Come ready to learn. Leave ready to practice.

At Ross University School of Veterinary Medicine, our passion is training qualified students, like graduates of Rowan College At Gloucester County, to become the next generation of career-ready, compassionate veterinarians and researchers. It's time to explore your pathway to Ross Vet.

WHY ROSS VET

- Nationally recognized AVMA-accredited¹ DVM program
- Broad-based curriculum and critical hands-on clinical skills, taught early on at the Ross Vet AAHA-accredited² Veterinary Clinic
- Culturally distinct environment in St. Kitts filled with natural beauty, and exotic marine and tropical wildlife
- The educational foundation needed for various career paths that contribute to human and animal health such as: food quality and safety, food security, behavior, biomedical research, wildlife, and environmental health
- Dual degree programs that give students the opportunity to complete a master’s degree alongside their Doctor of Veterinary Medicine

PROGRAM BENEFITS

Students who have completed their undergraduate junior year at and have met the academic criteria established through Rowan College At Gloucester County and Ross Vet Pathways Program will receive these benefits:

- Ross Vet application fee waived (except where prohibited by law)
- Priority application consideration at Ross Vet
- Guaranteed admissions interview with Ross Vet
- Ross Vet will designate seats for eligible students in each of our three semesters: January, May, and September

Minimum Eligibility Criteria

- BS Graduate of Rowan College At Gloucester County within past year
- GRE 20th Percentile or better in each category
- Overall GPA 3.0 or higher
- GPA 3.0 or higher in all Ross Vet prerequisite courses
**ALIGNED COURSEWORK**

Ross Vet minimum coursework prerequisites for DVM program admissions.
