

The Carlyle Animal Hospital in Carlyle, IL is seeking a full-time associate. New graduates or experienced veterinarians are encouraged to apply. We are a 30 year old established and growing small animal practice with 2.75 doctors currently on staff (we are increasing to 3.5 or 3.75). Our facility is a recently renovated stand-alone building with 4 exam rooms, a surgical suite, digital radiography, in-house laboratory, dental/wet table and a newly expanded treatment room. Plan to work about 40 hours per week with one day off during the week and no regular Sunday or evening hours although a rotating schedule may be considered as we increase professional staff. We generally take 1-2 appointment-free hours for lunch. Weekend work will consist of working 2 out of 4 Saturday mornings. Salary will vary depending on skills and experience, but we pay higher than average wages to all current veterinarians and staff. Limited emergency call will be shared equally once experience is gained. Benefits include: pension plan, VIN membership, dues for AVMA, ISVMA, SIVMA, 2 weeks paid vacation, licensure fees and continuing education.

Carlyle is a quaint town about 1 hour East of St. Louis. Eldon-Hazlet State Park is just north of town and offers camping, fishing, boating, hiking and many other activities.
