em conformidade, nossa política é a de que o conhecimento que recebemos não pode ser compartilhado de maneira alguma.
