

The Pet Health Centers @ North Shore Animal League America

Staff Veterinarian

Looking for a full or part time associate veterinarian to join our 16 doctor, AAHA accredited medical center. We provide high quality, affordable veterinary care to our shelter residents as well as both adopted and community pets. Fully equipped, state of the art facilities. In house capabilities include wellness center with rehabilitation suite (including underwater treadmill), dental suite, digital full body and dental radiology, endoscopy, class IV therapy laser, fully equipped surgical suite performing both soft-tissue and orthopedic surgery, and isolation facility. We see over 30,000 cases annually, providing an exciting and challenging work environment. Position is rotational through all departments, with emphasis on clinical case management. Excellent benefits package.

Job responsibilities:

Provide consistent and high quality patient care

Perform thorough physical exams

Make appropriate recommendations for wellness care

Ordering and interpretation of appropriate diagnostics

Ensuring medical records are complete and accurate

Develop thorough and appropriate treatment plans (for inpatient or outpatient care)

Provide high level of customer service

- Educating clients on all aspects of pet veterinary care

- Responding to callbacks and client inquiries in a timely manner

- Follow up on patients when warranted

- Keep owners adequately informed of costs of care

- Provide reasonable estimates for hospital or surgical care

Surgical Service

- If rotate through surgery services, able to perform routine spay-neuter in an efficient manner

 - Must be able to perform at least 20 S/N surgeries in a shift

- Should be proficient in other routine procedures

 - Lumpectomy, Cystotomy, Aural Hematoma, etc.

Be an active team player

- Make reasonable efforts to assist colleagues when needed

Elevate problems/concerns to supervising veterinarian when appropriate

Experience preferred, but new graduates welcome to apply. Active mentoring available.

Compensation commensurate with experience

Addition compensation includes \$1200/yr CE allowance and Reimbursement for AVMA Dues, NYS License and DEA License

Robust health benefits plan

401-K available

As a 501-C-3 Non-profit, employees may be eligible for the Public Service Loan Forgiveness Program
