

BECOME A VETERINARIAN PATHWAYS PROGRAM

Red Deer College in Partnership with
Ross University School of Veterinary Medicine

ROSS UNIVERSITY
SCHOOL OF VETERINARY MEDICINE

Come ready to learn. Leave ready to practice.

At Ross University School of Veterinary Medicine, our passion is training qualified students, like graduates of Red Deer College, to become the next generation of career-ready, compassionate veterinarians and researchers. It's time to explore your pathway to Ross Vet.

WHY ROSS VET

Nationally recognized AVMA-accredited¹ DVM program

Broad-based curriculum and critical hands-on clinical skills, taught early on at the Ross Vet AAHA-accredited² Veterinary Clinic

Culturally distinct environment in St. Kitts filled with natural beauty, and exotic marine and tropical wildlife

The educational foundation needed for various career paths that contribute to human and animal health such as: food quality and safety, food security, behavior, biomedical research, wildlife, and environmental health

Dual degree programs that give students the opportunity to complete a master's degree alongside their Doctor of Veterinary Medicine

PROGRAM BENEFITS

Students who have completed their undergraduate junior year at and have met the academic criteria established through Red Deer College and Ross Vet Pathways Program will receive these benefits:

- Ross Vet application fee waived (except where prohibited by law)
- Priority application consideration at Ross Vet
- Guaranteed admissions interview with Ross Vet
- Ross Vet will designate seats for eligible students in each of our three semesters: January, May, and September

Minimum Eligibility Criteria

BS Graduate
of Red Deer College
within past year

Overall GPA 3.0
or higher

GRE 20th Percentile
or better in each category

GPA 3.0
or higher in all Ross Vet
prerequisite courses

ALIGNED COURSEWORK

Ross Vet minimum coursework prerequisites for DVM program admissions.

Completion of the following courses:

- General Biology I & II with Lab (RDC – BIOL 217 and BIOL 218)
