

BECOME A VETERINARIAN: PATHWAYS PROGRAM

Duquesne University in partnership with
Ross University School of Veterinary Medicine

ROSS UNIVERSITY
SCHOOL OF VETERINARY MEDICINE

DUQUESNE UNIVERSITY

Go From Animal Lover to Extraordinary Veterinarian

At Ross University School of Veterinary Medicine, our passion is training qualified students—like graduates of Duquesne University—to become the next generation of career-ready, compassionate veterinarians and researchers. It's time to explore your pathway to Ross Vet.

PROGRAM BENEFITS

Students who have completed their undergraduate junior year at Duquesne University and have met the academic criteria established by Duquesne University and the Ross Vet Pathways Program will receive these Ross Vet benefits:

- An application fee waiver (except where prohibited by law)
- Priority application consideration
- A guaranteed admissions interview
- Access to a designated seat in one of our three semester starts: January, May, or September

Minimum Eligibility Criteria

Enrolled Student

from Duquesne University within past year

Overall GPA of 3.0

or higher

OPTIONAL

CURRICULUM TIMELINE

WHY ROSS VET?

Nationally recognized AVMA®-accredited¹ DVM program

Broad-based curriculum with critical hands-on clinical skills taught early on at the AAHA-accredited Ross University Veterinary Clinic²

Culturally distinct environment in St. Kitts filled with natural beauty and exotic marine and tropical wildlife

The educational foundation needed for various career paths that contribute to human and animal health, such as food quality and safety, food security, behavior, biomedical research, wildlife, and environmental health

Dual degree programs that give students the opportunity to complete a master's degree alongside their Doctor of Veterinary Medicine
