

In order to receive points for SAVMA Professional Development Funding, you **MUST** have this sheet filled out. For every **organization**/event you **participate in**, you must have a signature proving that you completed that activity. It will be very beneficial for you to keep this sheet up to date throughout your semesters. Everything that is awarded points needs a signature. If you are a member of a club, you need the signature of an Officer in that club. If you submit a Vet Gazette Article, you need a SAVMA Delegate's signature or you need to provide an email as proof of your submission/publication, etc. If you have any questions, please contact the SAVMA Scholarship Liaison.
